

**HUD Form #9007a-ORCF, Lender Narrative- Substantial Rehabilitation Section  
232 – 2 Stage, Final Firm Submission**

LOCATION	CURRENT TEXT	REVISED TEXT
p. 1	<p><b>Public reporting burden</b> for this collection of information is estimated to average 70 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless that collection displays a valid OMB control number.</p>	<p><b>Public reporting burden</b> for this collection of information is estimated to average 70 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The information is being collected to obtain the supportive documentation that must be submitted to HUD for approval, and is necessary to ensure that viable projects are developed and maintained. The Department will use this information to determine if properties meet HUD requirements with respect to development, operation and/or asset management, as well as ensuring the continued marketability of the properties. Response to this request for information is required in order to receive the benefits to be derived from the National Housing Act Section 232 Healthcare Facility Insurance Program. This agency may not collect this information, and you are not required to complete this form unless it displays a currently valid OMB control number. While no assurance of confidentiality is pledged to respondents, HUD generally discloses this data only in response to a Freedom of Information Act request.</p>

p.1	<b>Warning:</b> Any person who knowingly presents a false, fictitious, or fraudulent statement or claim in a matter within the jurisdiction of the U.S. Department of Housing and Urban Development is subject to criminal penalties, civil liability, and administrative sanctions.	<b>Warning:</b> Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§ 287, 1001, 1010, 1012; 31 U.S.C. §3729, 3802).
p.1	<b>Privacy Act Notice:</b> The Department of Housing and Urban Development, Federal Housing Administration, is authorized to collect the information requested in this form by virtue of: The National Housing Act, 12 USC 1701 et seq. and the regulations at 24 CFR 5.212 and 24 CFR 200.6; and the Housing and Community Development Act of 1987, 42 USC 3543(a). The information requested is mandatory to receive the mortgage insurance benefits to be derived from the National Housing Act Section 232 Healthcare Facility Insurance Program. No confidentiality is assured.	<b>Privacy Act Statement:</b> The Department of Housing and Urban Development, Federal Housing Administration, is authorized to collect the information requested in this form by virtue of: The National Housing Act, 12 USC 1701 et seq. and the regulations at 24 CFR 5.212 and 24 CFR 200.6; and the Housing and Community Development Act of 1987, 42 USC 3543(a). The information requested is used to review applications within HUD. No information will be disclosed outside of HUD. The information requested is mandatory to receive the mortgage insurance benefits to be derived from the National Housing Act Section 232 Healthcare Facility Insurance Program. No applications will be reviewed or approved without the necessary information requested. No confidentiality is assured.
p. 11	Is the architectural reviewer knowledgeable and experienced with local building standards and construction methods for the type of project proposed, including the Federal Fair Housing Accessibility Guidelines and the Uniform Federal Accessibility Standards?	Is the architectural reviewer knowledgeable and experienced with local building standards and construction methods for the type of project proposed, including but not limited to the Federal Fair Housing Accessibility Guidelines (FHAG) and the Uniform Federal Accessibility Standards (UFAS)?
p. 14	After reviewing the plans, did the architectural reviewer confirm that the plans are <u>not</u> in conformance with FHAG and UFAS requirements?	After reviewing the plans, did the architectural reviewer confirm that the plans are <u>not</u> in conformance with accessibility standards such as FHAG and UFAS requirements?
p. 15	New section	Green MIP Summary – If applicable <<Provide narrative discussion. Confirm that the design and energy

		conservation measures will comply with ORCFs program guidance for energy and water reductions after retrofits are complete, achieve an approved green building certification, and an Energy Star Score of 75 or better. Energy conservation measures must be designed for the entire project.>>
p. 15	Typically, an updated Construction Progress Schedule that accurately reflects the month and date of construction start and completion will be needed prior to closing. >>	Typically, an updated Construction Progress Schedule that accurately reflects the month and date of construction start and completion will be needed prior to closing. For Green MIP projects, the project Architect, energy design professional and Green Building Standard Keeper/rater must coordinate with the general contractor to include milestones for the green building inspections. >>
p. 15, 16, 17, 30,	form	Form
p. 20	New paragraph	For Green MIP projects, the Needs Assessor must specify all appliances and heating and air conditioning systems as ENERGY STAR® when replaced. For lighting, electrical and mechanical equipment, and building envelope components with no available ENERGY STAR® label, the capital needs assessment must specify high performance and/or sustainable replacements.
