The warning text states: "You are accessing a U.S. Federal Government computer system intended to be solely accessed by individual users expressly authorized to access the system by the U.S. Department of Education. Usage may be monitored, recorded, and/or subject to audit. For security purposes, and in order to ensure that the system remains available to all expressly authorized users, the U.S. Department of Education monitors the system to identify unauthorized users. Anyone using this system expressly consents to such monitoring and recording. Unauthorized use of this information system is prohibited and subject to criminal and civil penalties. Except as expressly authorized by the U.S. Department of Education, unauthorized attempts to access, obtain, upload, modify, change, and/or delete information on this system are strictly prohibited and are subject to criminal prosecution under 18 U.S.C § 1030, and other applicable statutes, which may result in fines and imprisonment. For purposes of this system, unauthorized access includes, but is not limited to:"

- Any access by an employee or agent of a commercial entity, or other third party, who is not the individual user, for purposes of commercial advantage or private financial gain (regardless of whether the commercial entity or third party is providing a service to an authorized user of the system); and
- Any access in furtherance of any criminal or tortious act in violation of the Constitution or laws of the United States or any State.
- If system monitoring reveals information indicating possible criminal activity, such evidence may be provided to law enforcement personnel.

### 2022 Guaranty Agency (GA) Self-Assessment (SA) / Federal Student Aid

#### Federal Student Aid

**2022 Guaranty Agency (GA) Self-Assessment (SA)**

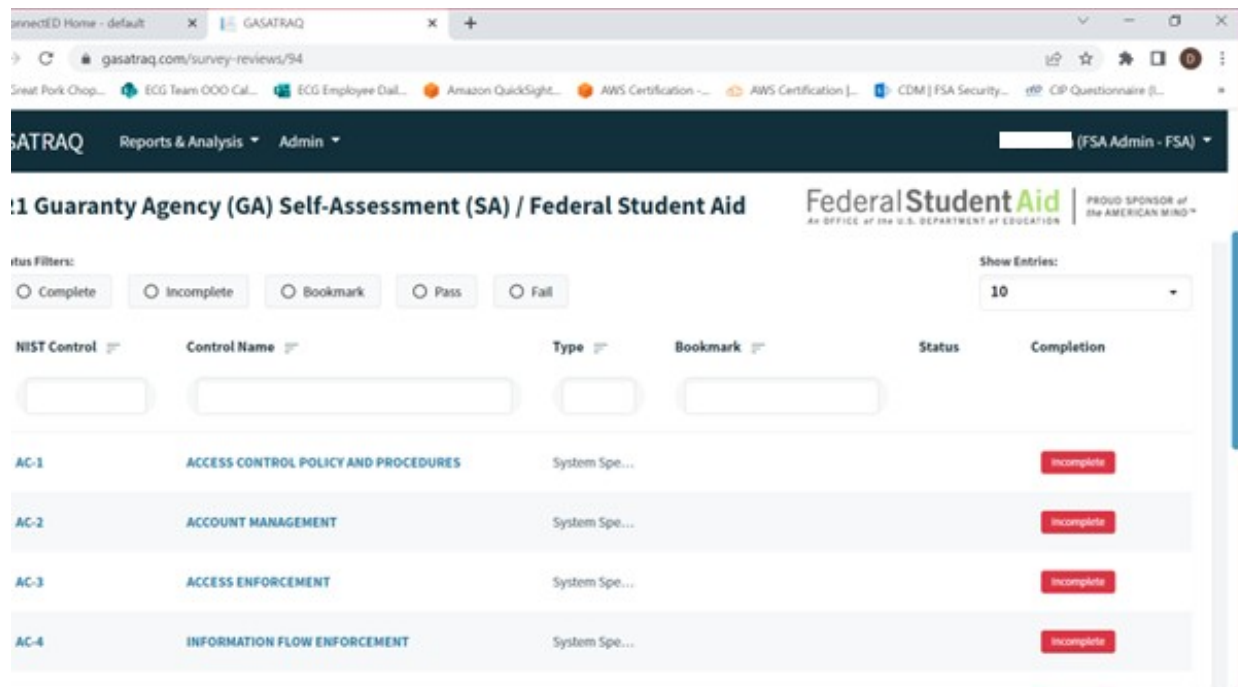

The purpose of the GASA Self-Assessment Survey is to assess the level of compliance each Guaranty Agency has with US Federal Government and Department of Education Cybersecurity policies, procedures and guidance as well as National Institute of Science and Technology (NIST) guidelines. The GASA Self-Assessment Survey provides NIST 800-53 and 53A security control questions, to determine whether each Guaranty Agency has implemented security parameters in accordance with these governing bodies.

**Expiration date: 12/31/2024**

**OMB Approved Form 1845-0134: PRA Burden Statement**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0134. Public reporting burden for this collection of information is estimated to average 366 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain a benefit or voluntary is mandated by (428(c) of the Higher Education Act of 1965, as amended). If you have comments or concerns regarding the status of your individual submission of this Self-Assessment, please contact Federal Student Aid, Enterprise Technology Directorate, Enterprise Cybersecurity Group at FSA\_GASecurity@ed.gov directly.
