We are here to assist if needed. If you have questions, need assistance, or foresee any issues with this request, please feel free to contact us at [INSERT NUMBER] or [INSERT EMAIL].

Thank you in advance for your help and cooperation.

Sincerely,
APEC IV Research Team

Authority: This information is being collected under the authority of the Healthy, Hunger-Free Kids Act of 2010 (P. L. 111-296), Section 305.

Purpose: The Food and Nutrition Service (FNS) is collecting this information to assess improper payments made in the National School Lunch Program (NSLP) and School Breakfast Program (SBP).

Routine Use: The records in this system may be disclosed to private firms that have contracted with FNS to collect, aggregate, analyze, or otherwise refine records for the purpose of research and reporting to Congress and appropriate oversight agencies, and/or departmental and FNS officials.

Disclosure: Disclosing the information is voluntary, and there are no consequences to you as an individual for not providing the information.

The System of Records Notice for this information collection is USDA/FNS-8, FNS Studies and Reports, which can be located at <https://www.govinfo.gov/content/pkg/FR-1991-04-25/pdf/FR-1991-04-25.pdf> (p. 19078).

A3. SFA REMINDER FOR E-RECORDS (CEP SCHOOLS FOR ISP DATA ABSTRACTION)

This information is being collected to provide the Food and Nutrition Service with key information on the annual error rates and improper payments for the school meal programs. This is a voluntary collection and FNS will use the information to examine school meal error rates and inform future APEC studies. This collection requests personally identifiable information under the Privacy Act of 1974. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-0530. The time required to complete this information collection is estimated to average 0.4175 hours (25 minutes) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture.
