**GRANTEE WEB SURVEY INVITATION EMAIL**

Subject: Invitation to complete the Title X Grantee Web Survey

Dear [Grantee Project Director]:

On behalf of the Office of Population Affairs (OPA), we invite you to complete the Title X Grantee Web Survey as part of the Title X Implementation Study. The purpose of the survey is to help OPA understand the following; (1) how grantees ensure access to equitable, affordable, client-centered quality family planning services, (2) the steps that grantees take to provide clients from diverse communities with equitable access to affordable, high-quality, client-centered health services (3) any pivots and/or accommodations to providing care made in recent years, including during the COVID-19 pandemic, and (4) how grantees assess their impact. Your participation and input are highly valuable to OPA to be able to tell the story of Title X grantees by gaining a deeper understanding of what is happening on the ground – and how grantees, sub-recipients and service delivery sites- are shaping activities to meet the needs of their clients. It will also help OPA share learnings and develop written materials to help grantees learn from one another and to highlight best practices.

Please click on the grantee-specific link below to access the web-based survey:
