CET – Annotated Questionnaire (Wave 57)

> *Note: The questions below are the proposed questions for the 57th wave of the Weekly Current Events Tracker (CET). Questions highlighted in* yellow *will be asked every week; questions highlighted in* blue *will be rotated into the survey on a monthly basis; and questions highlighted in* green *are meant to be asked in this wave only or are being asked again to update data on a variable of interest. We will be fielding questions about trust in HHS and CDC, booster eligibility knowledge, vaccine and booster hesitancy, and parents' conversations with their child's pediatrician.*

For the next section we would like to talk about current events.
