Any material deviations, as determined by HUD, from the projection shall be explained in an accompanying statement from the management and Board of the Borrower.

22. CHANGES IN REIMBURSEMENT. In the event there is a change in any payor reimbursement or contract (including the loss thereof) that could cause (1) a decrease in total operating revenue equal to or greater than three percent (3%) of the total operating revenue or (2) a net income less than zero, Borrower commits to report to HUD its assessment of the impact of the change within thirty (30) days following the enactment of such changes. Borrower shall take appropriate actions to mitigate such changes, including expense curtailments and revenue increases. Borrower shall submit its plan of action, as approved by the Board, to HUD within sixty (60) days of the report to HUD, referred to above. HUD will monitor Borrower's financial performance and may request a plan or report pursuant to Section 18. Obligations (a) through (d) of this Section are absolute and unconditional and are not limited by any conditions precedent and are not contingent on the availability of financial assistance from HUD or on HUD's performance of any administrative or contractual obligations. In the event all or any of the Improvements shall be destroyed or damaged by fire, by an exercise of the power of eminent domain, by failure of warranty, or other casualty, the money derived from any settlement, judgment, or insurance on any portion of the Improvements shall be applied in accordance with the terms of Program Obligations and the Borrower's Security Instrument or as otherwise may be directed in writing by HUD.

- (b) The security interest referred to in Section 28 below shall constitute, to the extent permitted by law, a first lien upon all of the rights, titles and interests of Borrower, if any, in the Permits and Approvals. However, in the event of either a monetary or other default under this Agreement, the Note, the Borrower’s Security Instrument, or any of the other Loan Documents, the Borrower shall cooperate in any legal and lawful manner necessary or required to permit the continued operation of the Hospital. For the intents and purposes herein, Borrower hereby irrevocably nominates and appoints Lender and HUD, their respective successors and assigns, each in its own capacity, as Borrower’s attorney-in-fact coupled with an interest to do all things that any such attorney-in-fact deems to be necessary or appropriate in order to facilitate the continued operation of the Hospital and the Project, including but not limited to, the power and authority to provide any and all information and data, pay such fees as may be required, and execute and sign in the name of Borrower, its successors or assigns, any and all documents, as may be required by any Governmental Authority exercising jurisdiction over the Project.
- (c) Borrower shall not alter, terminate or relinquish or suffer or permit the alteration, termination or relinquishment of any Permits and Approvals without the prior written approval of HUD. Borrower shall deliver to HUD and Lender, simultaneously with delivery thereof to any Governmental Authority, any and all responses given by or on behalf of Borrower to any of the foregoing and shall provide to HUD and Lender, promptly upon request, such other information regarding any of the foregoing as HUD or

Lender may request. The receipt by HUD and/or Lender of notices, reports, surveys, correspondence and other information shall not in any way impose any obligation or liability on HUD, the Lender or their respective agents, representatives, or designees to take or refrain from taking any action, and HUD, Lender, and their respective agents, representatives and designees shall have no liability for any failure to act thereon or as a result thereof.

- (e) Borrower shall inform HUD within two (2) business days of any finding of, or communication by, an Accrediting Organization (AO), the Center for Medicare and Medicaid Services (CMS), or State survey organization, that indicates potential jeopardization of the Borrower's ability to meet the CMS Conditions of Participation and thus the ability to bill government-sponsored payors for any healthcare services it provides. Such security interest shall be evidenced by such security agreements as Lender and/or HUD may require and, in connection therewith, Borrower shall execute or cause to be executed and delivered such deposit account control agreements ("DACA") as may be required by Lender and/or HUD. Borrower shall ensure that if any new Deposit Accounts are opened by Borrower after initial endorsement or after initial/final endorsement, as applicable, of the Note, Borrower shall execute or cause to be executed and delivered to Lender and HUD additional DACAs on the new Deposit Accounts. Borrower hereby authorizes each of Lender and HUD to file such UCC financing statements, amendments, and continuation statements as either of them may deem to be necessary or appropriate in connection with the foregoing security interests. Borrower shall not be permitted to grant any other liens on any of the Mortgaged Property without the prior written approval of Lender and HUD.

- (a) Contract Management. The Borrower shall not execute a management agreement or any other contract for management of the Hospital without HUD's prior written approval. (Contract Management of the Hospital, which requires HUD's prior written

approval, refers to management of the Hospital, not management of components within the Hospital, such as the Hospital cafeteria or Hospital pharmacy.) Any management agreement or contract for management of the Hospital shall contain a provision that it shall be subject to termination without penalty and with or without cause, upon written request by HUD addressed to the Borrower and management agent.

- (b) Principals. Upon receipt of such requests in (a) through (c), the Borrower shall immediately terminate the management agreement, principals, or employees within the shortest applicable period HUD determines appropriate and shall make arrangements satisfactory to HUD for continuing proper management of the Hospital.

30. COMMERCIAL LEASES. Commercial space leases of the Mortgaged Property must be approved by HUD in writing and must include a provision that permits HUD, any lender-in-possession, or any successor organization, at such party's option, to succeed to the interest of Borrower.

31. INDEMNIFICATION OF BOARD MEMBERS, DIRECTORS AND OFFICERS. Borrower may indemnify the Board members to the extent permitted or required by State law. This may be reflected in the articles of incorporation and/or bylaws. If Borrower elects to indemnify the Board members, the vehicle for indemnification shall be insurance.

32. DEBTS OF AFFILIATES. Borrower shall not be directly or indirectly responsible for the debt or liabilities of any of its Affiliates without prior written approval of HUD.

(Borrower need not obtain the prior written approval of HUD for: (i) conveyance of the Mortgaged Property at a judicial or non-judicial foreclosure sale under the Borrower's Security Instrument; (ii) inclusion of the Mortgaged Property in a bankruptcy estate by operation of law under the United States Bankruptcy Code; (iii) acquisition of an interest by inheritance or by court decree; or (iv) as otherwise allowed by Section 17 and Program Obligations.)

- (e) Entering into or change any lease, contract, agreement, or arrangement for management of the Hospital, except as permitted under Program Obligations.
- (f) Conveying, assigning or transferring any right to receive Revenue of the Mortgaged Property.
- (g) Except as required by HUD under Section 24(c), remodeling, adding to, subtracting from, constructing, reconstructing or demolishing any part of the Project if the construction (i) requires securing a construction permit; (ii) modifies any life safety code features of the Project; (iii) modifies any amenities related to the Americans with Disabilities Act (ADA); or (iv) impacts the exterior of a building located in a historic district. However, Borrower may, without approval of HUD, dispose of or cause to be disposed of obsolete or deteriorated Fixtures or Personalty if the same are replaced with like items of the same or greater quality or value (provided, that

Borrower shall have no obligation to replace any such Fixtures or Personalty that are not needed for operation of the Project); and make minor alterations that do not adversely affect the Mortgaged Property, in accordance with Program Obligations..

- (h) Permitting the use of the Project for any purpose except as a Hospital and such ancillary services customary in a hospital facility, or permit commercial use greater than that approved by HUD.

Copies of all fully executed amendments to the organizational documents must be provided to HUD and Lender within ten (10) days of the effective date of the amendment. If the amendments to the organizational documents are filed, copies of the filed documents must be provided to HUD and Lender within ten (10) days of receipt by Borrower. Notwithstanding, Borrower may adopt bylaws at any regular meeting of the Borrower or at any special meeting called for that purpose, so long as they are not inconsistent with its formation documents or this Agreement.
- (j) Paying or reimbursing any party from the Mortgaged Property with the use of Project funds except for Goods and Services that are actually rendered or delivered to the Project and are reasonably necessary for its operation and in accordance with Section 25.
- (k) Receiving any fee or payment of any kind from any employee of the Hospital or Borrower, or other provider of Goods or Services for the Project in exchange for the right to provide such Goods or Services, unless such fee is paid to the project and the total cost paid for such services meets the requirements of Section 25.

VI. ENFORCEMENT.

34. VIOLATION OF AGREEMENT. The occurrence of any one or more of the following shall constitute a “**Violation**” under this Agreement:

- (a) Any failure by Borrower to comply with any of the provisions of this Agreement;
- (b) Any failure by Borrower to comply with any of the provisions of any other of the Loan Documents;
- (c) Any fraud or material misrepresentation or material omission by Borrower, any of its officers, directors, trustees, general partners, members, managers, employees, representatives or managing agent in connection with (1) any financial statement or other report or information provided to HUD during the term of this Agreement or (2) any request for HUD’s consent to any proposed action, including a request for disbursement of funds from any restricted account for which HUD’s prior written approval is required; or
- (d) The commencement of a forfeiture action or proceeding, whether civil or criminal, which, in HUD’s reasonable judgment, could result in a forfeiture of the Mortgaged Property or otherwise materially impair Lender’s and/or HUD’s interest in the Mortgaged Property or rights under the Loan Documents.

35. NOTICE OF VIOLATION AND EVENT OF DEFAULT.

- (a) At any time during the existence of a Violation, HUD may give written notice of such Violation to Borrower (the “**Violation Notice**”), addressed to the recipients stated in Section 43 of this Agreement, or such other addresses as may subsequently, upon appropriate written Notice to HUD and Lender, be designated by Borrower as its legal business address. Borrower shall have thirty (30) days to cure, or cause to be cured, any Violation described in the Violation Notice, provided that HUD shall extend such thirty (30) day period by such time as HUD may reasonably determine is necessary to correct the Violation for so long as HUD determines, in its discretion, that: (i) Borrower is timely satisfying all payment obligations in the Loan Documents; (ii) none of the Permits and Approvals is at substantial and imminent risk of being terminated; (iii) such violation cannot reasonably be corrected during such thirty (30) day period, but can reasonably be corrected in a timely manner; and

- (iv) Borrower commences to correct such Violation, or cause such correction to be commenced, during such thirty (30) day period and thereafter diligently and continuously proceeds to correct, or cause correction of, such Violation. If, after delivery of such Violation Notice and applicable cure period, the Violation is not corrected to the satisfaction of HUD, HUD may declare an **Event of Default** under this Agreement without further Notice. Alternatively, if necessary in HUD's determination to protect the health and safety of the patients or the financial or operational viability of the Hospital, HUD may declare an Event of Default at any time during the existence of a Violation without providing prior written notice of the Violation.
- (b) Notwithstanding any other provisions of this Agreement, if HUD determines at any time that any of the Permits and Approvals are at substantial and imminent risk of being terminated, suspended or otherwise restricted and if such termination, suspension, or other restriction would have a materially adverse effect on the Project, including without limitation, HUD's determination that there is a substantial risk that deficiencies identified by applicable state and/or federal regulatory and/or funding agencies cannot be cured in such manner and within such time periods as would avoid the loss, suspension, or diminution of any of the Permits and Approvals that would have a materially adverse effect on the Project, or if HUD determines at any time that, as a result of a Violation, the value of the Mortgaged Property is at substantial and imminent risk of material adverse diminution, then HUD may immediately (without thirty (30) days' notice) declare an Event of Default of this Agreement and may immediately proceed to take actions to pursue its remedies.
- (c) Upon any declaration of an Event of Default, HUD may:
- (i) If HUD holds the Note, declare the whole of the Indebtedness immediately due and payable and then proceed with the foreclosure of the Borrower's Security Instrument or otherwise dispose of HUD's interest in the Note and the Borrower's Security Instrument pursuant to Program Obligations;
 - (ii) If the Note is not held by HUD, notify the holder of the Note of such default and require the holder to declare a default under the Note and the Borrower's Security Instrument, and the holder after receiving such Notice and demand, shall declare the whole of the Indebtedness due and payable and thereupon proceed with foreclosure of the Borrower's Security Instrument and/or the exercise of other remedies available to Lender under the Loan Documents or at law or equity, or assign the Note and the Borrower's Security Instrument to HUD as provided in Program Obligations. Upon assignment of the Note and the Borrower's Security Instrument to HUD, HUD may then proceed with the foreclosure of the Borrower's Security Instrument or otherwise dispose of HUD's interest in the Note and the Borrower's Security Instrument pursuant to Program Obligations;

- (iii) Collect all revenue and charges in connection with the Project or the operation of the Hospital, to the extent permitted by applicable law, and use such collections to pay obligations of Borrower under this Agreement and under the Note and the Loan Documents and the necessary expenses of preserving and operating the Project;
 - (iv) Take possession of the Mortgaged Property, bring any action necessary to enforce any rights of Borrower growing out of the Mortgaged Property's operation, and maintain the Mortgaged Property in decent, safe, sanitary condition, and good repair;
 - (v) Apply to any court, state or federal, for specific performance of this Agreement, for an injunction against any Violations of this Agreement, for the appointment of a receiver to take over and operate the Project in accordance with the terms of this Agreement, or for such other relief as may be appropriate, as the injury to HUD arising from a default under any of the terms of this Agreement would be irreparable and the amount of damage would be difficult to ascertain; and,
 - (vi) Collect reasonable attorney fees related to enforcing Borrower's compliance with this Agreement.
 - (vii) Apply the MRF to the unpaid principal balance of the Note and/or permit the use of the MRF for any other remedies provided under the Mortgage Reserve Fund Agreement or the Mortgage Reserve Trust Fund Agreement.
- (d) Any forbearance by HUD in exercising any right or remedy under this Agreement or otherwise afforded by applicable law shall not be a waiver of or preclude the exercise of any right or remedy.

36. MEASURE OF DAMAGES. The damage to HUD as a result of Borrower's breach of duties and obligations under this Agreement shall be, in the case of failure to maintain, or cause to be maintained, the Project as required by this Agreement, the cost of the repairs required to return the Project to decent, safe and sanitary condition and good repair. This contractual provision shall not abrogate or limit any other remedy or measure of damages available to HUD under any civil, criminal or common law.

VII. MISCELLANEOUS.

37. COMPLIANCE WITH LAWS.

Borrower shall take appropriate measures to prevent, and shall not engage in or knowingly permit, any illegal activities at the Mortgaged Property including those that could endanger patients or visitors, result in damage to the Mortgaged Property, result in forfeiture of the Mortgaged Property, or otherwise impair the lien created by the Borrower's Security Instrument or Lender's interest in the Mortgaged Property. To the best of Borrower's knowledge, Borrower represents and warrants to HUD that no portion of the Mortgaged Property has been or shall be purchased with the proceeds of any illegal activity.
- (b) HUD and Lender shall be entitled to invoke any remedies available by law or equity to redress any breach or to compel compliance by Borrower with these requirements, including any remedies available hereunder.

38. BINDING EFFECT. This Agreement shall bind, and the benefits shall inure to, Borrower, its heirs, legal representative, executors, administrators, successors in office or interest, and assigns, and to HUD and HUD's successors, so long as the Contract of Insurance continues in effect, and during such further time as HUD shall be Lender, holder, coinsurer, or reinsurer of the Borrower's Security Instrument, or obligated to reinsure the Note or the Borrower's Security Instrument.

39. PARAMOUNT RIGHTS AND OBLIGATIONS. Borrower warrants that it has not, and shall not, execute any other agreement with provisions contradictory of, or in opposition to, the provisions hereof, and that, in any event, the requirements of this Agreement are paramount and controlling as to the rights and obligations set forth and supersede any other requirements in conflict therewith.

40. SEVERABILITY. The invalidity of any clause, part, or provision of this Agreement shall not affect the validity of the remaining portions hereof.

41. RULES OF CONSTRUCTION. The captions and headings of the sections of this Agreement are for convenience only and shall be disregarded in construing this Agreement. Any reference in this Agreement to an "Exhibit" or a "Section" shall, unless otherwise explicitly provided, be construed as referring, respectively, to an Exhibit attached to this Agreement or to a Section of this Agreement. To the extent permitted by applicable law, Borrower irrevocably and unconditionally assigns, pledges, mortgages and transfers to HUD its rights to Revenue, charges, fees, carrying charges, Project accounts, and other revenues and receipts of whatsoever sort that it may receive or be entitled to receive from the operation of the Mortgaged Property, subject to the Assignment of Leases, Rents, and Revenue and other provisions in the Borrower’s Security Instrument. Until a default is declared under this Agreement, a revocable license is granted to Borrower to collect and retain such Revenue, charges, fees, carrying charges, Project accounts, and other revenues and receipts, but upon an Event of Default under this Agreement or under the Borrower’s Security Instrument, such revocable license is automatically terminated.

43. NOTICE.

- (a) All notices, demands and other communications (“**Notice**”) under or concerning this Agreement shall be in writing. A courtesy copy of any Notice given by Borrower or HUD shall be sent simultaneously to Lender. Each Notice shall be addressed to the intended recipients at their respective addresses set forth below, and shall be deemed given on the earliest to occur of (i) the date when the Notice is received by the addressee; (ii) the first or second Business Day after the Notice is delivered to a recognized overnight courier service, with arrangements made for payment of charges for next or second Business Day delivery, respectively; or (iii) the third Business Day after the Notice is deposited in the United States mail with postage prepaid, certified mail, return receipt requested. - (b) Any party to this Agreement and Lender may change the address to which Notices intended for it are to be directed by means of Notice given to the other party in accordance with this Section. Each party agrees that it shall not refuse or reject delivery of any Notice given in accordance with this Section; that it shall acknowledge, in writing, the receipt of any Notice upon request by the other party; and that any Notice rejected or refused by it shall be deemed for purposes of this Section to have been received by the rejecting party on the date so refused or rejected, as conclusively established by the records of the U.S. Postal Service or the courier service.
