**BURDEN HOURS**

Category of Respondent	No. of Respondents	Participation Time	Burden Hours Total
<b>Individuals:</b> Health care professionals and paraprofessionals	30	30 min.	15
<b>Totals</b>			15

**FEDERAL COST:**

The estimated annual cost to the federal government is \$2,000.00 which includes 1) \$1,200 in configuration and testing, and 2) \$800 (12 hours at the GS-14 level) in project management and oversight.

**If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:**

**The selection of your targeted respondents**

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?  Yes  No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

We will leverage existing relationships through our project officers to reach out to existing and prospective grantees, as well as to others with an interest in HRSA funding to choose participants from categories including:

- Current and former HRSA fund recipients
- Prospective HRSA fund recipients who have not been awardees in the past

When a recipient of the email selects the link, a random number will be attached to their study responses. This number will be the only way to identify the respondent.

**Administration of the Instrument**
