#### Pre-Award Screening Requirements

In reviewing applications in any discretionary grant competition, prior to making a Federal award, Federal awarding agencies, in accordance with 2 CFR 200.205, are required to review information available through any OMB-designated repositories of government-wide eligibility qualifications or financial integrity information. Additionally, Federal awarding agencies are required to have a framework in place for evaluating the risks posed by applicants before they receive Federal awards. The FNS review of risk posed by applicants will be based on the following:

- SAM.gov, the *System for Award Management*, the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS
- FAPIIS, the *Federal Awardee Performance and Integrity Information System* that has been established to track contractor misconduct and performance
- Dun & Bradstreet, the system where applicants establish a DUNS number that is used by the Federal government to better identify related organizations that are receiving funding under grants and cooperative agreements
- U.S. Department of Agriculture, AD-3030, *Representations Regarding Felony Conviction and Tax Delinquent Status for Corporate Applicants*
- FNS Risk Assessment Questionnaire
  - Applicants must complete the Grant Program Accounting System & Financial Capability Questionnaire that allows FNS to evaluate aspects of the applicant’s financial stability, quality of management systems, and history of performance, reports and findings from audits. The questionnaire contains a number of questions that may be an indicator of potential risk.

The evaluation of the information obtained from the designated systems and the risk assessment questionnaire may result in FNS imposing special conditions or additional oversight requirements that correspond to the degree of risk assessed.

#### Acknowledgement of USDA Support

As outlined in 2 CFR 415.2, grant recipients shall include acknowledgement of USDA Food and Nutrition Service support on any publications written or published with grant support and, if feasible, on any publication reporting the results of, or describing, a grant-supported activity. Recipients shall

include acknowledgement of USDA Food and Nutrition Service support on any audiovisual which is produced with grant support and which has a direct production cost of over \$5,000.

- When acknowledging USDA support, use the following language: "This material is based upon work that is supported by the Food and Nutrition Service, U.S. Department of Agriculture." Grantees should follow the [USDA Visual Standards Guide](#) when using the USDA logo.
- Grant recipients *may* be asked to host USDA officials for a site visit during the course of their grant award. All costs associated with the site visit will be paid for by USDA and are not expected to be included in grant budgets.

## IV. APPLICATION AND SUBMISSION INFORMATION

### Content and Form of Application Submission

FNS strongly encourages eligible applicants interested in applying to this program to adhere to the following applicant format. The proposed project plan should be presented on 8 ½" x 11" white paper with at least 1-inch margins on the top and bottom. All pages should be single-spaced, in 12-point font. The project description with relevant information should be captured on no more than pages, not including the cover sheet, table of contents, resumes, letter of commitment(s), endorsement letter(s), budget narrative(s), appendices, and required forms. All pages, excluding the form pages, must be numbered.

#### Special Instructions:

- Late application submission will not be considered in this competition. FNS will not consider additions or revisions to applications unless they are submitted via Grants.gov by the deadline. No additions or revisions will be accepted after the deadline.
- Applications submitted without the required supporting documents, forms, certification will not be considered.
- Applications missing a written proposal or budget narrative will not be considered.
- FNS reserves the right to request clarification on any application submitted in response to this solicitation.
- Applications not submitted via Grants.gov will not be considered.
- If multiple application packages are submitted through Grants.gov by the same applicant in response to this solicitation, FNS will accept the latest application package successfully submitted. All other packages submitted by the applicant will be removed from this competition.
- 

#### Cover Sheet

The cover page should include, at a minimum:

- Applicant's name and mailing address
- Primary contact's name, job title, mailing address, phone number and e-mail address
- Grant program title and subprogram title (if applicable)
- 

#### Table of Contents

The Table of Contents should include relevant sections, subsections and associated page numbers.

#### Application Project Summary

The application should clearly describe the proposed project activities and anticipated outcomes that would result if the proposal were to be funded.

#### Project Narrative

The project narrative should clearly identify what the applicant is proposing and how it will address a solution, the expected results and/or benefits once the solution is achieved, and how it will meet the RFA program scope and objectives. The proposed project methodology should describe the project design, address program specific methodology needs, procedures, timetables, monitoring/oversight, and the organization’s project staffing.

Activities/Indicators Tracker

Proposed Activities and indicators measuring success must be mapped to Program Objectives (as described in [Section I](#) – PROGRAM DESCRIPTION) in the below format (note that additional Activities/Indicators can be added as needed). Note: Indicators are defined as any metric you anticipate will be able to be tracked during the period of performance of the grant. Common examples include Number of People Attended, Number of People Impacted, Number of Conferences Delivered, Number of Materials Created, Number of Trainings, Number of People Trained.

**(Example)**

<b>Objective #</b>	1
<b>Activity</b>	Grant-funded activities or trainings
<b>Indicator(s)</b> )	No. Trained
<b>Activity</b>	Measuring Students’ Nutrition Knowledge, Attitudes, and Behaviors
<b>Indicator(s)</b> )	No. Impacted

--

<b>Objective #</b>	
<b>Activity</b>	
<b>Indicator(s)</b> )	

<b>Objective #</b>	
<b>Activity</b>	
<b>Indicator(s)</b> )	

Application Budget Narrative

The budget narrative should correspond with the proposed project narrative and application budget. The narrative must justify and support the bona fide needs of the budget’s direct cost. If the budget includes indirect costs, the applicant must provide a copy of its most recently approved Federal indirect cost rate agreement. All non-profit organizations must include their 501(c)(3) determination letter issued by the Internal Revenue Service (IRS). All funding requests must be in whole dollars.

Indirect Cost Rate

A current Negotiated Indirect Cost Rate Agreement (NICRA), negotiated with a Federal negotiating agency, should be used to charge indirect costs. Indirect costs may not exceed the negotiated rate. If a NICRA is used, the percentage and base should be indicated. If the applicant does not have, and has never been approved for, a NICRA, they may charge up to 10% de minimis. In this instance, the applicant must indicate they are requesting the de minimis rate. An applicant

may elect not to charge indirect costs and, instead, use all grant funds for direct costs. If indirect costs are not charged, the phrase "none requested" should be stated in the budget narrative. For questions related to the indirect cost rate, please work with the Grant Officer as noted in Section VII of this RFA.

### Required Grant Application Forms

Please refer to the [Application Checklist](#) for a list of required grant forms.

### Letter of Intent

The eligible applicant who intends to apply should submit a Letter of Intent notice by (insert the date). This notice does not obligate the applicant to submit an application but provides FNS with useful information in preparing for the review and selection process. The notice should include the potential applicant's name and address, organization's name, telephone number, and e-mail address of the primary point of contact. The applicant can send the letter via mail or e-mail to the FNS Grant Officer identified in Section VII of this RFA.

### Submission Date

Complete grant applications must be uploaded to [www.grants.gov](http://www.grants.gov) by 11:59 PM EST on the due date listed on the cover page.

- Applications must be submitted via [Grants.gov](http://Grants.gov). Mailed, e-mailed or hand-delivered application packages will not be accepted. For further instructions, go [here](#).
- Late or incomplete applications will not be considered.
- FNS will not consider additions or revisions to applications unless they are submitted via Grants.gov by the deadline. No additions or revisions will be accepted after the deadline.
- If multiple application packages are submitted through Grants.gov by the same applicant in response to this solicitation, FNS will accept the latest application package successfully submitted. All other packages submitted by the applicant will be removed from this competition.

FNS strongly encourages applicants to begin the registration process at least **four weeks before the due date** and to submit applications to Grants.gov at least **one week** before the deadline to allow time to troubleshoot any issues, should they arise. Please note that upon submission, Grants.gov may send multiple confirmation notices; applicants should ensure receipt of confirmation that the application was **accepted**. Applicants experiencing difficulty submitting applications to Grants.gov should contact the Grant Officer noted in the [Agency Contacts](#) (Section VII) of this RFA. FNS will evaluate submission issues on a case-by-case basis.

### Preparing for Electronic Application Submission through Grants.gov

Applicants must register with [Grants.gov](http://Grants.gov), Dun and Bradstreet and Sam.gov in order to submit an application to FNS via Grants.gov, as required. FNS strongly encourages applicants to begin the registration process at least **four weeks before the due date**.

In order to submit an application, you must:

1. Obtain a DUNS number
  - If your organization does not have a DUNS number, or if you are unsure of your organization's DUNS, contact Dun & Bradstreet at <https://fedgov.dnb.com/webform> or by calling 1-888-814-1435, Monday thru Friday, 8am-9pm ET. There is no fee associated with obtaining a DUNS number.
  - **It may take 2-3 business days to obtain a DUNS number.**
2. Register in the System for Award Management (SAM.gov)

- SAM.gov combines Federal procurement systems and the Catalog of Federal Domestic Assistance into one system. For additional information regarding SAM.gov, see the following link: <https://www.sam.gov/SAM>
- Must have your organization's DUNS, entity's Tax ID Number (TIN), and taxpayer name (as it appears on last tax return). **It may take 3-5 business days to register in SAM.gov; however**, in some instances the SAM process to complete the migration of permissions and/or the renewal of the entity record will require **5-7 days or more**.
- All applicants must have current SAM status at the time of application submission and throughout the duration of a Federal Award in accordance with two CFR Part 25.
- We strongly encourage applicants to begin the process **at least 3 weeks** before the due date of the grant solicitation.

### 3. Create a Grants.gov Account:

The next step in the registration process is to create an account with Grants.gov. Applicants must know their organization's DUNS number to complete this process. Completing this process automatically triggers an email request for applicant roles to the organization's E-Business Point of Contact (EBiz POC) for review. The EBiz POC is a representative from your organization who is the contact listed for SAM.gov. To apply for grants on behalf of your organization, you will need the Authorized Organizational Representative (AOR) role.

For more detailed instructions about creating a profile on Grants.gov, refer to <https://www.grants.gov/web/grants/grantors/grantor-registration.html>

### 4. Authorize Grants.gov Roles:

After creating an account on Grants.gov, the EBiz POC receives an email notifying them of your registration and request for roles. The EBiz POC will then log in to Grants.gov and authorize the appropriate roles, which may include the AOR role, thereby giving you permission to complete and submit applications on behalf of the organization. You will be able to submit your application online any time after you have been approved as an AOR.

For more detailed instructions about creating a profile on Grants.gov, refer to <https://www.grants.gov/web/grants/applicants/workspace-overview/workspace-roles.html>

### 5. Track Role Status: To track your role request, refer to

<https://www.grants.gov/web/grants/applicants/workspace-overview/workspace-roles.html>

*Electronic Signature:* When applications are submitted through Grants.gov, the name of the organization's AOR that submitted the application is inserted into the signature line of the application, serving as the electronic signature. The EBiz POC **must** authorize individuals who are able to make legally binding commitments on behalf of the organization as an AOR; **this step is often missed and it is crucial for valid and timely submissions.**

## How to Submit an Application via Grants.gov

Grants.gov applicants can apply online using Workspace. Workspace is a shared, online environment where members of a grant team may simultaneously access and edit different web forms within an application. For each funding opportunity announcement (FOA) or RFA, you can create individual instances of a workspace.

For additional training resources, including video tutorials, refer to: <https://www.grants.gov/web/grants/applicants/applicant-training.html>

*Applicant Support:* Grants.gov provides applicants 24/7 support via the toll-free number 1-800-518-4726 and email at [support@grants.gov](mailto:support@grants.gov). If you are experiencing difficulties with your submission, it is

best to call the Grants.gov Support Center and get a ticket number. The Support Center ticket number will assist the Center with tracking your issue and understanding background information on the issue.

For questions related to the specific grant opportunity, please contact the Grant Officer noted in the [Agency Contacts](#) (Section VII) of this RFA.

### **Grants.gov Receipt Requirements and Proof of Timely Submission**

All applications must be received by 11:59 PM EST on the due date listed on the cover page, as detailed [here](#). Proof of timely submission is automatically recorded by Grants.gov. An electronic date/time stamp is generated within the system when the application is successfully received by Grants.gov. The applicant AOR will receive an acknowledgement of receipt and a tracking number (GRANTXXXXXXXX) from Grants.gov with the successful transmission of their application. Applicant AORs will also receive the official date/time stamp and Grants.gov Tracking number in an email serving as proof of their timely submission.

When FNS successfully retrieves the application from Grants.gov and acknowledges the download of submissions, Grants.gov will provide an electronic acknowledgment of receipt of the application to the email address of the applicant with the AOR role. Again, proof of timely submission shall be the official date and time that Grants.gov receives your application. Applications received by Grants.gov after the established due date for the program will be considered late and will not be considered for FNS funding.

Applicants using slow internet, such as dial-up connections, should be aware that transmission could take some time before Grants.gov receives your application. Again, Grants.gov will provide either an error or a successfully received transmission in the form of an email sent to the applicant with the AOR role. The Grants.gov Support Center reports that some applicants end the transmission because they think that nothing is occurring during the transmission process. Please be patient and give the system time to process the application.

Additional Information on Grants.gov and the Registration Process:

### **NOTICE: Special Characters and Naming Conventions**

All applicants **MUST** follow Grants.gov guidance on file naming conventions. To avoid submission issues, please follow the guidance provided by Grants.gov (per the Grants.gov Frequently Asked Questions (FAQ):

#### ***Are there restrictions on file names for any attachment I include with my application package?***

File attachment names longer than approximately 50 characters can cause problems processing packages. Please limit file attachment names. Also, do not use any special characters (examples: & – \* % / # ' -). This includes periods (.) and spacing followed by a dash in the file. To separate words in naming a file, use underscore, as in the following example: Attached\_File.pdf.

**Please note that if these guidelines are not followed, your application will be rejected. FNS will not accept any application rejected from [www.grants.gov](http://www.grants.gov) portal due to incorrect naming conventions.**

**Additional information and applicant resources are available at:**

**<https://www.grants.gov/web/grants/applicants/workspace-overview.html>**

### **Intergovernmental Review**

This funding opportunity is subject to the requirements of EO 12372, “Intergovernmental Review of Federal Programs”. This Executive Order was issued with the desire to foster the intergovernmental partnership and strengthen federalism by relying on State and local processes for the coordination and review of proposed Federal financial assistance and direct Federal development. The Order allows each State to designate an entity to perform this function.

If you are located within a State that does not have a SPOC, you may send application materials directly to a Federal awarding agency.

For a list of State Agency contacts, please visit the Office of Management website at:  
<https://www.whitehouse.gov/wp-content/uploads/2018/07/SPOC-July2018.pdf>

## V. APPLICATION REVIEW INFORMATION

### Evaluation of Grant Application Criteria

#### 1. REVIEW CRITERIA

Review criteria

FNS will pre-screen all applications to ensure the applicants are eligible entities and are in compliance with all Program regulations. FNS will not approve any waivers from Program regulations for any projects submitted in response to this solicitation.

#### 2. EVALUATION FACTORS AND CRITERIA

The following selection criteria will be used to evaluate applications for this RFA.

- Selection criteria

#### 3. Review and Selection Process

Following the initial screening process, FNS will assemble a panel group to review and determine the technical merits of each application. The panel will evaluate the proposals based on how well they address the required application components and array the applications from highest to lowest score. The panel members will recommend applications for consideration for a grant award based on the evaluation scoring. The Selecting Official reserves the right to accept the panel's recommendation or to select an application for funding out of order to meet agency priorities, program balance, geographical representation, or project diversity. FNS reserves the right to use this solicitation and competition to award additional grants in the next fiscal year should additional funds be made available.

**NOTE:** If a discrepancy exists between the total funding request (submitted on SF-424, SF-424A, and budget or budget narrative) within the application package in response to this solicitation, FNS will only consider and evaluate the estimated funding request contained on SF-424.

## VI. FEDERAL AWARD ADMINISTRATION INFORMATION

#### 1. FEDERAL AWARD NOTICE

The Government is not obligated to make any award as a result of this RFA. Unless an applicant receives a signed award document with terms and conditions, any contact from a FNS Grants or Program Officer should not be considered as a notice of a grant award. No pre-award or pre-agreement costs incurred prior to the effective start date are allowed unless approved and stated on FNS' signed award document (FNS-529). Only the recognized FNS authorized signature can bind the USDA, Food and Nutrition Service to the expenditure of funds related to an award's approved budget.

## 2. ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

### Confidentiality of an Application

When an application results in an award, it becomes a part of the record of FNS transactions, available to the public upon specific request. Information that the Secretary determines to be of a confidential, privileged, or proprietary nature will be held in confidence to the extent permitted by law. Therefore, any information that the applicant wishes to have considered as confidential, privileged, or proprietary should be clearly marked within the application. Any application that does not result in an award will be not released to the public. An application may be withdrawn at any time prior to the final action thereon.

### Safeguarding Personally Identifiable Information

Personally Identifiable Information (PII) is any information that can be used to distinguish or trace an individual's identity, such as name, social security number, date and place of birth, mother's maiden name, or biometric records, and any other information that is linked or linkable to an individual, such as medical, educational, financial, and employment information (National Institute of Standards and Technology (NIST) SP 800-122, Guide to Protecting the Confidentiality of Personally Identifiable information, April 2010).

Applicants submitting applications in response to this RFA must recognize that confidentiality of PII and other sensitive data is of paramount importance to the USDA Food and Nutrition Service. All federal and non-federal employees (e.g., contractors, affiliates, or partners) working for or on behalf of FNS are required to acknowledge understanding of their responsibilities and accountability for using and protecting FNS PII in accordance with the Privacy Act of 1974; Office of Management and Budget Memorandum M-06-15, *Safeguarding Personally Identifiable Information*; M-06-16, *Protection of Sensitive Agency Information*; M-07-16, *Safeguarding Against and Responding to the Breach of Personally Identifiable Information*; and the NIST Special Publication (SP) 800-122, *Guide to Protecting the Confidentiality of Personally Identifiable Information*.

By submitting an application in response to this RFA, applicants are assuring that all data exchanges conducted throughout the application submission and pre-award process (and during the performance of the grant, if awarded) will be conducted in a manner consistent with applicable Federal laws. By submitting a grant application, applicants agree to take all necessary steps to protect such confidentiality, including the following: (1) ensuring that PII and sensitive data developed, obtained or otherwise associated with USDA FNS funded grants is securely transmitted. Transmission of applications through Grants.gov is secure; (2) ensuring that PII is not transmitted to unauthorized users, and that PII and other sensitive data is not submitted via email; and (3) Data transmitted via approved file sharing services (WatchDox, ShareFile, etc.), CDs, DVDs, thumb drives, etc., must be encrypted.

### Conflict of Interest and Confidentiality of the Review Process

The agency requires all panel reviewers to sign a conflict of interest and confidentiality form to prevent any actual or perceived conflicts of interest that may affect the application review and evaluation process. Names of applicants, including States and tribal governments, submitting an application will be kept confidential, except to those involved in the review process, to the extent permitted by law. In addition, the identities of the reviewers will remain confidential throughout the entire process. Therefore, the names of the reviewers will not be released to applicants.

### Administrative Regulations

#### Federal Tax Liabilities Restrictions

None of the funds made available by this or any other Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

#### Felony Crime Conviction Restrictions

None of the funds made available by this or any other Act may be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless a Federal agency has considered suspension or debarment of the corporation and has made a determination that this further action is not necessary to protect the interests of the Government.

#### Debarment and Suspension 2 CFR Part 180 and 2 CFR Part 417

A recipient chosen for an award shall comply with the non-procurement debarment and suspension common rule implementing Executive Orders (E.O.) 12549 and 12669, "Debarment and Suspension," codified at 2 CFR Part 180 and 2 CFR Part 417. This common rule restricts sub-awards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities. The approved grant recipient will be required to ensure that all sub-contractors and sub-grantees are neither excluded nor disqualified under the suspension and debarment rules prior to approving a sub-grant award by checking the System for Award Management (SAM) at [www.sam.gov](http://www.sam.gov).

#### Universal Identifier and Central Contractor Registration 2 CFR Part 25

Effective October 1, 2010, all grant applicants must obtain a Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) number as a universal identifier for Federal financial assistance. Active grant recipients and their direct sub-recipients of a sub-grant award also must obtain a DUNS number. To request a DUNS number visit: <http://fedgov.dnb.com/webform>.

The grant recipient must also register its DUNS number in SAM.gov. If you were registered in the CCR, your company's information should be in SAM and you will need to set up a SAM account. To register in SAM you will need your entity's DUNS and your entity's Tax ID Number (TIN) and taxpayer name (as it appears on your last tax return). Registration should take **3-5 days**. If you do not receive confirmation that your SAM registration is complete, please contact SAM.gov at <https://www.fsd.gov/app/answers/list>.

FNS may not make an award to an applicant until the applicant has complied with the requirements described in 2 CFR 25 to provide a valid DUNS number and maintain an active SAM registration with current information.

#### Reporting Sub-award and Executive Compensation Information 2 CFR Part 170

The Federal Funding Accountability and Transparency Act (FFATA) of 2006 (Public Law 109-282), as amended by Section 6202 of Public Law 110-252, requires primary grantees of Federal grants and cooperative agreements to report information on sub-grantee obligations and executive compensation. FFATA promotes open government by enhancing the Federal Government's accountability for its stewardship of public resources. This is accomplished by making Government information, particularly information on Federal spending, accessible to the general public.

Primary grantees, including State agencies, are required to report actions taken on or after October 1, 2010, that obligates \$25,000 or more in Federal grant funds to first-tier sub-grantees. This information must be reported in the Government-wide FFATA Sub-Award Reporting System (FSRS). In order to access FSRS a current SAM registration is required. A primary grantee and first-tier sub-grantees must also report total compensation for each of its five most-highly compensated executives. Every primary and first-tier grantee must obtain a DUNS number prior to being eligible to receive a grant or sub-grant award. Additional information will be provided to grant recipients upon award.

Duncan Hunter National Defense Authorization Act of Fiscal Year 2009, Public Law 110-417  
Section 872 of this Act requires the development and maintenance of a Federal Government information system that contains specific information on the integrity and performance of covered Federal agency contractors and grantees. The Federal Awardee Performance and Integrity Information System (FAPIIS) is designed to address these requirements. FAPIIS contains integrity and performance information from the Contractor Performance Assessment Reporting System, information from SAM.gov, and suspension and debarment information from the SAM. FNS will review and consider any information about the applicant reflected in FAPIIS when making a judgment about whether an applicant is qualified to receive an award.

#### Freedom of Information Act (FOIA) Requests

The Freedom of Information ACT (FOIA), 5 U.S.C. 552, provides individuals with a right to access records in the possession of the Federal Government. The Government may withhold information pursuant to the nine exemptions and the three exclusions contained in the Act.

Application packages submitted in response to this grant solicitation may be subject to FOIA by requests by interested parties. In response to these requests, FNS will comply with all applicable laws and regulations, including departmental regulations.

FNS will forward a Business Submitter Notice to the requested applicant's point-of-contact. Applicants will need to review requested materials and submit and submit any recommendations within 10 days from the date of FNS notification. FNS will redact Personally Identifiable Information (PII).

For additional information on the Freedom of Information (FOIA) process, please contact Jennifer Weatherly, FNS Freedom of Information Act officer at [FOIA@usda.gov](mailto:FOIA@usda.gov).
