##### Regional and State Arts Agency ARP Funding Survey

The American Rescue Plan (ARP) was signed into law in 2021 in response to the ongoing Covid-19 pandemic. The National Endowment for the Arts (NEA) received \$135 million in ARP funds to help support jobs in the arts sector, keep the doors open to arts organizations nationwide, and assist the field in its response to and recovery from the COVID-19 pandemic. Forty percent of the NEA's ARP funds were allocated to state and jurisdictional arts agencies and regional arts organizations. Your agency or organization received these NEA ARP funds as a supplement to your fiscal year 2022 Partnership Agreement dollars. No new reporting requirements were associated with the provision of ARP funds; however, we know that many agencies and organizations attempted to track the activities generated by these funds. To better understand activities supported with ARP funds, the National Assembly of State Arts Agencies (NASAA) and the NEA are administering this survey.
