

3. Have you or any of the owners of the business (if applying as a business, corporation, or institution), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?

No Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

4. If requesting a **single-use permit or master file with only one recipient**, provide the name and address of foreign recipient (if shipping to yourself, include your foreign address):

NOTE: Providing a foreign recipient is *not* required if establishing a master file.

Name:
Business Name:
Address:
Address:
City:
State/Province:
Country, Postal Code:

5. For each species from which product will be exported, provide:
- Scientific name (genus, species, and if applicable, subspecies) and common name of the fish.
 - State(s) of source specimens.
 - Address where the facility(s) is located.
 - Product description (e.g., fertilized live eggs, caviar, or meat).
 - Weight to be exported (metric and standard units).
 - Description of shipping containers to be used (e.g., jars, tins, buckets) and sizes (provide units).
 - Will shipment be fresh, frozen, or pasteurized, or other (describe).
 - Current location of specimen(s).

6. For each facility, provide:
 - a. Photos and a description.
 - b. Number of years the facility has maintained the requested species.
 - c. Provide a copy of the appropriate state, Federal license(s) for the facility.

7. Provide the following regarding your production estimates for each species being requested and each facility identified above:
 - a. Number of brood stock spawned annually.
 - b. Estimated total weight of eggs produced annually.
 - c. Average annual growth rate of fish achieved at the facility.
 - d. Biomass, by age class and sex, at the beginning of the year; remaining biomass, by age class and sex, at the end of the year.
 - e. Total live stock sold by age class and sex.
 - f. Total "green" roe harvested annually (by weight).
 - g. Total amount roe determined not to be fit for processing and discarded (by weight).
 - h. Total caviar sold domestically (by weight).
 - i. Total caviar sold internationally (by weight).
 - j. Estimated number of fry produced annually.
 - k. Total meat production.
 - l. Total meat sold domestically by sex (live weight is acceptable).
 - m. Total meat sold internationally by sex (live weight is acceptable).
 - n. Mortality rates by age class.
 - o. Information regarding disease outbreaks, this information should include the causative agent, if known, percent mortality, relevant pathological findings, and plan to reduce future disease outbreaks.
 - p. Sacrifice rates by age class and sex.

8. Provide a statement on how your captive population(s) is being managed to maintain genetic viability.

9. Do you supplement from the wild?

No Yes

If yes,

- a. Provide a copy of the state authorization or collection permit(s) (i.e., aquaculture permit, broodstock permits, and capture logs).
- b. What is the disposition of wild-origin fish (males and females) once they have been used to improve the genetic viability of your farm-raised population?
- c. When is the last time you supplemented your stock with wild-origin fish?
- d. When do you next intend to use wild-origin fish to improve the genetic viability of the population?

10. Provide production records for the previous year.

11. Are all roe that you are exporting F2 generation or more?

12. If you are the Breeder, sign (in ink) the following statement:

I hereby certify that the species listed above to be exported were bred and born/hatched from parental stock at my facility listed below.

Name and address of your facility where the animals were bred and born;

Current location of parental stock:

Signature and date _____

If you obtained stock from another facility, provide copies of documentation showing that you acquired the specimens from the breeder or documentation demonstrating the history of transactions (chain of ownership of each specimen) and a signed statement from the breeder or breeder's record that includes:

- a. Complete name and address of the breeder's facility.
- b. Scientific and common name of the species.
- c. Statement that the specimen(s) was/were bred and born/hatched at his/her facility.
- d. Birth/hatch date, and if applicable band/tag number, or other identifiers.
- e. Location (Name, Street address, City, State) of Parental Stock.

All international shipment(s) must be through a designated port. A [list of designated ports](#) (where an inspector is posted) is available. If you wish to use a port not listed, please contact the Office of Law Enforcement for a Designated Port Exemption Permit (form 3-200-2).

NOTICES

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages:

Original submission - paper-based: 3 hours
Amended submission - paper-based: 2 hours 30 minutes
Original submission - electronic: 2 hours 45 minutes
Amended submission - electronic: 2 hours 15 minutes

These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB/PERMA (JAO), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov. Please do not send your completed form to this address.
