

Mentor Internship Mid-Term Assessment Survey

	*Required fields.
NOAA Mentor Name: Natasha White	
Line Office/Program: Under Secretary's Office (USEC)	
Email: natasha.white@noaa.gov	
NOAA Scholar	
Scholar's name:	
Scholarship program:Select program •	
Scholar's NOAA email:	

The Office of Education would like for you to assess the scholar's progress on the project. You should discuss your assessment with the scholar so that they are aware of areas they have excelled in and where improvement may be needed.

 Describe the student's ability to understand the project area/topic or contribute to the development of the project area/topic; determine additional skills and resources needed to complete the project; and think through a plan of action. *

Identify the student's contributions to your program. Please include any assistance on publications, presentations, and/or your program milestones. * How would you rate the scholar's academic preparation to contribute to the planned project? * Excellent Above average Average Below average Please explain if you check average or below.	5	Describe the scholar's ability to perform the tasks thus far this summer. Please identify the scholar's specific areas of responsibility and their ability to perform them. *
How would you rate the scholar's academic preparation to contribute to the planned project? * Excellent Above average Average Below average

Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0568. Without this approval, we could not conduct this survey. Public reporting for this information collection is estimated to be approximately 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection.

including suggestions for reducing this burden to the NOAA Office of Education, Natasha White, Natasha.White@noaa.gov.

NOAA Routine Uses: NOAA will use this information to evaluate and assess student data and information for the purpose of selecting successful candidates for scholarships, fellowships and internships, generating internal NOAA reports, and articles to demonstrate the success of its program.

Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a) to be shared among NOAA staff for work-related purposes. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice Commerce/NOAA-14, Office of Education, Educational Partnership Program (EPP/MSI); Ernest F. Hollings Undergraduate Scholarship Program and National Marine Fisheries Service Recruitment, Training, and Research Program.

Obligation to Respond: Furnishing this information is voluntary; however, failure to provide information may prevent consideration of your application for the program.
