A. Overview of Information Collection

Title of Information Collection: Low-Income Housing Tax Credit (LIHTC) Data Collection.

OMB Approval Number: 2528-0320.

Type of Request: Revision of a currently approved collection.

Form Number: HUD-52695; HUD-52697.

Description of the need for the information and proposed use: Section 2835(d) of the Housing and Economic Recovery Act, or HERA, (Public Law 110-289, approved July 30, 2008) amends Title I of the U.S. Housing Act of 1937 (42 U.S.C. 1437 *et seq.*) (1937 Act) to add a new section 36 (codified as 42 U.S.C. 1437z-8) that requires each state agency administering tax credits under section 42 of the Internal Revenue Code of 1986 (low-income housing tax credits or LIHTC) to furnish HUD, not less than annually, information concerning the race, ethnicity, family composition, age, income, use of rental assistance under section 8(o) of the U.S. Housing Act of 1937 or other similar assistance, disability status, and monthly rental payments of households residing in each property receiving such credits through such agency.

New section 36 requires HUD to establish standards and definitions for the information to be collected by state agencies and to provide states with technical assistance in establishing systems to compile and submit such information and, in coordination with other federal agencies administering housing programs, establish procedures to minimize duplicative reporting requirements for properties assisted under multiple housing programs.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) If the information will be processed and used in a timely manner;
- (3) The accuracy of the agency’s estimate of the burden of the proposed collection of information;
- (4) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (5) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35.

Programmatic Enhancement of Survival Permit for a Safe Harbor Agreement and Candidate Conservation Agreement With Assurances for Aquatic Species in North Carolina; Categorical Exclusion

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for comments and information.

SUMMARY: We, the Fish and Wildlife Service (Service), have received an application from the North Carolina Wildlife Resources Commission (applicant, NCWRC) for an enhancement of survival permit for take of aquatic species in North Carolina. The applicant also submitted a combined proposed programmatic safe harbor agreement (SHA) and candidate conservation agreement with assurances (CCAA) in support of the application. The Service has prepared an environmental action statement and low-effect screening form, both of which are also available for public review. We invite the public and local, State, Tribal, and Federal agencies to comment on these documents.

DATES: We must receive your written comments on or before September 22, 2022.

SUPPLEMENTARY INFORMATION: We, the Fish and Wildlife Service (Service), have received an application from the North Carolina Wildlife Resources Commission (applicant, NCWRC) for an enhancement of survival permit for take of aquatic species in North Carolina. The applicant also submitted a combined proposed programmatic safe harbor agreement (SHA) and candidate conservation agreement with assurances (CCAA) (agreement) in support of the application. The applicant intends to implement the agreement to actively manage the covered species to benefit the recovery of federally listed species and to prevent the need to list candidate species within the boundaries of State of North Carolina. The Service has made a preliminary determination that the proposed agreement qualifies as “low-effect,” categorically excluded, under the National Environmental Policy Act. To make this determination, we used our environmental action statement and low-effect screening form, both of which are also available for public review.

Covered Species

The Service and the applicant have mutually agreed that the following 21 aquatic species (covered species) will benefit from the implementation of management activities on private lands enrolled by NCWRC as part of the agreement.
