

As part of the COVID-19 Public Education Campaign market research efforts, the Current Events Tracker (CET) is a flexible survey vehicle designed for easy addition or removal of questions as applicable to the current environment. This wave refields questions on awareness of [vaccines.gov](https://www.vaccines.gov) and concerns about personal COVID risk. New or modified questions include test-to-treat initiative, perceptions of long COVID, surge-related questions, and reactions to a video.
