Substantiation - Applicable to Any Claim	
(i) Please specifically explain what harm to the competitive position of your business would be likely to result from the release of the information claimed as confidential. How would that harm be substantial? Why is the substantial harm to your competitive position likely (i.e., probable) to be caused by release of the information rather than just possible? If you claimed multiple types of information to be confidential (e.g. site information, exposure information, environmental release information, etc.), explain how disclosure of each type of information would be likely to cause substantial harm to the competitive position of your business.	CBI: Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
Test	
(ii) Has your business taken precautions to protect the confidentiality of the disclosed information? If yes, please explain and identify the specific measures, including but not limited to internal controls, that your business has taken to protect the information claimed as confidential. If the same or similar information was previously reported to EPA as non-confidential (such as in an earlier version of this submission), please explain the circumstances of that prior submission and reasons for believing the information is nonetheless still confidential.	CBI: Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>

If yes, please explain why the information should be treated as confidential.	CBI: Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
Test	
(iii) (C) Has a patent been published for the chemical identity you claim confidential? What chemical identity information is not revealed by the patent? How is release of that specific information likely to cause substantial competitive harm? And failure to explain this harm may lead to denial of your confidentiality claim.	CBI: Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
Test	
(iv) Is the claim of confidentiality intended to last less than 10 years (see TSCA section 14(e)(1)(B))? If yes, please indicate the number of years (between 1-10 years) or the specific date after which the claim is withdrawn.	CBI: Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>
Test	
(v) Has EPA, another federal agency, or court made any confidentiality determination regarding information associated with this chemical substance? If yes, please provide the circumstances associated with the prior determination, whether the information was found to be entitled to confidential treatment, the entity that made the decision, and the date of the determination.
