

Biosimilars Patient Study

Phase 2 Eligibility and Scheduling Confirmation Script

Note: This script will be used only for individuals who complete the web screener.

Hello, this is ____ calling from L&E Research. I'm calling regarding the online interview study about health-related materials you recently expressed interest in.

I'm calling to confirm a few pieces of information you shared with us to ensure you are eligible. If you are, I would like to schedule you to participate in an online interview. As a reminder, this study will involve a 90-minute one-on-one interview, and you will be emailed about your \$75 honorarium within one business day after the interview concludes. You will have the option to choose between a physical or electronic gift card.

Can I ask you a few questions now to confirm your eligibility and schedule your participation?

- Yes → **CONTINUE**
- No → Would another time be better? **[Schedule a time to call back]**

Medication Use - Illness Conditions

1. Is it correct that you are currently taking or have previously taken **[medication]** for **[condition]**?
 - Yes → **CONTINUE**
 - No → **UPDATE RESPONSE AND CONFIRM STILL ELIGIBLE**

[Repeat Q1 for each medication selected on screener]
