

JUSTIFICATION FOR NO MATERIAL/NONSUBSTANTIVE CHANGE

Federal Fish and Wildlife Permit Applications and Reports--Management Authority; 50 CFR 13, 15, 16, 17, 18, 22, 23 OMB Control Number 1018-0093

This nonsubstantive change request submission is in response to an error in the certification statement on page 5 the form discovered by U.S. Fish and Wildlife (Service, we, FWS) Wildlife Inspectors. The certification statement referred to a question that did not exist. We updated FWS Form 3-200-23 to correct the statement. We also updated the associated version on our ePermits system.

The updated text is highlighted in yellow on the top of page 5 in the version (dated 05/2022) uploaded to ROCIS.

We made no other changes to the previously submitted information.
