

Highly Migratory Species (HMS) – Fishing Vessel Information Required of Dealers for Completion of the HMS Dealer Landings Report

Use of this form is optional. Federal HMS dealers are required by NMFS to submit the information marked with an asterisk * as part of their HMS Dealer Landings Reports and this form is provided as a tool to aid them in obtaining this information from the Fishing Vessel. This form is to be completed by fishermen and given to dealers for their reports. A single form should contain no more than one trip's worth of data.

FISHING VESSEL (F/V) TRIP INFORMATION:

F/V Contact Name: _____

F/V Contact Phone: _____

F/V Contact e-mail: _____

*F/V Name: _____

*F/V Registration # or USCG # associated with HMS permits: _____

*Date HMS Offloaded: _____

Any Portion of Catch Within Shark Research Fishery?
___ Yes* ___ No

If Yes, Dealer Must Report SE Observer Logbook ID.

*SE Observer Logbook ID #: _____

*F/V Logbook ID #: _____

*If no FV Logbook, please check the applicable explanation.

- Sharks caught in state waters and no FV log book required by another permit carried by the FV

- Explanation described below (Please print legibly)

CATCH AREAS

PAPERWORK REDUCTION ACT NOTICE: Reporting of fishing activity via this form is voluntary. Public reporting burden for this collection of information is estimated to average 15 minutes per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NMFS, Highly Migratory Species Management Division (F/SF1), 1315 East-West Highway, Silver Spring, MD 20910. It is NOAA policy to preserve the confidentiality of information submitted under this reporting requirement, except that NMFS may release such information in aggregate or summary form, such that individual identifiers are not disclosed (NAO 216-100). Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. OMB Control #0648-0040 Expires 11/30/2021.
