FEDERAL FISH AND WILDLIFE PERMIT APPLICATION FORM
EAGLE EXHIBITION
(Bald and Golden Eagle Protection Act, 50 CFR 22.21)
 U.S. Fish and Wildlife Service
 Division of Migratory Bird Management

Note: A Federal Eagle Exhibition permit is required to possess and transport eagles for the purpose of educating the public about the biology, ecology, and conservation needs of eagles. Only zoological parks, scientific or educational institutions, and museums that meet the definition of "public" under 50 CFR 10.12 are eligible for this permit (50 CFR 22.21) and must complete section B on page 1 of this application. A minimum of 12 public educational programs per year must be conducted under this permit. If eagles are on display in an exhibit for educational purposes, you must be open to the public for a minimum of 400 hours per year. You must be at least 18 years old to apply for a migratory bird permit. Please read "[Frequently Asked Questions](#)" before you sign and submit your application.

Please provide the information requested below. If additional information needs to be provided that does not fit in the designated spaces, add additional sheets to your application submission. You may use as many additional sheets as needed. Please number pages accordingly using the page number box provided at the bottom of the sheet, and the corresponding question number.

You should be as thorough and specific as possible in your responses. Incomplete applications will be returned.

As the permittee, you are legally responsible for ensuring that your subpermittees, staff, and volunteers adhere to the terms of your permit.

You must locate live bird(s) and/or specimen(s) to acquire before a permit will be issued. You may not take possession of a bird prior to approval by your Migratory Bird Permit Office.

SECTION E.

Questions:

1) Indicate which you are requesting and the quantity of each:

2) Attachments - In additions to this form, you should also attach the following to complete your application:

- a)** Provide documentation verifying that you meet the definition of “public” in 50 CFR 10.12. “Public” as used in referring to museums, zoological parks, or scientific institutions, refers to such as are open to the general public and are either established, maintained, and operated as a governmental service or are privately endowed and organized but not operated for profit. Not-for-profit organizations should include a copy of their IRS Form 990.
- b)** If you are requesting to display live eagles: Your application must include a Migratory Bird and Eagle Acquisition and Transfer Request form (Form 3-202-12) (<http://www.fws.gov/forms/3-202-12.pdf>) for each bird you wish to acquire.
- c)** You must also provide a written recommendation from another Federal permittee with eagle handling experience.
- d)** Attach photographs and diagrams of your permanent facilities/enclosures for housing migratory birds (both indoor and outdoor). Diagrams must include dimensions (length, width, and height) and a description of interior and exterior construction materials, such as flooring and netting materials. Indicate the species or type of species that will be housed in each. Also provide a description of the interior and exterior construction and housing materials, such as flooring, netting, perching, and watering materials.

3) Any permit issued as a result of this application is not valid unless you also have any required State or tribal permits or approvals associated with the activity. Have you obtained all required State or tribal permits or approvals to conduct this activity?

- Yes, Have Attached
- Not Required
- Have Applied, Will Provide Upon Request

4) Provide a description of the educational message you will deliver and to what type of audience.

a) Provide an outline of your program, including as much detail as possible, and any brochures or other materials prepared for distribution.

b) If you are requesting live eagles, explain why they are necessary for your program, including how they will be used and displayed during the presentation to meet this need.

If you are applying only for dead specimens, skip to Question 9.

5) For static display eagles: The Primary Caretaker must be at least 18 years of age and have a minimum of 300 hours of experience gained over the course of 2 years working with the eagle species you intend to acquire. This experience is to include: training the species or similar species you intend to use in educational programs, the care and feeding of eagles, managing their exhibits (captive husbandry including perching, jessing, etc.) and medical management. A portion of the experience may be fulfilled by participation in migratory bird/raptor handling seminars and courses.

For using glove-trained eagles in educational programs: In addition to the above requirements, we recommend that the Primary Caretaker have a total of at least 500 hours of experience with the eagle species you intend to acquire gained over the course of 2 years, including presenting educational programs using glove-trained eagles. ALSO: You must also attached a letter of reference from an experience eagle exhibition permittee describing your qualifications for this permit.

a) For each live eagle you propose to use, describe in detail your experience handling and caring for those species.

b) Provide the name, address, and telephone number of the facility or facilities where your experience was obtained.

c) Describe your experience in presenting glove-trained programs, including the length of time you have been presenting programs and the types of audiences.

6) Provide a list of the eagle(s) you will house in each enclosure, including the species, number of eagles, and flight status (flighted, non-flighted) of each eagle

7) If live eagles will be displayed outside of the enclosures you described for Question 6 provide a detailed description of

a) How the eagles will be displayed, and

b) Describe your enclosures for transport of the eagles, including dimensions (length, width, and height) and the type and number of species that will be transported in each

8) For each live eagle you possess under this permit

a) Describe the diet you will administer and indicate food source.

b) Describe the types of daily enrichment you will provide for each eagle.

9) If you are requesting to display eagle specimens: List the species and type(s) of specimen(s) and the source's name, address, and Federal permit number.

10) Anyone who will be responsible for the permitted activities or acting as your agent must either have their own Federal migratory bird permit for the activity or be identified by you, in writing, as a subpermittee under your permit. They may also require a State permit. Subpermittees must be at least 18 years old. As the primary permittee, you will be responsible for ensuring that your subpermittees are properly trained and adhere to the terms of your permit. Provide the name of any subpermittees who will be conducting activities under your permit. For anyone handling or caring for live birds, briefly describe what they will be doing and their qualifications.

11) You must retain records legibly written or reproducible in English relating to the activities conducted under your permit for at least 5 years after the date of expiration of your permit. Is the physical address you provided in Section C on page 1 of this application the address where your records will be kept?

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities that affect protected species. The information the individual provides helps the FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

In accordance with the Paperwork Reduction Act (44 U.S.C. 3501), the U.S. Fish and Wildlife Service collects information necessary to monitor take and disposition of migratory birds, under the applicable laws governing the requested activity, for which a permit is requested, and to respond to requests made under the Freedom of Information Act and the Privacy Act of 1974. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0167.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages:

Original submission - paper-based: 5 hours (reporting) and 30 minutes (recordkeeping)

Original submission - electronic: 4 hours 30 minutes (reporting) and 30 minutes (recordkeeping)

These estimates include time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB/PERMA (JAO), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov. Please do not send your completed form to this address.

FREEDOM OF INFORMATION ACT

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.26 – 2.33].
