New N/A

No differences. N/A

**New Section Title**

No change. A

New A

A

A

New A

**New Section Title**

No change. A

Similar to old form, but uses checkboxes instead of free text to indicate ratings requested. A

New - supports new regulatory provision for additional training locations. A

Similar to old form. A

Similar to old form, which had a "Change in Rating" block. A

Similar to old form, which had a "Change in Rating" block. A

Similar to old form, which had a "Change in Location, Facilities, and Equipment" block. A

New A

No change. A

No change. A

Similar to old form - Specific to the "primary location" since the new regulation allows additional training locaitons; placed in different section of the form; the address must also include the "COUNTRY" the school is located in. A

Added A

Added A

Added to support the new regulatory provision allowing additional training locations. A

Added A

Revised to align with new 147.5 requirements for application.

A

Similar to old form. Old form required name of an Owner. Since schools are not always identified with an "owner", this was changed to only require the person making application be authorized to do so on behalf of the school making application.

A

Similar to old form. Old form required name of an Owner. Since schools are not always identified with an "owner", this was changed to only require the person making application be authorized to do so on behalf of the school making application.

No change.

All information is must reflect the actual certificate issued to the applicant.

This date may be different if the FAA signed the application on a different date than the day the certificate was issued. Although in most cases this should be the same date as the date the certificate was issued.

No change.

No change.

<b>Instructions to Applicant</b>
----------------------------------

An electronic, fillable version of FAA Form 8310-6 is available at [www.faa.gov](http://www.faa.gov). Make all entries using permanent dark blue or black ink, or a typewriter or printer. Electronic signatures are acceptable when the form is submitted electronically.

**Name of School.** Enter the name of the school making application. This is the name that will be entered on the Air Agency Certificate. If requesting a name change, enter the name currently on the Air Agency Certificate. Refer to Section B for name change.

**Additional Business Names (Doing Business As (DBA)).** Enter any DBA to be used by the school in the conduct of part 147 training operations.

**Name of Contact/Training Director.** Enter the name of the school's primary point of contact for receiving FAA communications.

**Contact Telephone No.** Enter the telephone number of the school's primary point of contact for receiving FAA communications.

**Contact Email Address.** Enter the email address of the school's primary point of contact for receiving FAA communications.

**ORIGINAL CERTIFICATE.** If making an original application for an Air Agency certificate, mark this block. Complete additional blocks in this section as appropriate:

**Rating(s) requested:** Mark one or more blocks to indicate the rating(s) being requested by the school.

**Additional Training Locations.** Indicate if requesting additional training locations during initial certification. If yes, include the address of all additional locations in Section C. Ensure the attachments listed under Section D include information relative to each additional training location(s).

**AMENDED CERTIFICATE.** If making application for an amended Air Agency certificate, mark this block. Complete additional blocks in this section as appropriate:

**Added rating:** Mark appropriate blocks to indicate the rating(s) being added.

Removed rating: Mark appropriate blocks to indicate the rating(s) being removed.

Change in location. Mark this block if requesting a change in the primary location of the school. Enter the new physical and/or mailing address of the primary location in Section C.

Change of name. Mark this block if requesting a name change or for the addition or changes to the additional business name(s) (DBA) for the school. Enter the new name of the school, or the added/removed DBA of the school in this block.

OTHER. Mark this block if the purpose for application is other than one of those listed above.

Explain the reason for submission. If more space is needed an additional page or pages may be attached.

NOTE: Foreign addresses should be entered as appropriate to the address format of the country where the certificate will be issued.

Physical Address of Primary School Location. Enter the physical address of the primary location of the school. This is the address that will be entered on the Air Agency Certificate.

Mailing Address of School. Enter the address where the school will receive official mail. If the block "Same as Physical Address" is marked, then the mailing address may be left blank.

If the block "Same as Physical Address" is marked, then the mailing address may be left blank.

Physical Address of Additional Training Locations. Enter the physical address of each additional training location being requested. Attach a separate sheet listing additional locations if needed.

If attaching a separate sheet, mark the block indicating additional locations are attached.

Mark the appropriate blocks to indicate the application attachments.

Additional attachments may be annotated in the "Other" block.

- Descriptions of Facilities, Equipment, and Materials. These are the descriptions required by 147.5(b) (1). Descriptions must be included for each training location of the school.
- Description of Curriculum. This is the description required by § 147.5(b) (2).
- Description of Instructor Requirements. This is the description required by 147.5(b)(3).
- Curriculum. Required by § 147.5(b) (4). The school must show it has a curriculum meeting the requirements of by §147.17.
- Evidence of Instructor Qualifications. Required by § 147.5(b)(4). The school must show how it meets the requirements of § 147.19.
- Evidence of Accreditation. Required by § 147.5(b) (4). The school must show how it meets the requirements of § 147.23(a) (1), if applicable.
- Quality Control System. Required by § 147.5(b) (4). The school must show how it meets the requirements of § 147.23(a) (2), and submit its procedures for FAA approval, if applicable.
- Other. Mark this block if including additional attachments. List the attachments by name.

Name of Authorized Representative of Applicant. Print the name of the individual authorized to make application on behalf of the school applicant described in Section A.

Title of Authorized Representative of the Applicant. Enter the title used by the authorized representative.

Date. Enter the date the application was signed, using MM/DD/YYYY format.

Authorized Representative Signature. The person authorized to make application on behalf of the school must sign their name.
