Section 1 – GENERAL FACILITY INFORMATION

IMPORTANT INSTRUCTIONS

Complete this questionnaire for the facility listed on the cover. If additional questionnaires are needed for other facilities for which you report, call 1-800-352-7229 to request more forms.

A juvenile residential facility is a place where young persons who have committed offenses may be housed overnight. A facility has living/sleeping units, such as wings, floors, dorms, barracks, or cottages on one campus or in one building.

Any buildings with living/sleeping units that are not on the same campus should be considered separate facilities and should be recorded on separate questionnaires in this census.

1. Is the PREPRINTED facility name and mailing address on the BACK cover page of this form correct, or do they need to be corrected?

- 01 Preprinted facility name and mailing address on the BACK cover page of this form are correct
- 02 Preprinted facility name or mailing address need to be corrected – *Please make necessary corrections on the BACK cover page of this form.*

2. Which of the following best describes the physical layout of this facility?

Mark (X) *ONLY ONE* response.

This facility is –

- 01 a part of one building
- 02 all of one building
- 03 more than one building at a single site or on one campus
- 04 Other – *Specify* ↓

3. Are there any other buildings with living/sleeping units that are associated with this facility that are not next to this facility building or on the same campus?

- 01 Yes
- 02 No

IMPORTANT INSTRUCTIONS

Please call 1-800-352-7229 to request an additional questionnaire for each building with living/sleeping units associated with this facility that is not at the site of this facility building or campus.

4. On Wednesday, October 28, 2020, did this facility house any overflow detention population? "Overflow detention population" refers to those young persons who, because of the unavailability of beds in a detention center, are placed temporarily in a non-detention facility.

If this is a detention center, mark (X) "No".

- 01 Yes
- 02 No

IMPORTANT INSTRUCTIONS

The following items ask you to use your records to provide counts of persons who had assigned beds in this facility at the end of the day on Wednesday, October 28, 2020. This date has been chosen carefully to give a standardized count of persons in facilities like yours across the country. You will be asked to classify your facility population into two age groups:

1. those persons under age 21; and
2. those persons age 21 and older.

You will then be asked to classify each person UNDER THE AGE OF 21 into just one of the two following categories:

1. those here because they have been charged with or court-adjudicated for an offense. An offense is any behavior that is illegal in your state for underage persons alone or for both underage persons and adults.
2. those here for reasons other than offenses

13. What type of residential facility is the one listed on the front cover? Mark (X) all that apply.

- 01 **Detention center:** A short-term facility that provides temporary care in a physically restricting environment for juveniles in custody pending court disposition and, often, for juveniles who are adjudicated delinquent and awaiting disposition or placement elsewhere, or are awaiting transfer to another jurisdiction. In some jurisdictions, detention centers may also hold juveniles committed for short periods of time as part of their disposition (e.g., weekend detention).
- 02 **Training school/Long-term secure facility:** A specialized type of facility that provides strict confinement and long-term treatment generally for post-adjudication committed juvenile offenders. Includes training schools, juvenile correctional facilities, youth development centers.
- 03 **Reception or diagnostic center:** A short-term facility that screens juvenile offenders committed by the courts and assigns them to appropriate correctional facilities.
- 04 **Group home/Halfway house:** A long-term facility that is generally non-secure and intended for post-adjudication commitments in which young persons are allowed extensive contact with the community, such as attending school or holding a job.
- 05 **Residential treatment center:** A facility that focuses on providing some type of individually planned treatment program for youth (substance abuse, sex offender, mental health, etc.) in conjunction with residential care. Such facilities generally require specific licensing by the state that may require that treatment provided is Medicaid-reimbursable.
- 06 **Boot camp:** A secure facility that operates like military basic training. It is designed to combine elements of basic military training programs, correctional components and treatment programs. The emphasis is on strict discipline, drills, and work.
- 07 **Ranch, forestry camp, wilderness or marine program or farm:** These are long-term generally non-secure residential facilities often located in a relatively remote area. The juveniles participate in a structured program that emphasizes outdoor work, including conservation and related activities.
- 08 **Runaway and homeless shelter:** A short-term facility that provides temporary care in a physically unrestricted environment. It can also provide longer-term care under a juvenile court disposition order.
- 09 **Other type of shelter:** This includes emergency non-secure shelters where juveniles are housed short-term until another placement can be found.
- 10 **Other:** This includes independent living programs and anything that cannot be classified above.

Section 8 – CURRENT EVENTS

The National Institute of Justice and Office of Juvenile Justice and Delinquency Prevention are interested in timely and relevant information on events that may impact residential facilities and the juvenile population housed within these facilities. As such, the following questions are related to the Coronavirus pandemic (COVID-19). Please answer the following questions regarding the Coronavirus pandemic (COVID-19) using the time frame **March 1, 2020** through **October 28, 2020**.

Social distancing: Behavior used to increase the physical space between people in the facility, ideally at least 6 feet between people, regardless of whether or not they have symptoms.

- 1. From March 1, 2020 to October 28, 2020, did your facility do any of the following to address the Coronavirus pandemic (COVID-19)?** *Mark (X) all that apply.*

Social Distancing

- 01 Add signage or floor markers as a reminder of social distancing requirements (e.g. 6 foot distance guidance)
- 02 Limit or eliminate interactions in large group settings (e.g. stagger meal or recreational space times)
- 03 Increase use of phone or video communication with family or legal counsel
- 04 Discontinue delivery of educational instruction in the classroom setting and/or offer online delivery in its place
- 05 Discontinue face-to-face service delivery such as individual and group counseling and/or offer increased utilization of remote service delivery
- 06 Restrict visitation: no visitors or allow only non-contact visits
- 07 Reduce juvenile population: transfer or early release
- 08 Isolate or quarantine one or more persons (with an assigned bed) resulting from confirmed or suspected Coronavirus (COVID-19) or have displayed symptoms such as a persistent cough, difficulty breathing, and/or high fever

Personal Protective Equipment

- 09 Provide personal protective equipment for persons assigned beds (i.e., masks, gloves, sanitizer, etc.)
- 10 Provide personal protective equipment for staff (i.e., masks, gloves, sanitizer, etc.)
