

## **SURVEY OF HEAD START FAMILY AND COMMUNITY PARTNERSHIPS MANAGERS**

The purpose of the survey of family and community partnerships managers is to collect information about the structures and services that Head Start programs have for providing supports to parents and families, including coordination with service providers in their communities; how family support staff members reach out to and engage families in family support services; how family support staff members work with families to identify and utilize appropriate family support services; and the characteristics, experiences, job characteristics, benefits, and well-being of staff members who provide family support services.

*This collection of information is voluntary and will be used to build knowledge about Head Start family support services and the staff members involved in coordinating such services. Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number for this information collection 0970-0538 and the expiration date is XX/XX/XXXX. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to [Contractor Contact Name]; [Contractor Contact Address].*

### Terms used in this survey

<b><u>Term</u></b>	<b><u>Refers to...</u></b>
