## Welcome to the 2022 Business Response Survey

The Bureau of Labor Statistics (BLS) is looking to understand telework, hiring, and vacancies at your business. This information is particularly critical in understanding how the labor market has changed because of the COVID-19 pandemic. You'll see questions about telework at your location both currently and before the pandemic, and questions about newly hired workers and existing vacancies at your business location.

Please continue to this short survey about this business location's telework policies, recent experiences in hiring, and current vacancies.

The Bureau of Labor Statistics, its employees, agents, and partner statistical agencies will use the information you provide for statistical purposes only and will hold the information in confidence to the full extent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act (44 USC 3572) and other applicable Federal laws, your responses will not be disclosed in identifiable form without your informed consent. Per the Federal Cybersecurity Enhancement Act of 2015, Federal information systems are protected from malicious activities through cybersecurity screening of transmitted data.

Time of completion is estimated to be about five minutes. This estimate includes time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing this information. If you have any comments regarding these estimates or any other aspect of the survey, please contact COVID-19SurveyHelp@bls.gov. The OMB control number for the survey is 1220-0198 and it expires on 07/31/2024. Without a currently valid OMB number, BLS would not be able to conduct this survey.
