DIRECTIONS FOR MAILING QUARANTINE MATERIALS UNDER PERMIT TO THE UNITED STATES.

Only materials covered by the permit will be shipped under green/yellow label (PPQ 508). Other materials will be denied entry. Place within the package the permittee's name, address, phone number, invoice, and, when required, a phytosanitary certificate. PPQ will not pay shipping charges. It is the permittee's responsibility to insure shipment is paid in full to its final destination. Attach the green/yellow permit label to the outside of the shipping container, making sure it is clearly visible and unobstructed by other shipping labels. If another shipping label must be attached, the address on the shipping label must match the address on the green/yellow label. This will ensure proper delivery. Do not duplicate the label. Only original labels will be accepted. Do not write on the label. Do not place any other delivery address on the outside of the package. On the outside of the package, place the name and address of the shipper and a statement of contents.

DIRECTIONS FOR MAILING PLANT QUARANTINE MATERIALS UNDER PERMIT TO THE UNITED STATES.

Ship under green and yellow label ONLY materials covered by the permit or authorization. Other materials may be denied entry. Place WITHIN THE PACKAGE consignee's name and address, invoice, and in the case of living plants, an inspection certificate issued by proper officials of your country. Paste securely to FACE of each package a GREEN AND YELLOW LABEL bearing number of permit or reference to authorization, under which material is being shipped. DO NOT WRITE ON THIS LABEL. DO NOT place any delivery address on outside of package. The permit number or reference on the label will ensure proper delivery. Place on OUTSIDE OF PACKAGE the name and address of shipper, statement of contents, and FULL POSTAGE.
