

Justification of Non-Material Change
Form 4506-T and Form 4506-C Request for Transcript of Tax Return and IVES Request
for Transcript of Tax Return
1545-1872

IRS is submitting a non-material change request to make a slight change to Form 4506-T approved under the OMB Control Number 1545-1872 - Form 4506-T and Form 4506-C Request for Transcript of Tax Return and IVES Request for Transcript of Tax Return. The information collected by IRS is not changing. IRS is only providing a clarification to lines 5 and 8 of the form, and the reference to line 5 in the instruction. IRS is making this modification to improve the clarity of the instructions for the respondents. The modification will not change the burden estimates.
