### Instructions for Completing this Form

A petition for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) for Workers has been filed on behalf of a group of workers at [WORKERS' FIRM NAME], [CITY], [STATE]. By law (19 U.S.C. 2273(a)), a determination on the petition must be made within 40 calendar days following the filing date of the petition. The Secretary of Labor is authorized to obtain the information requested in this survey through subpoena if the firm fails to comply with this request (19 U.S.C. 2272(d)(3)(B) and 2321). Your assistance in expeditiously completing this form is necessary for the U.S. Department of Labor (Department) to determine whether these workers may be eligible to apply for federal benefits. Complete and return this form no later than [Insert date here].

**Background.** The Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) for Workers program (TAA/ATAA Program) is authorized under Title II of the Trade Act of 1974, as amended (19 U.S.C. § 2271 et seq.) (“the Act”). The TAA program provides workers who have been adversely affected by foreign trade with opportunities to obtain skills, credentials, resources, and support necessary to become reemployed. The TAA/ATAA Program offers the following services to eligible workers: employment and case management services, training, out of area job search and relocation allowances, income support, as well as, additional benefits for workers age 50 or older to find reemployment and additional support. Filing a petition is the first step in qualifying for TAA/ATAA Program benefits and services. In response to a filing, the Department conducts an investigation to determine whether foreign trade was an important cause of the workers’ job loss or threat of job separation. After the investigation, the Department issues a determination regarding the worker group’s eligibility to apply for TAA/ATAA Program benefits and services. A state workforce representative will notify workers in a certified worker group of the determination, at which time the individual worker may apply for eligibility of benefits and services at a local American Job Center. Additional information is available on our website at [www.dol.gov/agencies/eta/tradeact/](http://www.dol.gov/agencies/eta/tradeact/).

**Completing Form.** Individuals are only required to respond to this information request if the form displays a valid Office of Management and Budget (OMB) control number. Type or print legibly and complete all sections. If there is no quantity or value for a field in a section on this form, enter “zero,” “0,” or “None.” Include any relevant information not covered in this form on a separate sheet of paper and/or attach other supporting documents when submitting this form to the Department. If you have any difficulty completing this form, or have questions, contact [Insert investigator name here].

**Confidentiality.** All information submitted under this request will be used to determine whether the criteria for certification of the workers covered by the petition have been satisfied. The Department will protect the confidentiality of the information you provide to the full extent of the law, in accordance with the Act, 19 U.S.C. 2272 (d)(3)(C); the Trade Secrets Act, 18 U.S.C. 1905; the Freedom of Information Act, 5 U.S.C. 552(b)(4); Executive Order 12600 (52 F.R. 23781, June 25, 1987); Executive Order 13392 (70 F.R. 75373, December 19, 2005); Presidential Memorandum for the Heads of Executive Departments and Agencies Concerning the Freedom of Information Act (74 F.R. 4683, January 21, 2009); and Attorney General Holder's Memorandum for Heads of Executive Departments and Agencies Concerning the Freedom of Information Act (March 19, 2009), available at <https://www.usdoj.gov/ag/foia-memo-march2009.pdf>. Information (on the form and attachments) which your firm would like to be considered as confidential must be placed in brackets and accompanied with a justification for such designation.

**Public Burden Statement.** This collection of information is mandatory (19 U.S.C. 2272(d)(3)(B) and 2321). Public reporting burden for this collection is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
