0535-0270 – Hemp Acreage and Production Survey

This is a non-substantive change request to the approved Hemp Acreage & Production Survey. The changes resulted from an analysis of data collected in the 2021 survey and debriefing interviews approved under OMB Control Number 0535-0248. The supplemental document “0270 - Hemp Questionnaire Change Report With Appendices - August 22, 2022.pdf” contains the changes and rationale.

Revised questionnaires for all affected surveys are loaded to ROCIS.

These changes will not impact the publication, current sample size, or respondent burden.
