## REQUIREMENT TO FILE AN AGRICULTURAL CLEARANCE ORDER (FORM ETA-790/790A)

In accordance with 20 CFR 653.500, all employers seeking U.S. workers to perform agricultural services or labor on a temporary, less than year-round basis through the Agricultural Recruitment System for U.S. Workers must submit a completed job clearance order to the State Workforce Agency (SWA) for placement on its intrastate and interstate job clearance systems. In accordance with 20 CFR 655.121, prior to filing an *H-2A Application for Temporary Employment Certification* (Form ETA-9142A), the employer must submit a job order to the SWA serving the area of intended employment for intrastate clearance, identifying it as a job order to be placed in connection with a future Form ETA-9142A for H-2A workers. The job order is defined as the document containing the materials terms and conditions of employment that is posted by the SWA on its inter- and intra-state job clearance systems based on the Form ETA-790. 20 CFR 655.103(b). An employer seeking temporary labor certification under the H-2A visa classification must satisfy this regulatory requirement by completing the Form ETA-790/790A.

The Form ETA 790/790A is designed to (1) facilitate the initial receipt and processing of the job order by the SWA, (2) identify the primary employer of the worker(s) sought for the job opportunity, (3) designate that the job order will be used in connection with a future Form ETA-9142A for H-2A workers, and (4) disclose all the material terms and conditions of employment that the employer will offer to H-2A workers and U.S. workers. Except in emergency situations (20 CFR 655.134) or for job opportunities involving herding or production of livestock on the range (20 CFR 655.205), the employer must submit this job order no more than 75 calendar days and no fewer than 60 calendar days before the date of need. If the job opportunity is located in more than one State within the same area of intended employment, the employer may submit a job order to any one of the SWAs having jurisdiction over the anticipated worksites. The job order submitted to the SWA must satisfy the requirements for agricultural clearance orders in 20 CFR part 653, subpart F and the requirements set forth in 20 CFR part 655, subpart B.

Any references to the term "clearance order" on the Form ETA-790/790A and these instructions shall have the same meaning as the "job order."

For electronic filings, if the employer needs to disclose more than 10 rows of wage offer information, the filing system will automatically provide the employer with the option of adding more rows to the *Addendum A* until the response is completed. For mailed or paper filings, the employer will make one or more copies of the *Addendum A* to complete and attach to the Form ETA-790A.
