Collection and Use of Personal Information**

Section 205(a) and 702 of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from processing the application for a Social Security card.

We will use the information you provide to verify proof of age. We may also share your information for the following purposes, called routine uses:

- To Federal, State, and local entities to assist them with administering income maintenance and health-maintenance programs, when a Federal statute authorizes them to use the Social Security number (SSN); and
- To student volunteers, individuals working under a personal services contract, and other workers who technically do not have the status of Federal employees, when they are performing work for SSA, as authorized by law, and they need access to personally identifiable information in our records in order to perform their assigned agency functions.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0058, entitled Master Files of SSN Holders and SSN Applications, as published in the Federal Register (FR) on January 4, 2022, at 87 FR 263. Additional information, and a full listing of all our SORNs, is available on our website at www.ssa.gov/privacy.
