Vertfy Information

Paperwork Reduction Act Information

NOAA Office of Education, administers the Ernest F. Hollings and EPP Undergraduate Scholarship Programs in order to promote the education and training of students in NOAA sciences. The information contained in the application and all associated forms, including this reference form, will be used to competitively select undergraduate students for scholarship awards. The information on this form will be treated confidentially. Public reporting burden for this collection of information is estimated to average 1 hour per form including the time to complex needed information, draft the required narratives, and complete the form. Sond comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to NOAA Office of Education, Educational Partnership Program, 1315 East-West Highway, Silver Spring, MD 20910.
