▼ Performance Measurement

General: To ensure comprehensive and accurate performance reporting, demonstrating compliance with the Grant Agreement and relevant Federal regulations and guidance, OEA Project Managers will complete the following checklist, which will become part of the grant administrative record. Project Managers are expected to comment on any issues or concerns identified in the checklist.

Instructions: In review of submitted Performance Reports, complete each item in the checklist below.

*** The grantee identifies the planned objectives and actual accomplishments for the performance reporting period and provides an explanation of any differences between planned and actual accomplishments.**

- Yes
- No
- N/A

Comments

Reporting regarding progress on activities is acceptable, but PM sent PDA an email to request descriptions of how these activities tie in to the the strategic priorities of the DMCSP program. Grantee will add this in reports moving forward.

*** If changes have occurred, such as slippage in the timeline, the grantee provides an explanation, along with plans for actions to be taken to prevent further delay.**

- Yes
- No
