

INSTRUCTIONS FOR MODEL NOTICE

Public Health Service Act section 2713 requires, among other things, that certain group health plans and issuers provide benefits for women’s preventive services without cost sharing as provided for in comprehensive guidelines supported by the Health Resources and Services Administration (HRSA). The HRSA-Supported Guidelines provide exemptions for, among other entities and individuals, group health plans and student health insurance coverage under certain circumstances related to an objection to providing contraception coverage. An optional accommodation process is also available for eligible entities, under which the entity’s issuer or third party administrator instead provides or arranges separate payments for contraceptive services. The accommodation process for eligible organizations is described in 26 CFR 54.9815-2713A, 29 CFR 2590.715-2713A, and 45 CFR 147.131. These instructions and model notice may be used to claim an accommodation (not the exemption) from the contraceptive coverage requirements for an eligible organization. These instructions are intended for use in connection with whichever accommodation process(es) for eligible organizations are in effect at the time an entity submits this form. Entities should check current regulations and guidance to determine which accommodation process(es) are in effect.

An eligible entity may, but is not required to, use a completed copy of this model notice to provide notice to the Secretary of Health and Human Services (HHS) that the eligible entity has a sincerely held religious objection, consistent with applicable rules, to coverage of all or a subset of contraceptive services, pursuant to 26 CFR 54.9815-2713A, 29 CFR 2590.715-2713A, and 45 CFR 147.131, and that it wishes to invoke the accommodation. The notice may also, but is not required to, be used by an organization to provide updated information to HHS. If the objecting entity establishes or maintains more than one plan, it may submit a separate notice for each plan, or it may modify this form accordingly.

As an alternative to using this model notice to HHS, an objecting entity that intends to invoke the accommodation may elect to provide notice to HHS without using this model form; or may elect to self-certify using EBSA Form 700 and send a copy to each health insurance issuer and third party administrator. EBSA Form 700 is accessible at: <http://www.dol.gov/ebsa/pdf/preventiveserviceseligibleorganizationcertificationform.pdf>.

An organization may revoke its use of the accommodation process at a later date if it chooses to do so, provided that written notice of any such revocation is given to participants and beneficiaries consistent with 26 CFR 54.9815-2713A, 29 CFR 2590.715-2713A, and 45 CFR 147.131. Entities should check current regulations and guidance to determine if revocation is available.

After completing this model notice or notice in another form for the same purpose, to provide notice to the Secretary of HHS that the eligible entity has a sincerely held religious objection to coverage of all or a subset of contraceptive services, it should be sent by email to HHS at marketreform@cms.hhs.gov or by U.S. mail to:
