U.S. Department of Energy WEATHERIZATION ASSISTANCE PROGRAM, SUSTAINABLE ENERGY RESOURCES FOR CONSUMERS (SERC) GRANTS QUARTERLY PROGRAM REPORT INSTRUCTIONS

The Quarterly Program Report format is designed to gather production and expenditure data. This report is to be submitted quarterly to the applicable Department of Energy 30 days after the end of the reporting period.

- I. GRANT OUTLAYS FUNDS SUBJECT TO DOE SERC PROGRAM RULES
- A. By fund source: Outlays this quarter and program year to date for
- 1. DOE funds
- 2. All other funds listed in the grant budget, Section A, including federal, state, local, and private funds that are *part of the approved DOE grant budget*.
- B. By function: Outlays this quarter and program year to date for each function in the DOE grant budget, section B. *Total must equal total in A.2 above.*
- C. In underserved communities: Outlays in underserved communities this quarter and program year to date for
- DOE funds
- 2. All other funds listed in the grant budget, Section A, including federal, state, local, and private funds that are *part of the approved DOE grant budget*.

II. GRANT PRODUCTION

Enter figures only for the quarter being reported except to correct previous quarter information.

- A. SERC units completed this quarter with all funds included in the approved DOE grant budget, all sources.
- 1. Units in underserved communities: Total number of units completed this quarter in underserved communities. The sum should be less than or equal to the total units completed with funds in the approved DOE budget.
- 2. Units by level of household income: Number of completed units this quarter by level specified. The sum should equal total units completed with funds in the approved DOE budget.
- 3. Units by type: Number completed this quarter by type specified. The sum should equal total units completed with funds in the approved DOE budget. A completed unit in a building containing five or more units should be reported as a Multi-Family unit. A completed unit in a building containing four units or less should be reported under one of the two Single-Family categories.
- 4. Units by primary heating fuel: Number of units completed by category of primary heating fuel. Primary heating fuel is the fuel that provides the most space heat in the home.
- 5. Units by occupant: Number of units completed by category of occupant. The sum will not equal total units completed.
- B. Persons assisted with funds included in the DOE grant budget, all sources: Total and by category. Sum of persons by category will not equal total persons assisted.
- C. Leveraged units completed with other funds not included in the DOE budget, provided any part of the definition of an SERC unit has been met.

III. SERC METRICS

- A. Client Education: Total hours provided this quarter.
- B. Number of MBEs and Minority, Women or Veteran-Owned Businesses: Number of new contracts executed by Grantee this quarter, and year to date.
- C. Renewable Energy and New Technology: SERC Metrics for Grantees with awards to install renewable energy and new technologies. This is a heading, no data reported in this row.
- 1. Technologies installed: Number of units receiving renewable energy and new technologies, by technologies specified. The sum may be higher than the total units completed with funds in the approved DOE budget, if units receive multiple technologies.
- Clean Energy Total Installed Capacity: Report the total installed capacity for jobs reported as complete this quarter, in kilowatts.
- 3. Clean Energy Total Installed Capacity in Underserved Communities: Report the total installed capacity for jobs reported as complete this quarter in underserved communities, in kilowatts.
- D. Energy Burden: SERC Metrics for Grantees with awards to install measures in eligible households. This is a heading, no data reported in this row.
- 1. Units by Household Energy Burden: For units completed this quarter, report the number of units by categories provided. The sum should equal the total units completed with funds in the approved DOE budget.

- 2. Total Annual Household Energy Expenditures: For units completed this quarter, report the sum of each household's annual energy use expenses (in dollars) prior to installation of any SERC measures.
- 3. Total Annual Household Energy Expenditures: For units completed in underserved communities this quarter, report the sum of each household's annual energy use expenses (in dollars) prior to installation of any SERC measures.
