

## RESEARCH & RELATED PERSONAL DATA Reviewer

The Federal Government has a continuing commitment to monitor the operation of its review and award processes to identify and address any inequities based on gender, race, ethnicity, or disability. Submission of the requested information is voluntary and is not a precondition of serving on the panel. However, information not submitted will seriously undermine the statistical validity, and therefore the usefulness, of information received from others. Any individual not wishing to submit some or all the information should check the box provided for this purpose. This form will not be duplicated and will only be used for ensuring that the panel includes individuals from diverse populations. This data will be kept confidential.
