

HRSA HIV/AIDS Bureau Website

Card Sort Script

Introduction

Welcome

Thank you for participating in the HRSA HIV/AIDS Bureau (HAB) website study.

This activity will take you between **15 to 20 minutes** to complete.

Your response will help us understand **how to organize and improve the content on our website to make it more useful for you.**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0990-0379. The time required to complete this information collection is estimated to average 30 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Health & Human Services, OS/OCIO/PRA, 200 Independence Ave., S.W., Suite 336-E, Washington D.C. 20201, Attention: PRA Reports Clearance Officer

Instructions

Step 1

- Take a quick look at the list of items to the left.
- Sort them into groups that make sense to you.
- There’s no right or wrong answer. Just do what comes naturally.

Step 2

- Drag an item from the left into this area to create your first group.

Step 3

- Click the title to rename your new group.

Step 4

- Add more items to this group by dropping them on top of it.
- You can also move items from one group to another if you decide it’s a better fit.
- Make more groups by dropping them in unused spaces.
- When you're done click "Finished" at the top right. Have fun!
