OAHPM Support Survey

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0990-0379. The time required to complete this information collection is estimated to average 10 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, to review and complete the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Health & Human Services, OS/OCIO/PRA, 200 Independence Ave., S.W., Suite 336-E, Washington D.C. 20201, Attention: PRA Reports Clearance Officer

Emails to Survey Respondents

1. Invitation email

Hello TPP grantees,

We invite you to complete a short survey (about 10 minutes) to help evaluate the technical assistance we provide to help you submit your performance measures to OPA. As OAHPM Support nears three years of providing you with technical assistance, we would like to know how we are doing and how we can improve our services. The survey requests your feedback on the help desk (email and telephone assistance), online live events via webinar and office hours, and online tools and written materials. Please submit your completed survey by Month Day, 2022.

Below is your link to the survey.

Your responses will only be saved when you click on the “Next” and “Submit” button. You may also complete a portion of the survey and then return to the link to finish at a later time. Should you have any further questions on how to complete the survey, please contact Imogen Fua at ifua@wrma.com or (301) 881 2590 x 272

We thank you for your time and look forward to your survey responses.

Regards,

OAHPM Support

2. Thank you for completing the survey

Hello TPP grantee,

Thank you, we have received your OAHPM Support Survey. We look forward to improving our services based your feedback.
