Noyce Monitoring System Screenshots: Track 1 Survey

Note: Screenshots may include test data to demonstrate full system functionality. Test data does not include actual PII.

Noyce Annual Survey

Welcome

Welcome to NoyceWeb, the online data reporting system for the Robert Noyce Teacher Scholarship Program, authorized under the National Science Foundation Authorization Act of 2002 (P.L. 107-368). NoyceWeb allows you to provide the National Science Foundation (NSF) with reliable annual data.

| Login | Create/Reset Password |

To enter NoyceWeb, please enter your NSF grant number and password in the boxes below and click on **Login**.

Grant Number [_____]

Password [_____] [Login]

Note: Passwords are case-sensitive

Having Trouble Logging In? Please e-mail us or call toll free at (800) 665-8961

Notice: The system is closed for maintenance every first Sunday between 7 a.m. and 10 a.m. eastern time. The system will log you out after one hour of inactivity. You must re-enter your login credential to enter the system again.

SURVEY PRIVACY

The Federal Government has a continuing commitment to monitor its awards to identify and address any inequities based on gender, race, ethnicity, or disability of the principal investigators (PIs), co-PIs, support recipients, or other participants.

Information from this data collection system will be retained by NSF, a Federal agency, and will be an integral part of its Privacy Act System of Records in accordance with the Privacy Act of 1974 and maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998). All individually identifiable information supplied by individuals or institutions to a Federal agency may be used only for the purposes outlined in the system of records notice and may not be disclosed or used in identifiable form for any other purpose, unless otherwise compelled by law. These are confidential files accessible only to appropriate NSF officials, their staffs, and their contractors responsible for monitoring, assessing, and evaluating NSF programs. Only data in highly aggregated form or data explicitly requested "for general use" will be made available to anyone outside of NSF for research purposes. Data submitted will be used in accordance with criteria established by NSF for monitoring research and education grants, and in response to Public Law 99-383 and 42 USC 1885c. Date of birth will be maintained in accordance with the requirements of the Privacy Act of 1974.

NSF Privacy Policy

PUBLIC BURDEN

Submission of the requested information is voluntary. Failure to provide full and complete information, however, may reduce the possibility for continuing support through the award/project subject to this survey. Pursuant to 5 CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is #3145-0226. The annual public reporting burden for this collection of information is estimated to average 14 hours per award, including the time for reviewing instructions. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Suzanne Plimpton, Reports Clearance Officer for OMB Collection #3145-0226 (Noyce Program), National Science Foundation, 4201 Wilson Blvd., Rm. 295, Arlington, VA 22230.

Welcome to the National Science Foundation's (NSF) Noyce Annual Survey. This survey contains short lists of questions on each of the topics below. **Please complete the sections in order.** The icon beside each link will help you track your progress and alert you to potential problems as you move through the topics. If you have questions that are not addressed in the Help & Instructions, please contact us.

Expires: April 30, 2019

Getting Started

Your reporting period is September 1, 2015, through August 31, 2016.

Please complete the sections in the order listed. To begin data entry, follow these steps:

1. From the Main Menu screen, access the first survey section by clicking on the name of the section. Please review each item with a ❌ , ⚠ , or ☐ .
2. Review and add to or correct (if necessary) the information found on the selected data entry screen. Click on the **Save** button at the bottom of the screen to save the screen and return to the Main Menu screen. Click on the **Cancel** button to return to the Main Menu screen without saving any data.
3. After you save your data, check the status icon displayed on the Main Menu screen for that data entry screen. A ❌ indicates that you must correct the record before submission. A ⚠ indicates a record with incomplete preferred fields; i.e., the record can be submitted as is, but we prefer that you review it and, if possible, complete any fields marked with a ⚠ . A ✔ indicates a record that is ready for submission. You may make any needed changes or additions right away or return to the question later.
4. Repeat the steps outlined above for each section of the survey.
5. Once you have answered all the questions, you will need to finish the survey by sending your authorized final submission to NSF. Click on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen to access the Final Submission screen and then click on the **Send Final Submission** button. If you do not want to send your final submission, click on **Cancel**.
6. After you have sent your final submission, your data will appear in the system as read-only. This means that you will still be able to view and print your submission, but you will not be able to alter the data. To generate a printed copy of your submission from the read-only version, click on **Print Data Entered to Date** on the left side of the Main Menu screen and follow the instructions on the Print Preview Menu screen. A spreadsheet copy of your submission can also be generated from the read-only version by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen.

Understanding the Status Icons

Status icons indicate the submission status of each section and show where the system has found problems or potential problems with the data you have entered.

The icon colors mimic a traffic light and indicate the submission status of each section and item as follows:

The Please Correct icon (✖) indicates that you must correct the record before you submit your data.

The Please Review icon (⚠) indicates a record that we would like you to review and complete, if possible, before submitting your data; however, completion is not required before you submit your data.

The OK icon (✔) indicates a record that is ready for submission; i.e., no changes are required prior to submitting your data.

The Please Complete icon (☐) indicates a record for which no data have been entered.

Saving Data and Returning to the Survey

The system is designed to allow you to work on an entry, save your work, leave the system, and return later to continue where you left off. You can continue to return to the system and make any necessary revisions and updates until you send your authorized final submission to NSF by clicking on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen. As noted elsewhere, sending your final submission to NSF will complete your survey submission and lock your data. After final submission, you may return to this site as often as you like to view the read-only version of your data, but you will not be able to alter the data.

Each time you click on the **Save** button, your data are transferred to NSF and stored in a computer system there, not on your hard drive. You can access your data at any time using NoyceWeb.

Leaving a Field Blank

You can intentionally leave a field blank if you think that the field does not apply to your award or that the best answer is to leave it blank. If the answer to the question is zero (0), please enter a "0" rather than leave the field blank. If a Please Review icon (⚠) is displayed because a field is blank and if your record has no errors, you will still be able to send your authorized final submission to NSF. This icon appears when we would like you to review preferred fields, but it will not prevent or delay final submission.

If a Please Correct icon (⊗) is displayed next to a field that you have left blank, it means that the field is required and must be completed before final submission can occur.

Final Submission

When you successfully complete your authorized final submission, the Final Submission Complete screen will display to acknowledge your success. From that point forward your access to NoyceWeb will be read-only. You will see the words "read-only version" at the top of the Main Menu screen, and you will not be able to save any changes that you make to the data. Although you will be able to change the data onscreen, there will not be a **Save** button available to allow you to commit those changes.

You can print a copy of your final submission by clicking on **Print Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Print Preview Menu screen. This screen allows you to select all or part of the data you have entered to view and print. Alternatively, you can download a copy of your submission by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Download Menu screen. This screen allows you to select data you have entered to download into a Microsoft Excel spreadsheet.

Additional Help

Each screen has screen-specific definitions and other helpful information that can be accessed by clicking on **Help with this screen** on the left side of the screen. A new window will pop up that contains help for that screen. You can print the Help window by clicking on **Print** in the top right corner of the window. Close the Help window by clicking on **Close This Window** in the top right corner of the window. If you do not immediately return to your data entry screen, click on your browser's **Back** button.

To print the NoyceWeb instructions, click on **Help & Instructions** on the left side of the Main Menu screen. Select "Print" from your browser's File dropdown list. To return to the Main Menu screen, click on the **Main menu** button on the left side of the screen.

You can contact us by e-mail for additional help. Questions e-mailed to support@noyceweb.org will be answered promptly by Noyce Technical Support. Noyce Technical Support is also available by calling (800) 665-8961.

Frequently Asked Questions

Which Web browser should I use?

We have attempted to make the Noyce Annual Survey accessible to a variety of equipment and software. Using the latest version of Microsoft (MS) Internet Explorer may provide the best results. The latest versions of Mozilla Firefox, Safari, and Chrome may also be used. Overall, these pages will look best if you use an up-to-date Web browser. If your browser is more than 6 months old, some pages may not display properly, and some features may not work. Current versions of many browsers are available free online.

What do I do if I forget my grant number or password? How do I change my password?

If you have forgotten your password or need to reset it, please use the Create/Reset password tab on the Noyce Login Page. Submit your Grant Number and e-mail address, and we will send you instructions for creating/resetting your password. If you don't have your Grant Number, please contact Noyce Technical Support at support@noyceweb.org or call (800) 665-8961. When creating the password, please keep in mind that each award only has one password which must be shared amongst all who will be accessing the award.

NOTE: The Create/Reset password feature will work only if your e-mail address is on file in our database. This feature can be used by either the PI or respondent.

Some sections of the survey have data preloaded for me. Do I have to make changes to those sections?

Noyce Technical Support preloads survey data that were entered in the previous year's data collection in order to save you time and provide a historical record of Noyce award data. These sections should be reviewed to ensure that the information is accurate; corrections should be made to any data that are inaccurate. Be sure to save each section after reviewing it, regardless of whether any corrections were made.

What is the reporting period for the survey?

The reporting period (which follows the format September 1, 20XX–August 31, 20XY) can be found on the top left side of each survey screen, under the title "NSF Noyce Annual Survey." The reporting period for the current (2016) collection cycle is September 1, 2015–August 31, 2016.

NOTE: If a Noyce scholarship/stipend is awarded over multiple periods, report only the amount awarded for the current reporting period. Additional amounts should be reported in the previous or upcoming reporting periods, as appropriate.

I'm receiving a Please Review (⚠) status icon asking me to review and/or correct data. What should I do?

The Please Review icon will not prevent you from sending your final submission to NSF. It indicates that you may have a trend error or are missing data in a field for which completion is requested (rather than required).

If possible, please update the field that contains this warning. Occasionally the Please Review icon will remain onscreen for trend-monitoring purposes even after you have updated and saved your data.

How do I find out which sections are missing data and preventing me from sending my final submission to NSF?

Incomplete sections will be marked with ✗ or ☐ . Additionally, if you click on the **Send Authorized Final Submission to NSF** link, a list will appear that identifies the incomplete required sections.

What if I do not have required information?

The survey cannot be completed without providing the required information. If you do not have some of the required data, contact Noyce Technical Support for assistance at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Noyce Required Information".

The body of the message should include:

- Grant number
- Required information that you are unable to complete
- Reason that this information is unavailable.

A Noyce Technical Support staff member will respond to your e-mail message.

How do I delete recipients who were carried over from previous surveys?

Recipients carried over from previous cycles cannot be deleted. NSF wants a complete historical record of all recipients involved in the Noyce award. In the cycle after a recipient has completed their teaching requirements, a green check mark will appear next to their name (✓) signaling no new information needs to be updated during the current cycle.

How do I delete recipients in this year's survey?

Recipients who were added during the current reporting cycle can be deleted by selecting the name of the recipient, scrolling to the bottom of the page, and clicking the **Delete** button. Only recipients added during the current cycle can be deleted. If there is an issue with a recipient added during a previous cycle, please contact Noyce Technical Support at support@noyceweb.org.

NOTE: This must be done before final submission. If you want to delete a recipient after final submission, please contact Noyce Technical Support at support@noyceweb.org.

What if I do not have all the data needed to finish the survey in one session?

Enter as much information as you can for each screen. At the bottom of each screen, click on the **Save** button, then scroll to the top of each screen and click on the **Fix Later** button. This will save your data so that you can return to update the data later.

How do I request an extension?

All efforts should be made to submit your data by the deadline. If you need more time to complete your survey, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Noyce Extension Request".

The body of the message should include:

- Grant number
- Date by which you expect to complete the survey
- Reason for the extension request

A Noyce Technical Support staff member will respond to your e-mail message, indicating whether your extension has been approved by NSF.

How do I get a hardcopy of my data?

To print a copy of the data you entered, click on **Print Data Entered to Date** on the left side of the Main Menu screen. This opens the Print Preview Menu screen, where you can select all or part of the data you have entered to view and print.

A copy of your submission in spreadsheet format can also be generated by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen. This opens the Download Menu screen, where you can select data you have entered and download them to an MS Excel file.

I have feedback on the survey. Where do I enter my comments?

NSF appreciates your comments and feedback. Click on **Add Comments/Feedback** on the left side of the Main Menu screen to submit your comments about the survey. Select the survey section that best matches the subject of your comments from the dropdown list, enter your comments in the text box, and click on the **Save** button. You may enter as many comments as you want.

I have submitted information and now am unable to change it. Why?

Once your final submission is sent to NSF, the data entry screens become read-only and further data entry is prevented. If data needs to be updated after the final submission, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Reset Submission Status".

In the body of the message include:

- Grant number
- Reason for the request

A Noyce Technical Support staff member will respond to your e-mail message.

For the baseline and current reporting year data on the Post-Secondary Institutions screen, should I just report participants in the Noyce program?

No. For the number of Science, Technology, Engineering, and Mathematics (STEM) majors who graduated and had prepared to become K–12 mathematics and science teachers, you should include all such majors at your institution and not just those participating in the Noyce program. If institution-wide data are not available, you may report just on those disciplines on which your award is focusing (if those are the only data available).

For the number of STEM post-baccalaureates who completed the teacher preparation program and had prepared to become K–12 mathematics and science teachers, you should report all such post-baccalaureates at your institution and not just those participating in the Noyce program. Likewise, for the number of STEM career changers who completed the teacher preparation program and had prepared to become K–12 mathematics and science teachers, you should report all such career changers at your institution and not just those participating in the Noyce program.

What is the difference between career changers and post-baccalaureates?

Career changers (post-baccalaureates who are moving into teaching in STEM fields from another occupation) represent a subset of all post-baccalaureates. On the Post-Secondary Institutions screen, the number of STEM career changers who completed the teacher preparation program and had prepared to become K–12 mathematics and science teachers should be less than or equal to the number of STEM post-baccalaureates who completed the teacher preparation program and had prepared to become K–12 mathematics and science teachers.

What is the main distinction between a Noyce scholarship recipient and a Noyce stipend recipient?

The main distinction between a scholarship recipient and a stipend recipient, for the purposes of the Noyce survey, is that a scholarship recipient initially receives/uses funding as an undergraduate student (junior or senior) who does not already hold a baccalaureate, master's, or doctoral degree. A stipend recipient initially receives/uses funding as a post-baccalaureate.

When an individual returns to an undergraduate program as a post-baccalaureate, whether because he or she holds a non-STEM degree or a degree in a STEM discipline different from the one(s) he or she plans to teach in, the individual should be reported as a stipend recipient and not as a scholarship recipient. Stipend recipients are only eligible for 1 year of support (up to the cost of 1 year of attendance).

An individual with an associate's degree would enter a 4-year institution as a junior and should be classified as a scholarship recipient.

If an individual initially receives/uses Noyce funding as an undergraduate student (junior or senior) and is reported as a scholarship recipient and continues to receive/use funding as a post-baccalaureate, should I enter a second record for this individual as a stipend recipient?

No. There should be only one record for any given individual. If a support recipient is first reported as a scholarship recipient, then he or she should remain in the system as a scholarship recipient, and all support received should be recorded under this record where it is classified as "scholarship" support, regardless of whether the institution itself calls it a scholarship or a stipend.

What kind of teaching counts toward meeting the Noyce teaching requirements?

To count towards the teaching requirement, the recipient needs to be certified/licensed full-time, full-responsibility teaching in a high-need school district. If the recipient is not certified and/or does not have full teaching responsibility, then the teaching does not count toward meeting the teaching requirement.

If a recipient is certified/licensed, and is substitute teaching full-time in a high-need school district while seeking a full-time regular teaching position, then the substitute teaching experience counts towards meeting the recipient's teaching requirements. If the substitute teaching is only occasional (e.g. a few days a week), then substitute teaching experience does not count towards meeting the recipient's teaching requirements.

When should I answer Yes to the question: "Did the Noyce support recipient leave the Noyce program without completing the teacher preparation program at your institution or obtaining certification or licensure"?

Only answer Yes if the recipient permanently left the program (i.e., dropped out with no intention to return). If the recipient left the program temporarily (e.g., for medical reasons) and intends to return to complete the program, please answer No.

If the recipient left the teacher preparation program at your institution but completed/intends to complete the program at another institution, please answer Yes.

If the recipient left the Noyce program (e.g., does not want to fulfill the teaching requirements and returned the funding) but remained in your institution's teacher preparation program, please answer Yes.

I noticed that data entered in a previous cycle was incorrect and there is no way to make changes. How can I correct this information?

All past data is viewable as read-only. To request a change be made to past data, please send a message to Noyce Technical Support at support@noyceweb.org.

The subject of the message should read "Past Data Correction".

The body of the message should include:

- Grant number
- Reporting period in which the data was originally entered
- Data that is incorrect
- Correct information that should be entered

A Noyce Technical Support staff member will respond to your e-mail message.

When I add a new district into the School District section, I receive an error saying this is a duplicate district. I don't see the district on the page. How do I resolve the duplicate error message?

Please contact Noyce Technical Support at support@noyceweb.org to resolve this issue. The subject of the message should read "School District Error".

The body of the message should include:

- Grant Number
- Duplicate school district.

A Noyce Technical Support staff member will respond to your e-mail message.

OMB #3145-0226
Noyce Program
Expires: April 30, 2019

Glossary

Career changer

A post-baccalaureate who is moving into teaching in the fields of science, technology, engineering, or mathematics (STEM) from another occupation

Cumulative grade point average (GPA)

The average grade earned by a student, calculated by dividing the grade points earned in all courses taken by the total number of credits taken

Disability

A physical or mental impairment that substantially limits one or more major life activities

Early field experiences

Opportunities for preservice teachers to work with K–12 students, teachers, and curriculums in K–12 schools prior to formal student teaching placements

Ethnicity

A classification indicating general ethnic heritage based on self-identification, as in data collected by the U.S. Census Bureau. These categories are in accordance with the Office of Management and Budget standard classification scheme presented below:

- **Hispanic or Latino:** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race
- **Not Hispanic or Latino:** A person whose ethnicity is not Hispanic or Latino
- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Faculty members involved in the project

Any faculty member who participated in the development and implementation of the project through activities such as serving on the leadership team, recruiting and/or selecting Noyce support recipients, teaching courses in which Noyce support recipients are enrolled (STEM courses and any other courses that are required for the teacher preparation program), and mentoring and/or monitoring Noyce support recipients

High-need school district criteria

To be considered high need, a school district must have one or more schools that meet at least one of the following criteria:

- Has a high percentage of individuals from families with incomes below the poverty line
- Has a high percentage of secondary school teachers not teaching in the content area in which the teachers were trained to teach
- Has a high teacher turnover rate

Intern

An undergraduate student (freshman or sophomore) who participated in a Noyce summer internship

Mentoring

When an individual serves as a student's counselor or advisor, especially in a direct, one-on-one setting

Peer tutoring

Individualized instruction or training given to a student by an individual of comparable academic status or rank

Post-scholarship/stipend recipient

An individual who received a Noyce scholarship or stipend prior to the current reporting period and for whom Noyce support has now ended

Post-secondary institution

An educational institution (e.g., college, university, vocational school) that serves students who have completed a secondary education (e.g., high school) or its equivalent (e.g., a GED program)

Preloaded data

Survey data from the previous year's data collection that are automatically included in the current year's survey in order to save survey respondents time and provide a historical record of the Noyce award data. Respondents should review sections with preloaded data to ensure that the information is accurate; corrections should be made to any data that are inaccurate. Each section with preloaded data should be saved after review, regardless of whether any corrections were made.

Programmatic activities

Activities conducted by the institution (e.g., mentoring, peer tutoring) intended to maximize students' chances of successful program outcomes

Race

A classification indicating general racial or ethnic heritage based on self-identification. The following descriptions should be used:

- **American Indian or Alaska Native:** A person having origins in any of the original peoples of North or South America (including Central America), and who maintains tribal affiliation or community attachment
- **Asian:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam
- **Black or African American:** A person having origins in any of the black racial groups of Africa
- **Native Hawaiian or Other Pacific Islander:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands
- **White:** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa
- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Reporting period

The reporting period is from September 1 of one year through August 31 of the next year. The reporting period can be found on the top left side of each screen under the title "NSF Noyce Annual Survey."

Scholarship applicant

An individual who has applied for Noyce funding for the upcoming reporting period who will meet the definition for a scholarship recipient (see below) when he or she begins receiving the Noyce funding

Scholarship recipient

An individual who:

- First began receiving Noyce funding as an undergraduate student (junior or senior) majoring in a STEM discipline and does not already hold a baccalaureate, master's, or doctoral degree;
- Is enrolled in a teacher preparation program; and
- Has received Noyce funding during the current reporting period.

STEM

Science, technology, engineering, and mathematics

Stipend applicant

An individual who has applied for Noyce funding for the upcoming reporting period who will meet the definition for a stipend recipient (see below) when he or she begins receiving the Noyce funding

Stipend recipient

An individual who:

- First began receiving Noyce funding as a post-baccalaureate (i.e., someone already holding a baccalaureate, master's, or doctoral degree);
- Is enrolled in a teacher preparation or teacher certification program; and
- Has received Noyce funding during the current reporting period.

This includes career changers.

Year
-- Choose one ▼

Major (Mark all that apply)
☐ Biological Sciences
☐ Chemistry
☐ Computer Science
☐ Engineering
☐ Geosciences/Environmental Sciences
☐ Mathematics
☐ Physical Sciences
☐ Physics
☐ Other (Please specify): _____

∞ **Did this recipient participate in a Noyce summer internship as a freshman and/or sophomore?** (Choose one)
○ Yes ○ No

∞ **Cumulative GPA** when selected for the Noyce scholarship

∞ **Did the Noyce scholarship recipient transfer from a community college?**
-- Choose one ▼

∞ **If so, provide the name of the community college.**

Activities the recipient participated in during the current reporting period (September 1, 2015–August 31, 2016) (Mark all that apply)

- ☐ Mentoring
- ☐ Early field experiences
- ☐ Peer tutoring
- ☐ Student teaching
- ☐ Other (Please specify): _____
- ☐ None

Level of Noyce scholarship support (dollar amount) during the current reporting period (September 1, 2015–August 31, 2016)

$ _____

Number of academic terms of Noyce scholarship support received during the current reporting period (September 1, 2015–August 31, 2016). (Note that summer is counted as a term.)

-- Choose one ▼

∞ **Did the Noyce scholarship support end as of the end of the current reporting period? (September 1, 2015–August 31, 2016)** [1]

-- Choose one ▼

∞ **During the current reporting period (September 1, 2015–August 31, 2016) did the Noyce scholarship recipient leave the Noyce program at your institution without completing the teacher preparation program at your institution or obtaining certification/licensure?** [2]

-- Choose one ▼

∞ **If yes, why?**

-- Choose one ▼

Please specify the reason if Other is selected above.

_____

∞ **If yes, what amount of the Noyce scholarship funding is the recipient required to repay?**

$ _____

Intended level of teaching, if applicable

-- Choose one ▼

Intended subject areas/disciplines of teaching, if applicable (Mark all that apply)

All teaching-related questions pertain to full-time, full-responsibility teaching by certified/licensed individuals in a high-need school district in fulfillment of the teaching requirements. Teaching that does not count toward meeting the teaching requirements (e.g., student teaching) is excluded.

Had the Noyce support recipient begun full-time, full-responsibility teaching in a high-need school district in fulfillment of the teaching requirements as of the current reporting period? (September 1, 2015–August 31, 2016)

-- Choose one ▼

Which of the following best describes the status for this Noyce support recipient as of the end of the current reporting period? (September 1, 2015–August 31, 2016) [3]

○ Still completing coursework and/or requirements for teacher certification/licensure
○ Has not met teaching requirements but taught in a high-need school district during the current reporting period
○ Has not met teaching requirements and did not teach in a high-need school district during the current reporting period
○ Has met the teaching requirements
○ Does not intend to meet the teaching requirements
○ Other (Please specify): [   ]

If the recipient does not intend to meet the teaching requirements, what amount of the Noyce scholarship funding is the recipient required to repay?

$[   ]

You should answer the rest of the questions on this screen only if the Noyce support recipient taught in a high-need school district during the current reporting period (September 1, 2015–August 31, 2016) in fulfillment of the teaching requirements.

[Save] [Cancel]

1 - If you answer Yes, the scholarship recipient will be moved to the Post-Scholarship/Stipend Follow-Up section for the next data collection cycle. You should only answer Yes when the recipient will no longer be receiving a scholarship associated with the preservice program. If the scholarship has ended, you should respond "yes" even if the recipient will continue to receive some funding for participating in activities associated with the Noyce program.

2 - Only answer Yes if the recipient permanently left the program (i.e., dropped out with no intention to return). If the recipient left the program temporarily (e.g., for medical reasons) and intends to return to complete the program, please answer No. If the recipient left the teacher preparation program at your institution but completed/intends to complete the program at another institution, please answer Yes. If the recipient left the Noyce program (e.g., does not want to fulfill the teaching requirements and returned the funding) but remained in your institution's teacher preparation program, please answer Yes.

3 - The Noyce program requires that funding recipients complete 2 years of service as a mathematics or science teacher in a high-need school district for every year of funding received.

For pre-2008 awards: Scholarship recipients must complete this service within **6** years of graduation from the program for which the scholarship was awarded. Stipend recipients must complete this service within **6** years of graduation or completion of the program for which the stipend was awarded.

For 2008 awards onward: Scholarship recipients must complete this service within **8** years of graduation from the program for which the scholarship was awarded. Stipend recipients must complete this service within **4** years of graduation or completion of the program for which the stipend was awarded.

Final Data Are Ready To Submit

You have chosen to notify NSF that your data are final. Are you sure that you are ready to finalize the data for this reporting year? After submission, NoyceWeb will display a read-only version of your data. You will be able to view your final data but not update them.

To submit your final data, click on **Send Final Submission** below. Click on **Cancel** to return to the Main Menu screen without submitting your data.

If you click on **Cancel** your data will be saved and you will still be able to add or revise data. If you are confident that you have finished reporting your data, answer the burden question below and click on **Send Final Submission**.

Approximately how many person-hours were required to complete the Noyce online survey?

[   ]

I certify that all of the information that I entered in this annual survey is correct to the best of my knowledge.

[Send Final Submission]   [Cancel]

Noyce Monitoring System Screenshots: Track 2 – Teaching Fellowship Survey

Note: Screenshots may include test data to demonstrate full system functionality. Test data does not include actual PII.

Welcome

Welcome to NoyceWeb, the online data reporting system for the Robert Noyce Teacher Scholarship Program, authorized under the National Science Foundation Authorization Act of 2002 (P.L. 107-368). NoyceWeb allows you to provide the National Science Foundation (NSF) with reliable annual data. To enter NoyceWeb, please enter your NSF grant number and password in the boxes below and click on **Login**.

Grant Number [   ]

Password [   ] [Login]

Password trouble?

Notice: The system is closed for maintenance every first Sunday between 7 a.m. and 10 a.m. eastern time. The system will log you out after one hour of inactivity. You must re-enter your login credential to enter the system again.

DID YOU FORGET YOUR GRANT NUMBER OR PASSWORD?

Enter your e-mail address below and click on **Submit**. We will send your grant number and password to you.

E-mail [   ] [Submit]

This feature is available only if you have previously logged in to NoyceWeb and provided us with your e-mail address. If you did not receive any login information or have not yet provided us with your e-mail address, please e-mail us or call toll free at (800) 665-8961.

SURVEY PRIVACY

The Federal Government has a continuing commitment to monitor its awards to identify and address any inequities based on gender, race, ethnicity, or disability of the principal investigators/co-principal investigators, support recipients, or other participants.

Information from this data collection system will be retained by NSF, a Federal agency, and will be an integral part of its Privacy Act System of Records in accordance with the Privacy Act of 1974 and maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998). All individually identifiable information supplied by individuals or institutions to a Federal agency may be used only for the purposes outlined in the system of records notice and may not be disclosed or used in identifiable form for any other purpose, unless otherwise compelled by law. These are confidential files accessible only to appropriate NSF officials, their staffs, and their contractors responsible for monitoring, assessing, and evaluating NSF programs. Only data in highly aggregated form or data explicitly requested "for general use" will be made available to anyone outside of NSF for research purposes. Data submitted will be used in accordance with criteria established by NSF for monitoring research and education grants and in response to Public Law 99-383 and 42 USC 1885c. Date of birth will be maintained in accordance with the requirements of the Privacy Act of 1974.

NSF Privacy Policy

PUBLIC BURDEN

Submission of the requested information is voluntary. Failure to provide full and complete information, however, may reduce the possibility for continuing support through the award/project subject to this survey. Pursuant to 5 CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3145-0136. The public reporting burden for this collection of information is estimated to average 14 hours per award, including the time for reviewing instructions. Each principal investigator's average reporting burden is 14 hours. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Suzanne Plimpton, Reports Clearance Officer for OMB Collection 3145-0136 (Noyce Program), Facilities and Operations Branch, Division of Administrative Services, National Science Foundation, 4201 Wilson Blvd., Suite 295, Arlington, VA 22230.

Welcome to the National Science Foundation's (NSF) Noyce Annual Survey. This survey contains short lists of questions on each of the topics below. **Please complete the sections in order.** The icon beside each link will help you track your progress and alert you to potential problems as you move through the topics. If you have questions that are not addressed in the Help & Instructions, please contact us.

Getting Started

Your reporting period is September 1, 2015, through August 31, 2016.

Please complete the sections in the order listed. To begin data entry, follow these steps:

1. From the Main Menu screen, access the first survey section by clicking on the name of the section. Please review each item with a ✖ , ⚠ , or ☐ .
2. Review and add to or correct (if necessary) the information found on the selected data entry screen. Click on the **Save** button at the bottom of the screen to save the screen and return to the Main Menu screen. Click on the **Cancel** button to return to the Main Menu screen without saving any data.
3. After you save your data, check the status icon displayed on the Main Menu screen for that data entry screen. A ✖ indicates that you must correct the record before submission. A ⚠ indicates a record with incomplete preferred fields; i.e., the record can be submitted as is, but we prefer that you review it and, if possible, complete any fields marked with a ⚠ . A ✔ indicates a record that is ready for submission. You may make any needed changes or additions right away or return to the question later.
4. Repeat the steps outlined above for each section of the survey.
5. Once you have answered all the questions, you will need to finish the survey by sending your authorized final submission to NSF. Click on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen to access the Final Submission screen and then click on the **Send Final Submission** button. If you do not want to send your final submission, click on **Cancel**.
6. After you have sent your final submission, your data will appear in the system as read-only. This means that you will still be able to view and print your submission, but you will not be able to alter the data. To generate a printed copy of your submission from the read-only version, click on **Print Data Entered to Date** on the left side of the Main Menu screen and follow the instructions on the Print Preview Menu screen. A spreadsheet copy of your submission can also be generated from the read-only version by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen.

Understanding the Status Icons

Status icons indicate the submission status of each section and show where the system has found problems or potential problems with the data you have entered.

The icon colors mimic a traffic light and indicate the submission status of each section and item as follows:

The Please Correct icon (✖) indicates that you must correct the record before you submit your data.

The Please Review icon (⚠) indicates a record that we would like you to review and complete, if possible, before submitting your data; however, completion is not required before you submit your data.

The OK icon (✔) indicates a record that is ready for submission; i.e., no changes are required prior to submitting your data.

The Please Complete icon (☐) indicates a record for which no data have been entered.

Saving Data and Returning to the Survey

The system is designed to allow you to work on an entry, save your work, leave the system, and return later to continue where you left off. You can continue to return to the system and make any necessary revisions and updates until you send your authorized final submission to NSF by clicking on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen. As noted elsewhere, sending your final submission to NSF will complete your survey submission and lock your data. After final submission, you may return to this site as often as you like to view the read-only version of your data, but you will not be able to alter the data.

Each time you click on the **Save** button, your data are transferred to NSF and stored in a computer system there, not on your hard drive. You can access your data at any time using NoyceWeb.

Leaving a Field Blank

You can intentionally leave a field blank if you think that the field does not apply to your award or that the best answer is to leave it blank. If the answer to the question is zero (0), please enter a "0" rather than leave the field blank. If a Please Review icon (⚠) is displayed because a field is blank and if your record has no errors, you will still be able to send your authorized final submission to NSF. This icon appears when we would like you to review preferred fields, but it will not prevent or delay final submission.

If a Please Correct icon (❌) is displayed next to a field that you have left blank, it means that the field is required and must be completed before final submission can occur.

Final Submission

When you successfully complete your authorized final submission, the Final Submission Complete screen will display to acknowledge your success. From that point forward your access to NoyceWeb will be read-only. You will see the words "read-only version" at the top of the Main Menu screen, and you will not be able to save any changes that you make to the data. Although you will be able to change the data onscreen, there will not be a **Save** button available to allow you to commit those changes.

You can print a copy of your final submission by clicking on **Print Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Print Preview Menu screen. This screen allows you to select all or part of the data you have entered to view and print. Alternatively, you can download a copy of your submission by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Download Menu screen. This screen allows you to select data you have entered to download into a Microsoft Excel spreadsheet.

Additional Help

Each screen has screen-specific definitions and other helpful information that can be accessed by clicking on **Help with this screen** on the left side of the screen. A new window will pop up that contains help for that screen. You can print the Help window by clicking on **Print** in the top right corner of the window. Close the Help window by clicking on **Close This Window** in the top right corner of the window. If you do not immediately return to your data entry screen, click on your browser's **Back** button.

To print the NoyceWeb instructions, click on **Help & Instructions** on the left side of the Main Menu screen. Select "Print" from your browser's File dropdown list. To return to the Main Menu screen, click on the **Main menu** button on the left side of the screen.

You can contact us by e-mail for additional help. Questions e-mailed to support@noyceweb.org will be answered promptly by Noyce Technical Support. Noyce Technical Support is also available by calling (800) 665-8961.

Frequently Asked Questions

Which Web browser should I use?

We have attempted to make the Noyce Annual Survey accessible to a variety of equipment and software. Using the latest version of Microsoft Internet Explorer may provide the best results. The latest versions of Mozilla Firefox, Safari, and Chrome may also be used. Overall, these pages will look best if you use an up-to-date Web browser. If your browser is more than 6 months old, some pages may not display properly, and some features may not work. Current versions of many browsers are available free online.

What do I do if I forget my grant number or password? How do I change my password?

If you have forgotten your password or need to reset it, please use the Create/Reset password tab on the Noyce Login Page. Submit your Grant Number and e-mail address, and we will send you instructions for creating/resetting your password. If you don't have your Grant Number, please contact Noyce Technical Support at support@noyceweb.org or call (800) 665-8961. When creating the password, please keep in mind that each award only has one password which must be shared amongst all who will be accessing the award.

NOTE: The Create/Reset password feature will work only if your e-mail address is on file in our database. This feature can be used by either the PI or respondent.

Some sections of the survey have data preloaded for me. Do I have to make changes to those sections?

Noyce Technical Support preloads survey data that were entered in the previous year's data collection in order to save you time and provide a historical record of Noyce award data. These sections should be reviewed to ensure that the information is accurate; corrections should be made to any data that are inaccurate. Be sure to save each section after reviewing it, regardless of whether any corrections were made.

What is the reporting period for the survey?

The reporting period (which will follow the format September 1, 20XX–August 31, 20XY) can be found on the top left side of each survey screen, under the title "NSF Noyce Annual Survey." The reporting period for the current (2016) collection cycle is September 1, 2015–August 31, 2016.

NOTE: If a Noyce Teaching Fellowship/Master Teaching Fellowship is awarded over multiple periods, report only the amount awarded for the current reporting period. Additional amounts should be reported in the previous or upcoming reporting periods, as appropriate.

I'm receiving a Please Review (⚠) status icon asking me to review and/or correct data. What should I do?

The Please Review icon will not prevent you from sending your final submission to NSF. It indicates that you may have a trend error or are missing data in a field for which completion is requested (rather than required).

If possible, please update the field that contains this warning. Occasionally the Please Review icon will remain onscreen for trend-monitoring purposes even after you have updated and saved your data.

How do I find out which sections are missing data and preventing me from sending my final submission to NSF?

Incomplete sections will be marked with ❌ or ☐ . Additionally, if you click on the **Send Authorized Final Submission to NSF** link, a list will appear that identifies the incomplete required sections.

What if I do not have required information?

The survey cannot be completed without providing the required information. If you do not have some of the required data, contact Noyce Technical Support for assistance at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Noyce Required Information".

The body of the message should include:

- Grant number
- Required information that you are unable to complete
- Reason that this information is unavailable.

A Noyce Technical Support staff member will respond to your e-mail message.

How do I delete recipients who were carried over from previous surveys?

Recipients carried over from previous cycles cannot be deleted. NSF wants a complete historical record of all recipients involved in the Noyce award. In the cycle after a recipient has completed their teaching requirements, a green check mark will appear next to their name (✅) signaling no new information needs to be updated during the current cycle.

How do I delete recipients in this year's survey?

Recipients who were added during the current reporting cycle can be deleted by selecting the name of the recipient, scrolling to the bottom of the page, and clicking the **Delete** button. Only recipients added during the current cycle can be deleted. If there is an issue with a recipient added during a previous cycle, please contact Noyce Technical Support at support@noyceweb.org.

NOTE: This must be done before final submission. If you want to delete a recipient after final submission, please contact Noyce Technical Support at support@noyceweb.org.

What if I do not have all the data needed to finish the survey in one session?

Enter as much information as you can for each screen. At the bottom of each screen, click on the **Save** button, then scroll to the top of each screen and click on the **Fix Later** button. This will save your data so that you can update them at a later time.

How do I request an extension?

All efforts should be made to submit your data by the deadline. If you need more time to complete your survey, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Noyce Extension Request".

The body of the message should include:

- Grant number
- Date by which you expect to complete the survey
- Reason for the extension request

A Noyce Technical Support staff member will respond to your e-mail message, indicating whether your extension has been approved by NSF.

How do I get a hardcopy of my data?

To print a copy of the data you entered, click on **Print Data Entered to Date** on the left side of the Main Menu screen. This opens the Print Preview Menu screen, where you can select all or part of the data you have entered to view and print.

A copy of your submission in spreadsheet format can also be generated by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen. This opens the Download Menu screen, where you can select data you have entered and download them to an MS Excel file.

I have feedback on the survey. Where do I enter my comments?

NSF appreciates your comments and feedback. Click on **Add Comments/Feedback** on the left side of the Main Menu screen to submit your comments about the survey. Select the survey section that best matches the subject of your comments from the dropdown list, enter your comments in the text box, and click on the **Save** button. You may enter as many comments as you want.

I have submitted information and now am unable to change it. Why?

Once your final submission is sent to NSF, the data entry screens become read-only and further data entry is prevented. If data needs to be updated after the final submission, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Reset Submission Status".

In the body of the message include:

- Grant number
- Reason for the request

A Noyce Technical Support staff member will respond to your e-mail message.

For the baseline and current reporting year data on the Post-Secondary Institutions screen, should I just report participants in the Noyce program?

No. For the number of Science, Technology, Engineering, and Mathematics (STEM) professionals (career changers) and STEM post-baccalaureates who completed a master's degree program and had prepared to become K-12 mathematics and science teachers, you may report just on those disciplines on which your award is focusing (if those are the only data available), but you should include all such majors at your institution and not just those participating in the Noyce program. These data are only applicable to projects with a Teaching Fellowship component (pre-service teachers).

What is the difference between career changers and post-baccalaureates?

Career changers (post-baccalaureates who are moving into teaching in the fields of science, technology, engineering, or mathematics from another occupation) represent a subset of all post-baccalaureates.

What is the main distinction between a Noyce Teaching Fellowship recipient and a Noyce Master Teaching Fellowship recipient?

The main distinction between a Teaching Fellowship recipient and a Master Teaching Fellowship recipient for the purposes of the Noyce survey is that a Teaching Fellowship recipient initially receives funding to complete a master's degree program leading to teacher certification/licensure and does not already hold a teaching certificate/license and has not taught previously while a Master Teaching Fellowship recipient is already a certified/licensed mathematics or science teacher.

What kind of teaching counts toward meeting the Noyce teaching requirements?

To count towards the teaching requirement, the recipient needs to be certified/licensed full-time, full-responsibility teaching in a high-need school district. If the recipient is not certified and/or does not have full teaching responsibility, then the teaching does not count toward meeting the teaching requirement.

If a recipient is certified/licensed, and is substitute teaching full-time in a high-need school district while seeking a full-time regular teaching position, then the substitute teaching experience counts toward meeting the recipient's teaching requirements. If the substitute teaching is only occasional (e.g. a few days a week), then substitute teaching experience does not count towards meeting the recipient's teaching requirements.

When should I answer Yes to the questions about leaving the NSF Teaching Fellowship program?

Only answer Yes if the recipient permanently left the program (i.e., dropped out with no intention to return). If the recipient left the program temporarily (e.g., for medical reasons) and intends to return to complete the program, please answer No.

If the answer to these questions is Yes, then you must provide the amount of the NSF Teaching Fellowship funding that the recipient is required to repay.

I noticed that data entered in a previous cycle was incorrect and there is no way to make changes. How can I correct this information?

All past data is viewable as read-only. To request a change be made to past data, please send a message to Noyce Technical Support at support@noyceweb.org.

The subject of the message should read "Past Data Correction".

The body of the message should include:

- Grant number
- Reporting period in which the data was originally entered
- Data that is incorrect
- Correct information that should be entered

A Noyce Technical Support staff member will respond to your e-mail message.

When I add a new district into the School District section, I receive an error saying this is a duplicate district. I don't see the district on the page. How do I resolve the duplicate error message?

Please contact Noyce Technical Support at support@noyceweb.org to resolve this issue. The subject of the message should read "School District Error".

The body of the message should include:

- Grant Number
- Duplicate school district.

A Noyce Technical Support staff member will respond to your e-mail message.

STEM Disciplines

Survey last modified:
November 30, 2016

OMB #3145-0226
Noyce Program
Expires: April 30, 2019

Glossary

Career changer

A post-baccalaureate who is moving into teaching in the fields of science, technology, engineering, or mathematics (STEM) from another occupation

Clinical experience

Supervised, extended classroom experiences with K-12 students, including student teaching experience

Cumulative grade point average (GPA)

The average grade earned by a student, calculated by dividing the grade points earned in all courses taken by the total number of credits taken

Disability

A physical or mental impairment that substantially limits one or more major life activities

Early field experiences

Opportunities for preservice teachers to work with K-12 students, teachers, Master Teachers, and curriculum in K-12 schools prior to formal student teaching placements

Ethnicity

A classification indicating general ethnic heritage based on self-identification, as in data collected by the U.S. Census Bureau. These categories are in accordance with the Office of Management and Budget standard classification scheme presented below:

- **Hispanic or Latino:** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race

- **Not Hispanic or Latino:** A person whose ethnicity is not Hispanic or Latino

- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Faculty members involved in the project

Any faculty member who participated in the development and implementation of the project through activities such as serving on the leadership team, recruiting and/or selecting NSF Teaching Fellowship/Master Teaching Fellowship recipients, teaching courses in which NSF Teaching Fellowship/Master Teaching Fellowship recipients are enrolled (STEM courses and any other courses that are required for the teacher preparation program), and mentoring and/or monitoring NSF Teaching Fellowship/Master Teaching Fellowship recipients

High-need school district criteria

To be considered high need, a school district must have one or more schools that meet at least one of the following criteria:

- Has a high percentage of individuals from families with incomes below the poverty line

- Has a high percentage of secondary school teachers not teaching in the content area in which the teachers were trained to teach

- Has a high teacher turnover rate

Leadership opportunities

Activities undertaken by novice or experienced teachers at their school or local education agency such as serving as a mentor, participating in curriculum development, assisting in the planning and implementation of professional development experiences, and participating in preservice teacher education

Mentoring

When an individual serves as a student's counselor or advisor, especially in a direct, one-on-one setting

NSF teaching fellowship applicant

An individual who has applied for the NSF Teaching Fellowship during the current reporting period

NSF teaching fellowship recipient

An individual who:

- Does not already hold a teaching certificate/license and has not taught previously;

- Is enrolled in a master's degree program leading to teacher certification/licensure; and

- Has received Noyce funding during the current reporting period.

Peer tutoring

Individualized instruction or training given to a student by an individual of comparable academic status or rank

Post-secondary institution

An educational institution (e.g., college, university, vocational school) that serves students who have completed a secondary education (e.g., high school) or its equivalent (e.g., a GED program)

Professional development

Structured opportunities for novice teachers (induction) or experienced teachers to improve their subject matter understanding and teaching abilities

Programmatic activities

Activities conducted by the institution (e.g., mentoring, peer tutoring) intended to maximize students' chances of successful program outcomes

Race

A classification indicating general racial or ethnic heritage based on self-identification. The following descriptions should be used:

- **American Indian or Alaska Native:** A person having origins in any of the original peoples of North or South America (including Central America), and who maintains tribal affiliation or community attachment

- **Asian:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam

- **Black or African American:** A person having origins in any of the black racial groups of Africa

- **Native Hawaiian or Other Pacific Islander:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands

- **White:** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa

- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Reporting period

The reporting period is from September 1 of one year through August 31 of the next year. The reporting period can be found on the top left side of each screen under the title "NSF Noyce Annual Survey."

Research

Systematic investigation to improve understanding within a teacher's STEM discipline or area of education, including pedagogy

Salary supplement

Monies received while the Teaching Fellowship/Master Teaching Fellowship recipient is fulfilling his or her teaching obligation. For Teaching Fellowship recipients, the salary supplement must be at least $10,000 per year for 4 years while the individual continues to teach in a high-need school district. For Master Teaching Fellowship recipients, the salary supplement must be at least $10,000 per year for 5 years while the individual continues to teach in a high-need school district.

STEM

Science, technology, engineering, and mathematics

Stipend

A one-year stipend of at least $10,000, not to exceed the cost of attendance, while the Teaching Fellowship recipient is enrolled in a master's degree program. Teaching Fellowship recipients enrolled part-time may receive a prorated stipend.

- [ ] Middle School Science
- [ ] Middle School Mathematics
- [ ] Middle School Mathematics and Science
- [ ] All subjects
- [ ] Other (Please specify): [_____]
- [ ] No subject listed on the certificate or license
- [ ] Unknown

All teaching-related questions pertain to full-time, full-responsibility teaching by certified/licensed individuals in a high-need school district in fulfillment of the teaching requirements. Teaching that does not count toward meeting the teaching requirements (e.g., student teaching) is excluded.

Has the NSF Teaching Fellowship recipient begun full-time, full-responsibility teaching in a high-need school district in fulfillment of the teaching requirements as of the current reporting period (September 1, 2010–August 31, 2011)?

[-- Choose one ▾]

If not, why?

- ( ) Taught in a school that is not in a high-need school district
- ( ) Still completing coursework and/or requirements for teacher certification/licensure
- ( ) Cannot find employment
- ( ) Dropped out before completing the teacher preparation program
- ( ) Unknown
- ( ) Other (Please specify): [_____]

Which of the following best describes the status of this NSF Teaching Fellowship recipient as of the end of the current reporting period?

- ( ) Still completing coursework and/or requirements for teacher certification/licensure
- ( ) Has not met teaching requirements but taught in a high-need school district during the current reporting period
- ( ) Has not met teaching requirements and did not teach in a high-need school district during the current reporting period
- ( ) Has met the teaching requirements
- ( ) Does not intend to meet the teaching requirements
- ( ) Other (Please specify): [_____]

If the recipient does not intend to meet the teaching requirements, what amount of the NSF Teaching Fellowship funding is the recipient required to repay?

$ [_____]

If the recipient does not intend to meet the teaching requirements, how much of the NSF Teaching Fellowship funding has the recipient repaid to date? (This should be the cumulative amount repaid through the end of the current reporting period.)

$ [_____]

The following data items are collected only for NSF Teaching Fellowship recipients who taught in a high-need school district during the current reporting period (September 1, 2010–August 31, 2011) in fulfillment of the teaching requirements.

School name

[_____]

School district

Verify Totals

Before sending your final submission to NSF please verify that the data displayed below are correct. If the data are not correct, please return to the Main Menu screen and make the necessary adjustments in the **Noyce Teaching Fellowship Recipients** or **Master Teaching Fellowship Recipients** sections.

Number of Noyce Teaching Fellowship recipients who received support for Master's degree/certification during the reporting period	0
Number of Noyce Teaching Fellowship recipients who received a salary supplement during the current reporting period	0
Total number of distinct Noyce Teaching Fellowship recipients who received a salary supplement as part of this award	0
Number of Noyce Teaching Fellowship recipients who completed the master's degree program during the current reporting period	0
Number of Noyce Teaching Fellowship recipients who obtained teacher certification/licensure during the current reporting period	0

☐ Please mark the checkbox to verify that the totals displayed above are correct.

The checkbox above must be marked in order to continue to step 2 of the final submission process.

Continue   Return to make corrections

Send Authorized Final Submission to NSF—Step 2 of 2

Final Data Are Ready To Submit

You have chosen to notify NSF that your data are final. Are you sure that you are ready to finalize the data for this reporting year? After submission, NoyceWeb will display a read-only version of your data. You will be able to view your final data but not update them.

To submit your final data, click on **Send Final Submission** below. Click on **Cancel** to return to the Main Menu screen without submitting your data.

If you click on **Cancel** your data will be saved and you will still be able to add or revise data. If you are confident that you have finished reporting your data click on **Send Final Submission**.

Approximately how many person-hours were required to complete the Noyce online survey?

[   ]

I certify that all of the information that I entered in this annual survey is correct to the best of my knowledge.

[Send Final Submission]   [Cancel]

Note: Screenshots may include test data to demonstrate full system functionality. Test data does not include actual PII.

Noyce Annual Survey

Welcome

Welcome to NoyceWeb, the online data reporting system for the Robert Noyce Teacher Scholarship Program, authorized under the National Science Foundation Authorization Act of 2002 (P.L. 107-368). NoyceWeb allows you to provide the National Science Foundation (NSF) with reliable annual data. To enter NoyceWeb, please enter your NSF grant number and password in the boxes below and click on **Login**.

Grant Number	[_____]
Password	[_____] [Login]

Password trouble?

Notice: The system is closed for maintenance every first Sunday between 7 a.m. and 10 a.m. eastern time. The system will log you out after one hour of inactivity. You must re-enter your login credential to enter the system again.

DID YOU FORGET YOUR GRANT NUMBER OR PASSWORD?

Enter your e-mail address below and click on **Submit**. We will send your grant number and password to you.

E-mail	[_____] [Submit]

This feature is available only if you have previously logged in to NoyceWeb and provided us with your e-mail address. If you did not receive any login information or have not yet provided us with your e-mail address, please e-mail us or call toll free at (800) 665-8961.

SURVEY PRIVACY

The Federal Government has a continuing commitment to monitor its awards to identify and address any inequities based on gender, race, ethnicity, or disability of the principal investigators/co-principal investigators, support recipients, or other participants.

Information from this data collection system will be retained by NSF, a Federal agency, and will be an integral part of its Privacy Act System of Records in accordance with the Privacy Act of 1974 and maintained in the Education and Training System of Records 63 Fed. Reg. 264, 272 (January 5, 1998). All individually identifiable information supplied by individuals or institutions to a Federal agency may be used only for the purposes outlined in the system of records notice and may not be disclosed or used in identifiable form for any other purpose, unless otherwise compelled by law. These are confidential files accessible only to appropriate NSF officials, their staffs, and their contractors responsible for monitoring, assessing, and evaluating NSF programs. Only data in highly aggregated form or data explicitly requested "for general use" will be made available to anyone outside of NSF for research purposes. Data submitted will be used in accordance with criteria established by NSF for monitoring research and education grants and in response to Public Law 99-383 and 42 USC 1885c. Date of birth will be maintained in accordance with the requirements of the Privacy Act of 1974.

NSF Privacy Policy

PUBLIC BURDEN

Submission of the requested information is voluntary. Failure to provide full and complete information, however, may reduce the possibility for continuing support through the award/project subject to this survey. Pursuant to 5 CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3145-0136. The public reporting burden for this collection of information is estimated to average 14 hours per award, including the time for reviewing instructions. Each principal investigator's average reporting burden is 14 hours. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Suzanne Plimpton, Reports Clearance Officer for OMB Collection 3145-0136 (Noyce Program), Facilities and Operations Branch, Division of Administrative Services, National Science Foundation, 4201 Wilson Blvd., Suite 295, Arlington, VA 22230.

Getting Started

Your reporting period is September 1, 2015, through August 31, 2016.

Please complete the sections in the order listed. To begin data entry, follow these steps:

1. From the Main Menu screen, access the first survey section by clicking on the name of the section. Please review each item with a ✖ , ⚠ , or ☐ .
2. Review and add to or correct (if necessary) the information found on the selected data entry screen. Click on the **Save** button at the bottom of the screen to save the screen and return to the Main Menu screen. Click on the **Cancel** button to return to the Main Menu screen without saving any data.
3. After you save your data, check the status icon displayed on the Main Menu screen for that data entry screen. A ✖ indicates that you must correct the record before submission. A ⚠ indicates a record with incomplete preferred fields; i.e., the record can be submitted as is, but we prefer that you review it and, if possible, complete any fields marked with a ⚠ . A ✔ indicates a record that is ready for submission. You may make any needed changes or additions right away or return to the question later.
4. Repeat the steps outlined above for each section of the survey.
5. Once you have answered all the questions, you will need to finish the survey by sending your authorized final submission to NSF. Click on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen to access the Final Submission screen and then click on the **Send Final Submission** button. If you do not want to send your final submission, click on **Cancel**.
6. After you have sent your final submission, your data will appear in the system as read-only. This means that you will still be able to view and print your submission, but you will not be able to alter the data. To generate a printed copy of your submission from the read-only version, click on **Print Data Entered to Date** on the left side of the Main Menu screen and follow the instructions on the Print Preview Menu screen. A spreadsheet copy of your submission can also be generated from the read-only version by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen.

Understanding the Status Icons

Status icons indicate the submission status of each section and show where the system has found problems or potential problems with the data you have entered.

The icon colors mimic a traffic light and indicate the submission status of each section and item as follows:

The Please Correct icon (✖) indicates that you must correct the record before you submit your data.

The Please Review icon (⚠) indicates a record that we would like you to review and complete, if possible, before submitting your data; however, completion is not required before you submit your data.

The OK icon (✔) indicates a record that is ready for submission; i.e., no changes are required prior to submitting your data.

The Please Complete icon (☐) indicates a record for which no data have been entered.

Saving Data and Returning to the Survey

The system is designed to allow you to work on an entry, save your work, leave the system, and return later to continue where you left off. You can continue to return to the system and make any necessary revisions and updates until you send your authorized final submission to NSF by clicking on **Send Authorized Final Submission to NSF** at the bottom of the Main Menu screen. As noted elsewhere, sending your final submission to NSF will complete your survey submission and lock your data. After final submission, you may return to this site as often as you like to view the read-only version of your data, but you will not be able to alter the data.

Each time you click on the **Save** button, your data are transferred to NSF and stored in a computer system there, not on your hard drive. You can access your data at any time using NoyceWeb.

Leaving a Field Blank

You can intentionally leave a field blank if you think that the field does not apply to your award or that the best answer is to leave it blank. If the answer to the question is zero (0), please enter a "0" rather than leave the field blank. If a Please Review icon (⚠) is displayed because a field is blank and if your record has no errors, you will still be able to send your authorized final submission to NSF. This icon appears when we would like you to review preferred fields, but it will not prevent or delay final submission.

If a Please Correct icon (❌) is displayed next to a field that you have left blank, it means that the field is required and must be completed before final submission can occur.

Final Submission

When you successfully complete your authorized final submission, the Final Submission Complete screen will display to acknowledge your success. From that point forward your access to NoyceWeb will be read-only. You will see the words "read-only version" at the top of the Main Menu screen, and you will not be able to save any changes that you make to the data. Although you will be able to change the data onscreen, there will not be a **Save** button available to allow you to commit those changes.

You can print a copy of your final submission by clicking on **Print Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Print Preview Menu screen. This screen allows you to select all or part of the data you have entered to view and print. Alternatively, you can download a copy of your submission by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen, which will take you to the Download Menu screen. This screen allows you to select data you have entered to download into a Microsoft Excel spreadsheet.

Additional Help

Each screen has screen-specific definitions and other helpful information that can be accessed by clicking on **Help with this screen** on the left side of the screen. A new window will pop up that contains help for that screen. You can print the Help window by clicking on **Print** in the top right corner of the window. Close the Help window by clicking on **Close This Window** in the top right corner of the window. If you do not immediately return to your data entry screen, click on your browser's **Back** button.

To print the NoyceWeb instructions, click on **Help & Instructions** on the left side of the Main Menu screen. Select "Print" from your browser's File dropdown list. To return to the Main Menu screen, click on the **Main menu** button on the left side of the screen.

You can contact us by e-mail for additional help. Questions e-mailed to support@noyceweb.org will be answered promptly by Noyce Technical Support. Noyce Technical Support is also available by calling (800) 665-8961.

Frequently Asked Questions

Which Web browser should I use?

We have attempted to make the Noyce Annual Survey accessible to a variety of equipment and software. Using the latest version of Microsoft Internet Explorer may provide the best results. The latest versions of Mozilla Firefox, Safari, and Chrome may also be used. Overall, these pages will look best if you use an up-to-date Web browser. If your browser is more than 6 months old, some pages may not display properly, and some features may not work. Current versions of many browsers are available free online.

What do I do if I forget my grant number or password? How do I change my password?

If you have forgotten your password or need to reset it, please use the Create/Reset password tab on the Noyce Login Page. Submit your Grant Number and e-mail address, and we will send you instructions for creating/resetting your password. If you don't have your Grant Number, please contact Noyce Technical Support at support@noyceweb.org or call (800) 665-8961. When creating the password, please keep in mind that each award only has one password which must be shared amongst all who will be accessing the award.

NOTE: The Create/Reset password feature will work only if your e-mail address is on file in our database. This feature can be used by either the PI or respondent.

Some sections of the survey have data preloaded for me. Do I have to make changes to those sections?

Noyce Technical Support preloads survey data that were entered in the previous year's data collection in order to save you time and provide a historical record of Noyce award data. These sections should be reviewed to ensure that the information is accurate; corrections should be made to any data that are inaccurate. Be sure to save each section after reviewing it, regardless of whether any corrections were made.

What is the reporting period for the survey?

The reporting period (which will follow the format September 1, 20XX–August 31, 20XY) can be found on the top left side of each survey screen, under the title "NSF Noyce Annual Survey." The reporting period for the current (2016) collection cycle is September 1, 2015–August 31, 2016.

NOTE: If a Noyce Teaching Fellowship/Master Teaching Fellowship is awarded over multiple periods, report only the amount awarded for the current reporting period. Additional amounts should be reported in the previous or upcoming reporting periods, as appropriate.

I'm receiving a Please Review (△) status icon asking me to review and/or correct data. What should I do?

The Please Review icon will not prevent you from sending your final submission to NSF. It indicates that you may have a trend error or are missing data in a field for which completion is requested (rather than required).

If possible, please update the field that contains this warning. Occasionally the Please Review icon will remain onscreen for trend-monitoring purposes even after you have updated and saved your data.

How do I find out which sections are missing data and preventing me from sending my final submission to NSF?

Incomplete sections will be marked with ❌ or ☐. Additionally, if you click on the **Send Authorized Final Submission to NSF** link, a list will appear that identifies the incomplete required sections.

What if I do not have required information?

The survey cannot be completed without providing the required information. If you do not have some of the required data, contact Noyce Technical Support for assistance at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Noyce Required Information".

The body of the message should include:

- Grant number
- Required information that you are unable to complete
- Reason that this information is unavailable.

A Noyce Technical Support staff member will respond to your e-mail message.

How do I delete recipients who were carried over from previous surveys?

Recipients carried over from previous cycles cannot be deleted. NSF wants a complete historical record of all recipients involved in the Noyce award. In the cycle after a recipient has completed their teaching requirements, a green check mark will appear next to their name (✔) signaling no new information needs to be updated during the current cycle.

How do I delete recipients in this year's survey?

Recipients who were added during the current reporting cycle can be deleted by selecting the name of the recipient, scrolling to the bottom of the page, and clicking the **Delete** button. Only recipients added during the current cycle can be deleted. If there is an issue with a recipient added during a previous cycle, please contact Noyce Technical Support at support@noyceweb.org.

NOTE: This must be done before final submission. If you want to delete a recipient after final submission, please contact Noyce Technical Support at support@noyceweb.org.

What if I do not have all the data needed to finish the survey in one session?

Enter as much information as you can for each screen. At the bottom of each screen, click on the **Save** button, then scroll to the top of each screen and click on the **Fix Later** button. This will save your data so that you can update them at a later time.

How do I request an extension?

All efforts should be made to submit your data by the deadline. If you need more time to complete your survey, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Noyce Extension Request".

The body of the message should include:

- Grant number
- Date by which you expect to complete the survey
- Reason for the extension request

A Noyce Technical Support staff member will respond to your e-mail message, indicating whether your extension has been approved by NSF.

How do I get a hardcopy of my data?

To print a copy of the data you entered, click on **Print Data Entered to Date** on the left side of the Main Menu screen. This opens the Print Preview Menu screen, where you can select all or part of the data you have entered to view and print.

A copy of your submission in spreadsheet format can also be generated by clicking on **Download Data Entered to Date** on the left side of the Main Menu screen. This opens the Download Menu screen, where you can select data you have entered and download them to an MS Excel file.

I have feedback on the survey. Where do I enter my comments?

NSF appreciates your comments and feedback. Click on **Add Comments/Feedback** on the left side of the Main Menu screen to submit your comments about the survey. Select the survey section that best matches the subject of your comments from the dropdown list, enter your comments in the text box, and click on the **Save** button. You may enter as many comments as you want.

I have submitted information and now am unable to change it. Why?

Once your final submission is sent to NSF, the data entry screens become read-only and further data entry is prevented. If data needs to be updated after the final submission, please e-mail Noyce Technical Support at support@noyceweb.org before the survey deadline.

The subject line of the message should read "Reset Submission Status".

In the body of the message include:

- Grant number
- Reason for the request

A Noyce Technical Support staff member will respond to your e-mail message.

What is the difference between career changers and post-baccalaureates?

Career changers (post-baccalaureates who are moving into teaching in the fields of science, technology, engineering, or mathematics from another occupation) represent a subset of all post-baccalaureates.

What is the main distinction between a Noyce Teaching Fellowship recipient and a Noyce Master Teaching Fellowship recipient?

The main distinction between a Teaching Fellowship recipient and a Master Teaching Fellowship recipient for the purposes of the Noyce survey is that a Teaching Fellowship recipient initially receives funding to complete a master's degree program leading to teacher certification/licensure and does not already hold a teaching certificate/license and has not taught previously while a Master Teaching Fellowship recipient is already a certified/licensed mathematics or science teacher.

What kind of teaching counts toward meeting the Noyce teaching requirements?

To count towards the teaching requirement, the recipient needs to be certified/licensed full-time, full-responsibility teaching in a high-need school district. If the recipient is not certified and/or does not have full teaching responsibility, then the teaching does not count toward meeting the teaching requirement.

If a recipient is certified/licensed, and is substitute teaching full-time in a high-need school district while seeking a full-time regular teaching position, then the substitute teaching experience counts towards meeting the recipient's teaching requirements. If the substitute teaching is only occasional (e.g. a few days a week), then substitute teaching experience does not count towards meeting the recipient's teaching requirements.

When should I answer Yes to the questions about leaving the NSF Master Teaching Fellowship program?

Only answer Yes if the recipient permanently left the program (i.e., dropped out with no intention to return). If the recipient left the program temporarily (e.g., for medical reasons) and intends to return to complete the program, please answer No.

If the answer to these questions is Yes, then you must provide the amount of the NSF Master Teaching Fellowship funding that the recipient is required to repay.

I noticed that data entered in a previous cycle was incorrect and there is no way to make changes. How can I correct this information?

All past data is viewable as read-only. To request a change be made to past data, please send a message to Noyce Technical Support at support@noyceweb.org.

The subject of the message should read "Past Data Correction".

The body of the message should include:

- Grant number
- Reporting period in which the data was originally entered
- Data that is incorrect
- Correct information that should be entered

A Noyce Technical Support staff member will respond to your e-mail message.

When I add a new district into the School District section, I receive an error saying this is a duplicate district. I don't see the district on the page. How do I resolve the duplicate error message?

Please contact Noyce Technical Support at support@noyceweb.org to resolve this issue. The subject of the message should read "School District Error".

The body of the message should include:

- Grant Number
- Duplicate school district.

A Noyce Technical Support staff member will respond to your e-mail message.

Glossary

Career changer

A post-baccalaureate who is moving into teaching in the fields of science, technology, engineering, or mathematics (STEM) from another occupation

Clinical experience

Supervised, extended classroom experiences with K-12 students, including student teaching experience

Cumulative grade point average (GPA)

The average grade earned by a student, calculated by dividing the grade points earned in all courses taken by the total number of credits taken

Disability

A physical or mental impairment that substantially limits one or more major life activities

Early field experiences

Opportunities for preservice teachers to work with K-12 students, teachers, Master Teachers, and curriculum in K-12 schools prior to formal student teaching placements

Ethnicity

A classification indicating general ethnic heritage based on self-identification, as in data collected by the U.S. Census Bureau. These categories are in accordance with the Office of Management and Budget standard classification scheme presented below:

- **Hispanic or Latino:** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race

- **Not Hispanic or Latino:** A person whose ethnicity is not Hispanic or Latino

- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Faculty members involved in the project

Any faculty member who participated in the development and implementation of the project through activities such as serving on the leadership team, recruiting and/or selecting NSF Teaching Fellowship/Master Teaching Fellowship recipients, teaching courses in which NSF Teaching Fellowship/Master Teaching Fellowship recipients are enrolled (STEM courses and any other courses that are required for the teacher preparation program), and mentoring and/or monitoring NSF Teaching Fellowship/Master Teaching Fellowship recipients

High-need school district criteria

To be considered high need, a school district must have one or more schools that meet at least one of the following criteria:

- Has a high percentage of individuals from families with incomes below the poverty line

- Has a high percentage of secondary school teachers not teaching in the content area in which the teachers were trained to teach

- Has a high teacher turnover rate

Leadership opportunities

Activities undertaken by novice or experienced teachers at their school or local education agency such as serving as a mentor, participating in curriculum development, assisting in the planning and implementation of professional development experiences, and participating in preservice teacher education

Mentoring

When an individual serves as a student's counselor or advisor, especially in a direct, one-on-one setting

NSF master teaching fellowship applicant

A certified/licensed mathematics or science teacher already holding at least a master's degree who has applied for the NSF Master Teaching Fellowship during the current reporting period

NSF master teaching fellowship recipient

An individual who:

- Is currently a certified/licensed mathematics or science teacher already holding at least a master's degree;

- Is participating in activities to become a Master Teacher; and

- Has received Noyce funding during the current reporting period.

Peer tutoring

Individualized instruction or training given to a student by an individual of comparable academic status or rank

Post-secondary institution

An educational institution (e.g., college, university, vocational school) that serves students who have completed a secondary education (e.g., high school) or its equivalent (e.g., a GED program)

Professional development

Structured opportunities for novice teachers (induction) or experienced teachers to improve their subject matter understanding and teaching abilities

Programmatic activities

Activities conducted by the institution (e.g., mentoring, peer tutoring) intended to maximize students' chances of successful program outcomes

Race

A classification indicating general racial or ethnic heritage based on self-identification. The following descriptions should be used:

- **American Indian or Alaska Native:** A person having origins in any of the original peoples of North or South America (including Central America), and who maintains tribal affiliation or community attachment
- **Asian:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam
- **Black or African American:** A person having origins in any of the black racial groups of Africa
- **Native Hawaiian or Other Pacific Islander:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands
- **White:** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa
- **Not Reported:** The data are unavailable or the participant has indicated that he or she does not want to provide this information.

Reporting period

The reporting period is from September 1 of one year through August 31 of the next year. The reporting period can be found on the top left side of each screen under the title "NSF Noyce Annual Survey."

Research

Systematic investigation to improve understanding within a teacher's STEM discipline or area of education, including pedagogy

Salary supplement

Monies received while the Teaching Fellowship/Master Teaching Fellowship recipient is fulfilling his or her teaching obligation. For Teaching Fellowship recipients, the salary supplement must be at least $10,000 per year for 4 years while the individual continues to teach in a high-need school district. For Master Teaching Fellowship recipients, the salary supplement must be at least $10,000 per year for 5 years while the individual continues to teach in a high-need school district.

STEM

Science, technology, engineering, and mathematics

Stipend

A one-year stipend of at least $10,000, not to exceed the cost of attendance, while the Teaching Fellowship recipient is enrolled in a master's degree program. Teaching Fellowship recipients enrolled part-time may receive a prorated stipend.

Number of years the individual taught prior to receiving the NSF Master Teaching Fellowship:

[-- Choose one ▾]

If More than 30 years of teaching is selected, please provide the total number of years teaching.

[____]

Number of years the individual taught in a high-need school district prior to receiving the NSF Master Teaching Fellowship:

[-- Choose one ▾]

If More than 30 years of teaching is selected, please provide the total number of years teaching.

[____]

Number of years the individual taught in a high-need school district prior to receiving the NSF Master Teaching Fellowship:

[-- Choose one ▾]

If More than 30 years of teaching is selected, please provide the total number of years teaching.

[____]

Activities the recipient participated in during the current reporting period (September 1, 2010–August 31, 2011) (Mark all that apply)

- ☐ Mentoring new teachers
- ☐ Mentoring pre-service teachers
- ☐ Participating in clinical teaching experiences
- ☐ Participating in a pre-service teacher education program
- ☐ Developing and providing professional development activities for other teachers
- ☐ Attending professional development activities focusing on content knowledge in mathematics and/or science
- ☐ Attending professional development activities focusing on pedagogy
- ☐ Conducting STEM research
- ☐ Conducting educational research
- ☐ Attending regional/local conferences
- ☐ Selecting and adapting instructional material
- ☐ Using research to inform curriculum development and/or learning strategies
- ☐ Working with parents, school boards, or others outside of the school
- ☐ Serving on a curriculum committee
- ☐ Serving on a textbook adoption committee
- ☐ Serving on other school-wide or district-wide committee or task force (Please specify): [_____]
- ☐ Participating in peer coaching activities
- ☐ Serving as an officer in a local professional organization for science and/or mathematics
- ☐ Serving as a committee chair/officer/representative for a national professional organization (e.g., NSTA, NCTM)
- ☐ Serving on a business/industry science and/or mathematics task force in the local area
- ☐ Serving as a science/mathematics supervisor
- ☐ Other (Please specify): [_____]

During the current reporting period did the NSF Master Teaching Fellowship recipient leave the NSF Master Teaching Fellowship program at your institution without completing the program requirements?

[-- Choose one ▾]

If yes, why?

[-- Choose one ▾]
Please specify the reason if Other is selected above.

[_____]

If yes, what amount of the NSF Master Teaching Fellowship funding is the recipient required to repay?

$ [_____]

If yes, how much of the NSF Master Teaching Fellowship funding has the recipient repaid to date? (This should be the cumulative amount repaid through the end of the current reporting period.)

$ [_____]

The following data items are collected only for NSF Master Teaching Fellowship recipients who are continuing with the program.

If the recipient left the NSF Master Teaching Fellowship program at your institution without completing the program requirements, please skip to question "Has the NSF Master Teaching Fellowship recipient begun full-time, full-responsibility teaching in a high-need school district in fulfillment of the teaching requirements" below.

Was the NSF Master Teaching Fellowship recipient recognized as a master teacher during the current reporting period?

-- Choose one ▾

If yes, please describe the nature of this recognition

○ National board certification
○ Salary increase
○ Promotion
○ Other (Please specify): [   ]

All teaching-related questions pertain to full-time, full-responsibility teaching by certified/licensed individuals in a high-need school district in fulfillment of the teaching requirements. Teaching that does not count toward meeting the teaching requirements (e.g., student teaching) is excluded.

Has the NSF Master Teaching Fellowship recipient begun teaching in a high-need school district in fulfillment of the teaching requirements as of the current reporting period (September 1, 2010–August 31, 2011)?

-- Choose one ▾

If not, why?

○ Taught in a school that is not in a high-need school district
○ Cannot find employment
○ Unknown
○ Other (Please specify): [   ]

Which of the following best describes the status of this NSF Master Teaching Fellowship recipient as of the end of the current reporting period?

○ Has not met teaching requirements but taught in a high-need school district during the current reporting period
○ Has not met teaching requirements and did not teach in a high-need school district during the current reporting period
○ Has met the teaching requirements
○ Does not intend to meet the teaching requirements
○ Does not intend to become a master teacher
○ Other (Please specify): [   ]

If the recipient does not intend to meet the teaching requirements, what amount of the NSF Master Teaching Fellowship funding is the recipient required to repay?

$ [   ]

If the recipient does not intend to meet the teaching requirements, how much of the NSF Master Teaching Fellowship funding has the recipient repaid to date? (This should be the cumulative amount repaid through the end of the current reporting period.)

$ [   ]

The following data items are collected only for NSF Master Teaching Fellowship recipients who taught in a high-need school district during the current reporting period (September 1, 2010–August 31, 2011) in fulfillment of the teaching requirements.

Send Authorized Final Submission to NSF—Step 2 of 2

Final Data Are Ready To Submit

You have chosen to notify NSF that your data are final. Are you sure that you are ready to finalize the data for this reporting year? After submission, NoyceWeb will display a read-only version of your data. You will be able to view your final data but not update them.

To submit your final data, click on **Send Final Submission** below. Click on **Cancel** to return to the Main Menu screen without submitting your data.

If you click on **Cancel** your data will be saved and you will still be able to add or revise data. If you are confident that you have finished reporting your data click on **Send Final Submission**.

Approximately how many person-hours were required to complete the Noyce online survey?

[   ]

I certify that all of the information that I entered in this annual survey is correct to the best of my knowledge.
