

# Instructions for Application to Preserve Residence for Naturalization Purposes

Department of Homeland Security  
U.S. Citizenship and Immigration Services

USCIS  
**Form N-470**  
OMB No. 1615-0056  
Expires 09/30/2022

## What Is the Purpose of Form N-470?

This application is for a lawful permanent resident who must leave the United States for certain employment purposes and wishes to preserve his or her continuous residence to pursue naturalization.

You may be able to preserve continuous residency (previously accumulated for naturalization purposes) even though you may be residing outside the United States for longer than one year. The time spent outside the United States may be counted toward your residency requirement if you file Form N-470.

## Who May File Form N-470?

You should file this application if you meet **all** of the requirements below:

1. You must have been physically present and residing in the United States for an uninterrupted period, **without any absences**, for at least one year after your admission as a lawful permanent resident (except religious workers);
2. You will be absent from the United States for one year or more;
3. You have qualifying employment in a specific job with the U.S. Government, private sector, or religious organization; **and**
4. You want to preserve your continuous residence for naturalization purposes.

If U.S. Citizenship and Immigration Services (USCIS) approves your Form N-470, your spouse and dependent unmarried sons or daughters will receive the same benefit. All of them must be members of the same household and reside with you while you reside outside the United States.

**NOTE: You must still apply for a reentry permit in advance of trips outside the United States that you expect to last for one year or more. Approval of Form N-470 does not exempt applicants from the physical presence requirements for naturalization unless they are employed by, or under contract with the U.S. Government.**

### Continuous residency requirements for Form N-400

Generally, applicants who file Form N-400 must reside in the United States for **five** years immediately preceding the date of filing. Additionally, USCIS requires applicants to have been physically present in the United States for at least 30 months of those 5 years.

**NOTE:** Qualifying spouses of U.S. citizens who file Form N-400 must reside in the United States for three years immediately preceding the date of filing. Those spouses are required to have been physically present in the United States for at least 18 months of those 3 years.

Lawful permanent residents who remain outside the United States for more than one uninterrupted year will disrupt their residency requirement unless they are the beneficiaries of an approved Form N-470.

**Exception for spouse of U.S. citizen employed by the U.S. Government, American institution of research, or an American firm engaged in development of foreign trade with the United States.**

A spouse of a U.S. citizen who is eligible for naturalization under the Immigration and Nationality Act (INA) section 319(b) is not required to file Form N-470 to preserve continuous residence, as such spouses are exempted from establishing the naturalization residency and physical presence requirements.

## General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS National Customer Service Center at **1-800-375-5283** and ask that we mail a form to you. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

**Signature.** Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

**Filing Fee.** Each application must be accompanied by the appropriate filing fee. (See the **What Is the Filing Fee** section of these Instructions.)

**Biometric Services Fee.** If you file this application with USCIS, you do not need to include a biometric services fee at the time you submit your application. If you are later notified that you must submit biometrics, you will receive a biometric services appointment notice with instructions on how to submit the additional biometric services fee. If you file this application with an agency other than USCIS, please check with that agency to determine if and when you must submit a biometric services fee.

**Evidence.** At the time of filing, you must submit all evidence and supporting documentation listed in the **Specific Instructions** and/or **What Evidence Must You Submit** sections of these Instructions.

**Biometric Services Appointment.** USCIS may require that you appear for an interview or provide fingerprints, photograph, and/or signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application, petition, or request. After USCIS receives your application and ensures it is complete, we will inform you in writing, if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

If you fail to attend your biometric services appointment, USCIS may deny your application.

**Copies.** You may submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If you submit original documents when not required, the documents may remain a part of the record, and USCIS will not automatically return them to you.

**Translations.** If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification should also include the date, the translator's signature and printed name, and may contain the translator's contact information.

## How To Fill Out Form N-470

1. Type or print legibly in black ink.
2. If you need extra space to complete any item within this application, use the space provided in **Part 7. Additional Information** or attach a separate sheet of paper; type or print your name and Alien Registration Number (A-Number) (if any) at the top of each sheet; indicate the **Page Number**, **Part Number**, and **Item Number** to which your answer refers; and sign and date each sheet.
3. Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks “Provide the name of your current spouse”), type or print “N/A,” unless otherwise directed. If your answer to a question which requires a numeric response is zero or none (for example, “How many children do you have” or “How many times have you departed the United States”), type or print “None,” unless otherwise directed.

**4. Avoid highlighting, crossing out, or writing outside the area provided for a response.**

If you must make substantial corrections to your Form N-470, USCIS recommends that you begin with a new Form N-470 rather than using correction tape or fluid to white out information. USCIS scanners may see through the white correction tape or fluid. This may lead to incorrect information being captured in USCIS systems which may cause processing delays or a rejection of your Form N-470. Ensure that you are using the correct edition of Form N-470. The correct edition is available on the USCIS website at [www.uscis.gov](http://www.uscis.gov).

- 5. Provide your A-Number on the top right corner of each page.** Your A-Number is located on your Permanent Resident Card (formerly known as the Alien Registration or “Green” Card.) The A-Number on your card consists of seven to nine numbers, depending on when your record was created. If the A-Number on your card has fewer than nine numbers, place enough zeros before the first number to make a total of nine numbers on the Form N-470. For example, type or print number A1234567 as A001234567 or type or print number A12345678 as A012345678. **You must provide your A-Number. USCIS may reject your application if you do not provide your A-Number.**

### **How To Check If the Fees Are Correct**

Form N-470's filing fee is current as of the edition date in the lower left corner of this page. However, because USCIS fees change periodically, you can verify that the fees are correct by following one of the steps below.

### **Fee Waiver**

You may be eligible for a fee waiver under 8 CFR 103.7(c). If you believe you are eligible for a fee waiver, complete Form I-912, Request for Fee Waiver, and submit it and any required evidence of your inability to pay the filing fee with this application.
