Appendix H: Worksheet and workbook	The pre-group worksheet was <i>not</i> included in 2022 submission as it will not be used in the virtual focus groups. The workbook changed only slightly as we removed Exercise 1 but kept Exercise 2 (the journey mapping exercise) as is. We realized we needed to update the workbook and submit the change to IRB. After being updated for virtual data collection, the workbook is now Appendix X. This was missed in the last submission and a new amendment will be made today to include it and we have attached it for your records along with the updated protocol that mentions it.
