6) For your records, record the confirmation number provided by the operator. Re-enter the confirmation number in the area provided below.

Confirmation Number						

7) Ask the operator to review the information in your declaration. Once you confirm that your declaration report is correct you may disconnect from the West Coast Groundfish Declaration Line.

Public reporting burden for this collection of information is estimated to average 4 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to Karen Palmigiano, National Marine Fisheries Service/Northwest Region, at karen.palmigiano@noaa.gov.

This information is confidential under Section 402 of the Magnuson-Stevens Fishery Conservation and Management Act. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
