Section C – ITQ Quota Share Holdings

Your ITQ Quota Share is:

Your annual cage tag allocation is determined by multiplying the total surfclam quota by this ratio. The result is divided by 32 to determine the appropriate number of cage tags to be allocated. Amounts of allocation of 0.5 cages or smaller are rounded down to the nearest whole number, and amounts greater than 0.5 cages are rounded up to the next whole number, so that allocations are in whole cages.

Please refer to your ITQ permit, when issued, for your actual 2018 cage tag allocation.

An ITQ permit does not need to have associated quota share to be used for leasing cage tags.

Instructions – Application for Surfclam / Ocean Quahog ITQ Permit

If you wish to receive surfclam or ocean quahog ITQ by temporary lease of cage tags or permanent transfer of quota share, you must submit this application in order to obtain a Surfclam or Ocean Quahog ITQ permit. The Surfclam or Ocean Quahog ITQ permit, once issued would authorize you to receive ITQ allocation through the cage tag transfer program. Please make sure that you also complete the Surfclam and Ocean Quahog ITQ Identification of Ownership Interest form.

Although we use one application form, we issue separate permits for surfclam ITQ and ocean quahog ITQ. Surfclam and ocean quahog ITQ permits are issued annually and must be renewed each year. If you hold both surfclam and ocean quahog ITQ permits you must submit separate renewal applications for each permit. If you hold surfclam or ocean quahog ITQ quota share (Section C), and do not renew the ITQ permit in any fishing year, you will no longer be eligible for the permit in subsequent years. Any associated ITQ quota share would therefore be considered voluntarily relinquished.

SECTION A - Permit Holder Information:

If applying for a new ITQ permit: Please complete all required fields, leaving the ITQ permit number blank. Once an ITQ permit is issued, you may submit an allocation transfer form to transfer ITQ quota share or cage tags to your ITQ permit.

If renewing an existing ITQ permit: All fields should already be filled out with the information we have on file. Please enter information **only** for items that have changed or are incorrect, or if you need to submit additional information.

SECTION B - Permit Eligibility:

In order to receive your ITQ permit you must certify the applicant's eligibility to hold a quota share permit as specified at 50 CFR 648.74.

SECTION C - ITQ Quota Share Holdings:

Information only. Do not modify. If you believe this section is incorrect, please contact NMFS Program Support Line at 978-282-8483.

SECTION D - Certification of Applicant:

Please sign the form. Unsigned or incomplete applications will be returned. Your signature is an affirmation under penalty of perjury, that all the information provided in obtaining this permit is true (18 U.S.C. § 1001).
