REQ -

You are about to exhaust your normal sickness benefits. For this reason you may receive a smaller check than usual. You are not entitled to extended benefits because you apparently do not have 120 or more months of railroad service.

Our records show that you have 070 service months through 2013. If you believe you have at least 120 months of service, complete the questions below sign, date and return this letter to the address shown above.

Otherwise, you may apply for benefits again on or after July 1, 2015, if you are then unable to work and your 2014 railroad earnings are at least \$3600.00, counting no more than \$1440 for any month.
