SCHOOL QUESTIONNAIRE

GRADE 4

During the 2021–2022 school year, a sample of students across the country, including some students from your school, will be given a series of questions as part of the National Assessment of Educational Progress (NAEP). As part of the assessment, NAEP will investigate the relationship between students' achievement and various school, teacher, and home factors that may influence this achievement. We are asking your school to complete this questionnaire about school factors. **This questionnaire should be completed by the principal or other head administrator.**

We realize that you are very busy; however, we urge you to complete the questionnaire as carefully as possible. While your participation is voluntary, your responses to these questions are critical to ensuring that this survey is accurate and complete.

All of the information provided by participants may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151).

THANK YOU FOR YOUR PARTICIPATION AND COOPERATION.

Paperwork Reduction Act (PRA) Statement

National Center for Education Statistics (NCES) conducts the National Assessment of Educational Progress to evaluate federally supported education programs. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). By law, every NCES employee as well as every NCES agent, such as contractors and NAEP coordinators, has taken an oath and is subject to a jail term of up to 5 years, a fine of \$250,000, or both if he or she willfully discloses ANY identifiable information about you. Electronic submission of your information will be monitored for viruses, malware, and other threats by Federal employees and contractors in accordance with the Cybersecurity Enhancement Act of 2015.

NCES estimates the time required to complete this information collection to average 40 minutes, including the time to review instructions and complete and review the information collection. This voluntary information collection was reviewed and approved by OMB (Control No. 1850-0928). If you have any comments concerning the accuracy of the time estimate, suggestions for improving this collection, or any comments or concerns regarding the status of your individual submission, please write to: *National Assessment of Educational Progress (NAEP), National Center for Education Statistics (NCES), Potomac Center Plaza, 550 12th St., SW, 4th floor, Washington, DC 20202*; or send an email to: *nces.information.collections@ed.gov*.

1. In your school, are fourth-grade students from different classes typically **grouped** for mathematics instruction by achievement levels (so that some instruction groups are higher in average mathematics achievement levels than others)?

- Yes
 No

VH270371

2. In your school, how often are fourth-grade students' mathematics placements evaluated?

- Once a year
 Once a marking period (semester, trimester)
 More than once a marking period (semester, trimester)
 Students are not grouped by achievement level.

VH591761

3. This year, how many fourth-grade teachers are teaching mathematics in your school? Enter the number of teachers.

VH240068

4. Is there a mathematics coach available (full- or part-time) to fourth-grade teachers at your school?

- Yes, available full-time to fourth-grade teachers
 Yes, available part-time to fourth-grade teachers
 No

5. To what extent are each of the following a responsibility of the mathematics coach(es) available to fourth-grade teachers at your school? Select **one** circle in each row.

Appendix J3-10: Operational Grade 8 Mathematics

VH191775

1. In your school, approximately what percentage of eighth-grade students enroll in more than one mathematics class in a year (including summer school or two-block classes) **for remediation or to catch up a grade level**? Do not include students who receive additional mathematics instruction as part of special education or because of IEP provisions.

- 0–10%
- 11–20%
- 21–30%
- 31–40%
- 41–50%
- More than 50%

VH270533

2. This year, how many teachers are teaching mathematics in your school? Enter the number of teachers.

VH811923

3. In this school year, what percentage of students have gone to other schools (a neighboring middle school, high school, or college) to receive mathematics instruction?

- 0%
- 1–5%
- 6–10%
- 11–20%
- 21–30%
- 31–40%
- 41–50%
- More than 50%

4. Below are some sentences about students who may have to go to other schools for mathematics instruction. Please indicate which statements apply to your students. Select **one** circle in each row.

	Yes	No	
a. There are students in my school who take high school mathematics classes.	<input type="radio"/>	<input type="radio"/>	VH270660
b. My school provides credit for students who take high school or college mathematics classes.	<input type="radio"/>	<input type="radio"/>	VH270661
