

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-7050-N-49]

30-Day Notice of Proposed Information Collection: Family Options Study 12-Year Follow-Up: Survey Data Collection—Phase II; OMB Control No.: 2528-0259**AGENCY:** Office of Policy Development and Research, Chief Data Officer, HUD.**ACTION:** Notice.

SUMMARY: The proposed information collection requirement described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: *Comments Due Date:* October 12, 2022.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control Number and should be sent to: HUD Desk Officer, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-5806. Email: OIRA_Submission@omb.eop.gov. Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Relay Service at (800) 877-8339.

FOR FURTHER INFORMATION CONTACT:

Anna P. Guido, Reports Management Officer, REE, Department of Housing and Urban Development, 451 7th Street SW, Washington, DC 20410; email her at Anna.P.Guido@hud.gov or telephone 202-402-5535. This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Guido.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on April 26, 2022, at 87 FR 24572.

A. Overview of Information Collection

Title of Information Collection: Family Options Study 12-Year Follow-up: Survey Data Collection—Phase II.

OMB Approval Number: 2528-0259.

Type of Request: Revision of a currently approved collection.

Form Number: N/A.

Description of the Need for the Information and Proposed Use: The purpose of this proposed information collection is to administer a 12-Year Follow-up Survey with the families that enrolled in the U.S. Department of Housing and Urban Development's (HUD) Family Options Study between September 2010 and January 2012.

The Family Options Study is a multi-site experiment designed to test the

impacts of different housing and service interventions on homeless families in five key domains: housing stability, family preservation, adult well-being, child well-being, and self-sufficiency. Both the design and the scale of the study provide a strong basis for conclusions about the relative impacts of the interventions over time, and data collected at two previous points in time, twenty (20) months after random assignment and thirty-seven (37) months after random assignment, yielded powerful evidence regarding the positive impact of providing a non-time-limited housing subsidy to a family experiencing homelessness. It is possible, though, that some effects of the various interventions might change over time or take longer to emerge, particularly for child well-being. Therefore, HUD plans to conduct a follow up survey of study families roughly twelve years after enrollment into the study. The 12-Year Follow-up Survey will attempt to collect information from three separate samples: (1) the 2,241 heads of household who originally enrolled in the study, (2) a sample of 2,220 young children between the ages of 10-17 who currently reside with the head of households, and (3) a new sample of 1,831 "adult children" who consist of the young adults who were minor children during the base study period, but who have aged into adulthood over the past twelve years.

ANNUALIZED BURDEN TABLE

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Cost
Adult Head of Household Survey and Supporting Materials							
Adult Head of Household Advance Letter (Appendix A)	2,241	1	2,241	.05	112.05	\$10.15	\$1,137.31
Adult Head of Household Outreach E-mail (Appendix B)	2,241	1	2,241	.05	112.05	10.15	1,137.31
Adult Head of Household Outreach Flyer (Appendix C)	2,241	1	2,241	.05	112.05	10.15	1,137.31
Consent to Participate—Adult Respondent (Appendix D)	2,241	1	2,241	.17	388.97	10.15	3,866.85
Adult Head of Household Survey (Appendix E)	2,241	1	2,241	1	2,241	10.15	22,746.15
Child (10-17) Survey and Supporting Materials							
Parent Permission Form (Appendix F)	2,241	1	2,241	.17	380.97	10.15	3,866.85
Child Assent Form (Appendix G)	2,220	1	2,220	.17	377.4	NA
Child Survey (Appendix H)	2,220	1	2,220	.5	1,110	NA
Adult Child (18-30) Survey and Supporting Materials							
Adult Child Enrollment Call (Appendix I)	1,831	1	1,831	.17	311.27	10.15	3,159.70
Consent to Participate—Adult Child (Appendix J)	1,831	1	1,831	.17	311.27	10.15	3,159.70
Adult Child Information Release Form (Appendix K) ...	1,831	1	1,831	.17	311.27	10.15	3,159.70
Adult Child E-mail Invitation (Appendix L)	1,831	1	1,831	.05	91.55	10.15	929.23
Adult Child Survey (Appendix M)	1,831	1	1,831	.25	457.75	10.15	4,646.16
Total	6,309.60	48,946.56

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) If the information will be processed and used in a timely manner;

(3) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(4) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(5) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35.

Anna P. Guido,

*Department Reports Management Officer,
Office of the Chief Data Officer.*

BILLING CODE 4210-67-P

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

[2231A2100DD/AAK001030/
A0A501010.999900]

Draft Environmental Impact Statement for the Proposed Yahthumb Solar Project, Clark County, Nevada

AGENCY: Bureau of Indian Affairs,
Interior.

ACTION: Notice of availability.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA), as the lead Federal agency, with the Bureau of Land Management (BLM), Environmental Protection Agency (EPA), U.S. Fish and Wildlife Service (USFWS), Nevada Department of Wildlife (NDOW), Clark County, and the Moapa Band of Paiute Indians (Moapa Band) as cooperating agencies, intends to file a draft environmental impact statement (DEIS) with the EPA for the proposed Yahthumb Solar Project

(Project). The DEIS evaluates a photovoltaic (PV) solar energy generation and storage project on the Moapa River Indian Reservation (Reservation) and a generation interconnection (gen-tie) line along with the use of existing access roads located on the Reservation. Reservation lands managed by BLM, BLM lands, and private land. This notice also announces that the DEIS is now available for public review and that public meetings will be held to solicit comments on the DEIS.

DATES: The dates and times of the virtual public meetings will be published in the *Las Vegas Review-Journal* and *Moapa Valley Progress* and on the following website 15 days before the public meetings:

www.YahthumbSolarProjectEIS.com. In order to be fully considered, written comments on the DEIS must arrive no later than 45 days after EPA publishes its Notice of Availability in the **Federal Register**.

ADDRESSES: You may mail, email, hand carry or telefax written comments to Mr. Chip Lewis, Regional Environmental Protection Officer, BIA Western Regional Office, Branch of Environmental Quality Services, 2600 North Central Avenue, 4th Floor Mail Room, Phoenix, Arizona 85004-3008. Comment may also be sent via email to: chip.lewis@bia.gov or on the Projects website at www.YahthumbSolarProjectEIS.com. Please see the **SUPPLEMENTARY INFORMATION** section of this notice for directions on submitting comments. The public meetings can be joined online through the Projects website at www.YahthumbSolarProjectEIS.com.

FOR FURTHER INFORMATION CONTACT: Mr. Chip Lewis, BIA Western Regional Office, Branch of Environmental Quality Services at (602) 379-6750 or Mr. Garry Cantley at (602) 379-6750. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services.

SUPPLEMENTARY INFORMATION: The proposed Federal action, taken under 25 U.S.C. 415, is the BIA's approval of a solar energy ground lease and associated agreements entered into by the Moapa Band with Yahthumb Solar Project, LLC (Applicant). The agreements provide for construction, operation and maintenance (O&M), and eventual decommissioning of a PV electricity generation and battery storage facilities located entirely on the Reservation and specifically on lands held in trust for the Moapa Band, in Clark County Nevada.

The PV electricity generation and battery storage facilities would be located on up to 1,400 acres within a 1,695-acre lease area on tribal trust land and would have a capacity of up to 138 megawatts (MW). The solar field and associated facilities would be in parts of Sections 29, 30, 31, and 32 in Township 15 South, Range 65 East; Section 1 in Township 16 South, Range 64 East; and Section 6 in Township 16 South, Range 65, East Mount Diablo Base Meridian.

Construction of the Project would take up to 14 months. The electricity generation and storage facilities are expected to be operated for up to 56.5 years under the terms of the lease, with time for construction and decommissioning.

Major onsite facilities include multiple blocks of solar PV panels mounted on fixed tilt or tracking systems, pad mounted inverters and transformers, battery storage, access roads, and O&M facilities. A gen-tie line approximately 8.5 to 10 miles long would interconnect the Project to the regional electrical grid at the existing Reid-Gardner Substation. This line would be built within the designated utility corridor on the Reservation that is managed by BLM, on BLM-managed federal land, and on private land near the existing substation. Water will be needed during construction for dust control and a minimal amount will be needed during operations for administrative and sanitary water use and for panel washing. The water supply required for the Project would be leased from the Moapa Band, drawn from the Band's existing water rights, and delivered to the site via temporary water pipeline or by truck. Access to the Project will be provided via I-15 to the existing Ute Road on the Reservation that would be upgraded as needed. Secondary access would be provided via an existing road within the designated utility corridor that would also be upgraded as needed.

The purposes of the proposed Project are, among other things, to: (1) provide a long-term, diverse, and viable economic revenue base and job opportunities for the Moapa Band; (2) assist Nevada to meet their State renewable energy needs; and (3) allow the Moapa Band, in partnership with the Applicant, to optimize the use of the lease site while maximizing the potential economic benefit to the Band.

The BIA and BLM will use the EIS to make decisions on the land lease and right-of-way applications under their respective jurisdiction; the EPA may use the document to make decisions under its authorities; the Moapa Band may use the DEIS to make decisions under its
