FOCUS GROUP INVITATION FOR ELIGIBLE PCPs

Thank you! We'd like to invite you to participate in a Web-based focus group that will last approximately 60 minutes. During the focus group, we will ask you to log into a secure web platform where the moderator will lead the discussion with participants. Other research staff from Westat and FDA may also be observing. In addition, the focus group will be audio and video recorded to facilitate data analysis. At the conclusion of the group, you will be compensated [**\$250**] for your participation.

Are you willing to participate?

- YES CONTINUE
- NO "Thank you for your time."

Terrific! A member of our team will be contacting you by telephone to arrange a date and time that works best with your schedule. Please provide the best number to reach you.

Telephone: _____

Thank you again for your time and your willingness to participate in this study. Our staff will be contacting you in a few days.

Paperwork Reduction Act Statement: According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0910-0695. The time required to complete this information collection is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing burden, to PRStaff@fda.hhs.gov.

Recruitment Screener and Focus Group Invitation for Consumers

Recruitment Screener for Consumers

We are recruiting for an upcoming online focus group study sponsored by the Food and Drug Administration (FDA). The study is not selling or promoting any products. You will be asked about your opinions about different types of prescription drugs. Participants will need to have access to a computer with audio capabilities (or a telephone) and the internet during the focus group. Eligible participants will receive [**\$75**] for completing the study.

We need you to answer a few questions to determine if you are eligible for the study. Are you interested in participating?

- YES CONTINUE TO SCREENER
- NO Thank you for your time. END SURVEY.
