Paperwork Reduction Act Statement This information is being collected to assist the Substance Abuse and Mental Health Services Administration (SAMHSA) with program monitoring of FEMA's Crisis Counseling Assistance and Training Program. Crisis counselors are required to complete this form following the delivery of crisis counseling services to disaster survivors (44 CFR 206.171 [F][3]). Information collected through this form will be used at an aggregate level to determine the reach, consistency, and quality of the Crisis Counseling Assistance and Training Program. Under the Privacy Act of 1974, any personally identifying information obtained will be kept private to the extent of the law. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0270. Public reporting burden for this collection of information is estimated to average 15-25 minutes per form, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 5600 Fishers Ln, Room 15E57B, Rockville, MD 20857.
