

# Key Informant Impact and Gap Feedback Tool - 2021 California Wildfires Disaster

## Overview

This tool tracks your counties emerging needs in health and social services (HSS) recovery key areas and jumpstarts the needs assessment process. Cal-OES and federal HHS recovery coordinators will be visiting your county to conduct recovery listening sessions, and this guide will help inform our time together. Gathering this information will support efficient recovery planning, and the development of courses of action.

## Who Should Complete the Tool?

Persons with specific knowledge in each area should complete this tool. If it works for you to collate responses from your agency that would be helpful, but it is not necessary. We expect that we may receive multiple guides per agency. Participants can expect to dedicate roughly 1 to 3 hours to complete this questionnaire, depending on the number of respondents in your agency. ***Please complete the Program Lead contact information for each program area. We understand this may be duplicative, but this information will help us schedule the recovery listening sessions to maximize your time.***

## Priority Scale

Impact is a measure of the effect of an incident, while urgency is a function of time. Anything that has both high impact and high urgency should get the highest priority, while low impact and low urgency should result in the lowest priority.

		IMPACT		
		Low	Medium	High
		Priorities in Color		
URGENCY	High	Medium	High	High
	Medium	Low	Medium	High
	Low	Low	Low	Medium

## Please return your completed tool or direct any questions to:

Melissa Smith, [Melissa.Smith@CalOES.ca.gov](mailto:Melissa.Smith@CalOES.ca.gov)

CAL-OES HSS Recovery Coordinator

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0990-0379. The time required to complete this information collection is estimated to average 1.65 hours per response, including the time to review instructions, search existing data resources, gather the data needed, to review and complete the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Health & Human Services, OS/OCIO/PRA, 200 Independence Ave., S.W., Suite 336-E, Washington D.C. 20201, Attention: PRA Reports Clearance Officer
