

Welcome to the 2022 Business Response Survey

The Bureau of Labor Statistics (BLS) is looking to understand telework, hiring, and vacancies at your business. This information is particularly critical in understanding how the labor market has changed because of the COVID-19 pandemic. You'll see questions about telework at your location both currently and before the pandemic, and questions about newly hired workers and existing vacancies at your business location.

Please continue to this short survey about this business location's telework policies, recent experiences in hiring, and current vacancies.
