Telephone Introduction: Stillbirth (English)

Introduction, Part 1.

Hello, I'm _____, and I'm calling from the <STATE STILLBIRTH PROJECT NAME> project. <STATE STILLBIRTH PROJECT NAME> is a research project to learn more about why stillbirths happen to help prevent stillbirths in <STATE>.

On behalf of the <NAME OF HEALTH DEPARTMENT>, please accept our deepest sympathies to you and your family on the loss of your baby. This recent loss brings sadness and sorrow, and the death of any baby in our community affects us all.

Recently we mailed you a questionnaire. <Did you receive it?> Since we have not received it yet, I'd like to go ahead and do the survey with you now.

First, I'd like to make sure that I am talking with the right person. You are <mother's name> and you were born in <mother's year of birth>. Is that correct?

1 → IF YES, CONTINUE WITH PART 2.

→ IF NO:

What's not correct?

→ REMEMBER: DO NOT GIVE OUT ANY CONFIDENTIAL INFORMATION FROM PRAMS UNTIL YOU KNOW YOU HAVE THE CORRECT PERSON.

→ DESCRIBE SITUATION (MOM USES MAIDEN NAME, ETC.):

→ IF THE MOM GIVES A YEAR OF BIRTH VERY DIFFERENT (± 2 years) FROM WHAT YOU READ, ASK:

Have you recently lived at <street address>?.

→ IF YOU ARE SATISFIED YOU HAVE THE CORRECT PERSON, CONTINUE WITH PART 2.

→ IF YOU DO NOT HAVE THE CORRECT PERSON:

I'm sorry. It seems we reached you by mistake. Thank you for your time.

OPTIONAL STATEMENT: < I have a brief introduction to read to you before we begin.>

Introduction, Part 2.

<STATE STILLBIRTH PROJECT NAME> is sponsored by the Centers for Disease Control and Prevention and the <NAME OF HEALTH DEPARTMENT>. The survey asks women who have had a stillbirth about things that may have happened before, during, and after a pregnancy that ended in a loss.

I am very sorry to hear about your loss and I would like to extend my deepest sympathies to you and your family. We are asking you to take part in an interview. Some of the questions I'll ask you may be painful, but your answers are very important and by doing so you will be helping to improve the services and care for women and babies in the future. The information you give us will be used to help us find out why stillbirths happen and how to improve the care that families like yours receive.

We are asking all women in <YOUR STATE> who have had a stillbirth to answer these same questions. Your name was identified from recent vital records files.

Most questions are about your health and life before, during, and after your pregnancy that ended in a loss. It takes about 25 minutes to answer all questions. Some questions may be sensitive, such as questions about smoking or drinking during pregnancy.

You are free to do the survey or not. If you don't want to participate at all, or if you don't want to answer a particular question, that's okay. There is no penalty or loss of benefits for not participating or answering all questions.

Your answers will be grouped with those from other women. Your name will not be on any reports from <STATE STILLBIRTH PROJECT NAME>. Your survey may be combined with information the health department has from other sources.

If you choose to do the survey, your answers will be kept private to the extent allowed by law and will be used only for research. What we learn from <STATE STILLBIRTH PROJECT NAME> will be used to plan programs to help prevent stillbirths in <YOUR STATE>.

If you have questions about <STATE STILLBIRTH PROJECT NAME>, please call <PROJECT COORDINATOR'S NAME>, <YOUR STATE> <STATE STILLBIRTH PROJECT NAME> Project Coordinator, at 1-800-<###-####>. If you have any questions about your rights in the project, please call <NAME OF A PERSON AT YOUR LOCAL IRB OFFICE> at <PHONE NUMBER>.
