Centers for Medicare & Medicaid Services'
Long-Term Care Facility
Resident Assessment Instrument (RAI)
User's Manual
October 2020
For Use Effective October 1, 2020

The *Long-Term Care Facility Resident Assessment Instrument User's Manual* for Version 3.0 is published by the Centers for Medicare & Medicaid Services (CMS) and is a public document. It may be copied freely, as our goal is to disseminate information broadly to facilitate accurate and effective resident assessment practices in long-term care facilities.

PRA Disclosure Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. (Note: The RAI mandated by OBRA is exempt from this requirement.) The valid OMB control number for the Medicare Prospective Payment System SNF and Swing Bed information collection is 0938-1140. The expiration date is 11/30/2022. The time required to complete this information collection is estimated to be 51 minutes (for the NP item set), including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. This estimate does not include time for training. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
