

Earnings Correction Screener

Office of Management & Budget
(OMB) Screen Package (June 2022)

Contents

- 1.0 Entry Page 2
- 1.1 Earnings Review Screen, Landing 3
- 1.2 Earnings Review Screen, "No" Response 4
- 2.0 Error Screen, No Selection 5
- 3.0 Single Name User Screen Variation 6

1.0 Entry Page

A user will enter the application by clicking "Start Your Retirement Application Now" from their Plan & Prepare Workspace.

You earned **\$25,851** in 2021.

[Review your full earnings record now](#)

Plan For Retirement

Your monthly benefit at Full Retirement Age (65 and 2 months) is **\$1,200**.

Your monthly benefit changes based on your earnings and when you file. Use our estimator below to discover the best time for you to file for benefits.

Review Your Earnings Record

Your benefits are based on your earnings. If our records are wrong, you may not receive all the benefits to which you're entitled.

Use your own records to make sure our information is correct, and that we've recorded each year you worked. If you worked for more than one employer during any year, or if you had both earnings and self-employment income, we combined your earnings for the year.

- [Review your earnings record carefully.](#) 25
- [Limits on Taxable Earnings for Social Security](#) 26
- [Why would earnings be missing from my record?](#) 24

More Benefits

 You can qualify for Disability Benefits if you become unable to work due to a medical condition that’s expected to last at least one year or result in death.
 You can receive about **\$1,200 per month** if you apply now.

 Your family qualifies for Survivors Benefits.

[Learn more about Survivors Benefits](#)

 You can qualify for Medicare Part A (Hospital Insurance) and Part B (Medical Insurance) at age **65**.

[Learn more about Medicare and Hospital coverage](#)

 If you are or have been married, your current or former spouse may be eligible to claim benefits based on your earnings record.

[Calculate a benefit for a current or former spouse](#)
